OFFICE OF THE SECRETARY

Dear Ms. Senecal:

I am trying to discover who to contact about the total lack of competition in my local market for cable and cable modem services. We are increasing frustrated by the stranglehold and the strongarm tactics employed by Comcast Cable in this area, which I find inconsistent with the policies expressed by the FCC regarding competitive free markets and consumer protection.

Any assistance you can provide in pointing me in the right direction would be very much appreciated.

Sincerely yours,

Lynn Benswanger
