**Welcome to the Office of Engineering & Technology
Telecommunications Certification Bodies Electronic Filing Site**

Notes of Interest and Up-Coming Events:

Effective August 10, 2004, the Commission amends its Schedule of Application Fees to adjust the fees for processing Equipment Authorization applications (FCC Form 731) and other related filings, pursuant to Report and Order FCC 04-150, GEN Docket No. 86-285. To view the Order, related Public Notices, and the 2004 Office of Engineering and Technology (OET) Fee Filing Guide, visit www.fcc.gov/fees/appfees.html.

Effective December 3, 2002, all applications for certification of "Learned Mode" or "Trainable" transmitters must be submitted to the FCC Laboratory for processing. These devices are defined in the October 28, 2002, Public Notice DA 02-2850, found at www.fcc.gov/oet/info. If a TCB is presently processing an application for such a device, the TCB should contact Ray LaForge at raymond.laforge@fcc.gov, at the FCC Laboratory for guidance. TCBs will be notified when they may process these applications.

TCB Filing Options

The screenshot shows a Microsoft Word window displaying the FCC TCB Electronic Filing Site. The page features the FCC logo and the text "Federal Communications Commission" and "Office of Engineering and Technology". Navigation links include "OET Home Page", "FCC > FCC E-filing > TCB Home", "TCB Filing Options", "Form 731", "Add Attachments", "Submit Correspondence", "Modify Grant", "Complete Unfinished Form 731", "Reprint Grant", "TCB Report Options", and "FCC ID Search". A "Welcome Telecommu" message is partially visible. A "Notes of Interest and Up-Coming Events:" section contains two announcements: one effective August 10, 2004, regarding amendments to the Report and Order and Technology (OET) Fee Filing Guide, and another effective December 3, 2002, regarding applications for certification.
