

If this merger is allowed the new company formed will control a huge portion of access to the Internet. Please make provisions so they can't censor the access of their users, or limit bandwidth used beyond what their equipment is capable of.

Allowing TW-AOL to censor Internet content will destroy the Internet as a free medium for the exchange of information and ideas. The Internet has thrived because of it's freedom, the principals being similar to what this country was founded on, and has thrived on.
