**PUBLIC INTEREST STATEMENT**

**I. INTRODUCTION**

Charter may not be a household name for all Americans, but it has developed into an industry leader by implementing customer- and Internet-friendly business practices. In this Application, Charter seeks to extend its suite of services to millions of Americans now served by Time Warner Cable and Bright House Networks, while also building on the best of Time Warner Cable's operations momentum and diversity initiatives and Bright House Networks' customer service expertise.

Charter has implemented a number of customer-friendly practices. For example, in nearly 100% of its service areas, Charter's lowest broadband speed tier sold is an extremely fast 60 Megabits per second ("Mbps"), which, among other things, facilitates several people in each household to watch high-definition online video while making other uses of the Internet at the same time. Charter offers that speed at a much lower price than other companies do, with simple, uniform pricing across its service area and without any data caps, usage-based pricing, or modem fees. Charter also does not offer plans with separate, additional fees common in the industry, such as a federal Universal Service Fund ("USF") fee, state USF fee, subscriber line fee, or E911 fee. Charter offers a compelling stand-alone broadband service for those not interested in cable TV and has a history of investing significantly in capacity for interconnection. It has been involved in no notable disputes over traffic management and has long practiced network neutrality. Charter's business strategy is to make money by serving and retaining a large percentage of households in its service areas through these best-in-class practices.

Charter, Time Warner Cable, and Bright House Networks aim to extend this model through this proposed merger. Under the leadership of Charter's management team, the merged company will have both the incentives and resources to double down on Charter's existing pro-

**REDACTED – FOR PUBLIC INSPECTION**

customer and pro-broadband model and extend it to Time Warner Cable and Bright House Networks' significantly larger footprint. Building on Charter's successful pro-customer strategies (in addition to the competitive forces at work in the marketplace), we are making legally enforceable commitments to assure this Commission and our customers that this merger will deliver meaningful public interest benefits.

Charter Communications, Inc., Time Warner Cable Inc., and Advance/Newhouse Partnership (collectively, the "Applicants") therefore respectfully seek the Commission's approval for the transfer of control of various licenses and authorizations held by Charter Communications, Inc., and its subsidiaries; Time Warner Cable Inc. and its subsidiaries; and Advance/Newhouse's subsidiary, Bright House Networks, LLC, and its subsidiaries, pursuant to Sections 214 and 310(d) of the Communications Act and the Commission's rules.<sup>1</sup> These transfers are a necessary component of the Applicants' transaction through which Charter, Time Warner Cable, and Bright House Networks will merge into New Charter (the "Transaction")—creating an advanced, growth-oriented broadband and cable company.<sup>2</sup>

The Transaction will produce many public interest benefits.

***Faster Internet experience at a better value.*** New Charter will raise the minimum broadband speed offered to 60 Mbps throughout the merged company's footprint, with pricing based on Charter's current model, which is less expensive for consumers than Time Warner

---

<sup>1</sup> See 47 U.S.C. §§ 214, 310(d). Charter believes the ownership changes impacting its own licenses and authorizations constitute, at most, *pro forma* transfers of control. Nevertheless, because Charter is filing at the FCC under the FCC's substantial change of control procedures for all FCC licenses held by Time Warner Cable and Bright House Networks in connection with these related transactions, Charter is also submitting its applications for its own licenses under the same procedures to facilitate the Commission's review.

<sup>2</sup> In addition to regulatory approvals, the Transaction is subject to a number of conditions, including the approval by Charter and Time Warner Cable shareholders in accordance with Delaware law. Although the Charter-Time Warner Cable and Charter-Bright House Networks transactions are not exclusively contingent on each other, the parties are filing a consolidated public interest statement for the Commission's and other parties' convenience in light of the many similar issues arising from the two transactions.

