Matthew Berry, the Chief of Staff for the Chairman Pai, delivered a key note on behalf of the Chairman who could not join the meeting today. Matthew Berry highlighted the respect and appreciation from the Chairman for the work this group has conducted. Julie Knapp reiterated the appreciation to the TAC members for their work and explained the re-chartering process of the TAC for next two years, including the membership nomination process that will be publicly announced in the next day. The work group chairs then proceeded with their presentations. A copy of the presentation is attached herein. At the end of the presentations, the TAC Chairman, Dale Hatfield, Michael Ha and Julie Knapp took turns to thank Walter Johnston for his service as the DFO.
