

**Federal Communications Commission
Public Safety and Homeland Security Bureau**

Agency/Bureau/Office:	<p>Federal Communications Commission, Public Safety & Homeland Security Bureau, Policy Division (Policy), 445 12th Street, SW, Washington, DC 20554</p> <p>The Policy Division (Division) of the Public Safety and Homeland Security Bureau of the Federal Communications Commission is seeking to fill various intern positions. The Policy Division drafts, develops, and administers rules, regulations, and policies, including those pertaining to 700 MHz and 800 MHz spectrum, 911/Enhanced 911 (E911), Public Safety Answering Points (PSAPs), operability and interoperability for public safety communications. In addition, the Policy Division oversees the licensing of spectrum for public safety entities (e.g., police and fire departments).</p>
Internship Period(s):	Summer 2011, Fall 2011 and Spring 2012
General Duties:	<p>Unpaid Legal Intern</p> <p>The intern will assist with analysis of a broad spectrum of legal issues relating to the policies, programs and regulations of the agency. He/she will perform legal research on a variety of issues and also may be required to prepare written summary of research findings. Additionally, the intern will assist in the preparation of legal memoranda and other Commission documents. The intern also will attend and participate in meetings with Commission personnel and outside parties.</p>
Selection Criteria:	First, second and third year law students with strong analytical, research, writing and organizational skills. Students must be enrolled in law school at least half-time in order to apply.
