RE: USAC MOU

Dear Mr. Barash:

The Commission and the Universal Service Administrative Company (USAC) executed a Memorandum of Understanding (MOU) on June 4, 2007 to address oversight and management issues related to the Universal Service Fund. USAC and the Commission's staff have discussed proposed modifications and changes to this MOU. Based on conversations with the Chairman of the USAC Board of Directors, we understand that the USAC Board of Directors has voted to approve adoption of a revised MOU. To provide sufficient time to complete the signature process, we are extending the expiration of the existing MOU from September 5, 2008 through September 10, 2008.

Thank you.

Sincerely,
