**Re: Request of Memphis Networx, LLC to Participate in the July 27, 2000
En Banc Hearing in CS Docket No. 00-30**

Dear Ms. Dickens:

The purpose of this letter is to expressly request that the Commission permit Memphis Networx, LLC ("MNet") to participate in the Commission's July 27, 2000 *en banc* hearing on the America Online, Inc. and Time Warner Inc. applications for transfers of control in CS Docket No. 00-30. As a network overbuilder that has faced substantial anticompetitive opposition from Time Warner in the Memphis, Tennessee, MNet believes that it could provide valuable insight to the Commission on public interest issues associated with permitting the proposed vertical integration of America Online, Inc. and Time Warner Inc. without substantial public interest safeguards. If you have any questions or need additional information, please contact me on (202) 887-1209.

Sincerely,

Michael B. Hazzard
