

## The problem

**\$100,000,000,000** spent on law enforcement per year, yet...

- **Every 1.5 seconds** a crime is reported
- **Hundreds of billions of \$'s** lost to crime annually
- **53%** of violent crime goes unreported
- Only **250 police** to protect every **100,000** citizens

# Making the world safer by empowering mobile-citizens to easily “see something, say something”

Founded by Virginia Tech shooting survivor and an assault victim.  
Advised by security, safety, higher ed, and sexual assault experts.
