

Ladies and Gentleman, please review the AOL-TimeWarner merger with a careful eye. This merger presents great potential for internet growth, and also abuse. This merger will surely usher in a new era in personal connection. The right to express our opinion has been the cornerstone of our democracy. It is the opinion of myself and many others that, this merger will allow a corporation to censure it's users. This merger should only be allowed if federal limitations or governmental oversight are adopted, to protect every citizens rights. You are deciding for over 250 million citizens, our trust is with you. You speak with the power of a nation, don't be afraid to do the right thing.