**REDACTED – FOR PUBLIC INSPECTION**

Cable’s and Bright House Networks’ comparable offerings.<sup>3</sup> Consistent with Charter’s current practices, we intend to offer these broadband services on a stand-alone as well as bundled basis, without data caps, usage-based pricing, modem fees, or early termination fees. We will also continue the rollout of Time Warner Cable’s ultra-high-speed 300 downstream Mbps package consistent with Time Warner Cable’s existing deployment plans. We will expand broadband functionality and data options for consumers on their mobile devices by investing significantly in both in-home and out-of-home WiFi networks.

*Continued commitment to a free and open Internet.* New Charter will not block or throttle Internet traffic or engage in paid prioritization, whether or not the FCC’s *Open Internet Order* is upheld in court. Also in line with that Order, we agree to submit interconnection disputes to the FCC. Indeed, we commit *to go farther than the FCC’s Order*, agreeing not to engage in specific practices such as usage-based billing, which thereby precludes zero-rating.

*A quicker rollout of advanced video technology.* While Charter is 99% all-digital, Time Warner Cable expects to be all-digital in only about half of its footprint by the end of 2015, and Bright House Networks is currently all-digital in only about **[BEGIN HIGHLY CONFIDENTIAL]** **[END HIGHLY CONFIDENTIAL]** of its footprint. New Charter will invest in an all-digital system in Time Warner Cable and Bright House Networks’ service areas, completing the digitization within 30 months of closing,<sup>4</sup> thereby freeing up capacity for more high definition and on-demand channels and increased broadband speeds. Our customers will transition to Charter’s new cloud-based guide, which will offer intuitive search and

---

<sup>3</sup> A small portion (less than 1%) of New Charter that is not interconnected to the New Charter network may be offered at lower speeds. In addition, New Charter will make available a separate low-income service that will build upon Bright House’s low-income broadband program by raising the speed and expanding eligibility of the program while still offering a discounted rate.

<sup>4</sup> It is possible that systems serving fewer than 1% of homes may not be taken all-digital due to the challenges in interconnecting to the remaining New Charter network.

discovery and works on old and new two-way set-top boxes so that customers do not require a technician to visit or pay additional costs for a new box to receive the new functionality.

***More Competition for Enterprise Customers and Advertising Services.*** By increasing the geographic reach and density of New Charter's presence in multiple regions, the merger will enable us to compete more effectively with large phone companies for large enterprise and other multi-location customers who need connectivity in disparate locations or to a more complete regional footprint. Similarly, this increased density will make New Charter more attractive to advertisers and will bolster the effectiveness of our own marketing.

***An Engine for New Investment and Jobs.*** The Transaction will lower the per-customer fixed costs of investments, facilitating the deployment of new technology and advanced infrastructure. In addition, substantial synergies will reduce the merged company's costs, providing additional resources to invest productively. Recognizing the negative view that many people have of cable customer service, we are focused on improving New Charter's customer service, and will leverage the Transaction to better our relationships with our customers across our footprint. As part of our effort, New Charter will invest in more jobs in the United States, by hiring and training thousands of new employees for its customer service call centers and field technician operations. We will also return Time Warner Cable call center jobs to the United States.

***More Innovation in the Technology Stack.*** New Charter's increased scale—which will make the company the number two wireline broadband provider and number three video provider in the country—will benefit consumer premises equipment (“CPE”) manufacturers, edge providers, and traditional video programmers by creating a new national platform to drive innovation, serving as a counterweight to the existing players with national scale.

**REDACTED – FOR PUBLIC INSPECTION**

***Exceptional Community Initiatives.*** Finally, the combined company will build on each individual company’s commitments to good corporate citizenship, including by expanding Time Warner Cable’s commitment to diversity and inclusion and Bright House Networks’ initiatives to expand broadband adoption and close the digital divide—all strongly rooted in the communities that New Charter will serve.

In contrast to these substantial public interest benefits, the Transaction will produce no public interest harms.

***No Horizontal Concerns.*** The Transaction raises no horizontal concerns, as the merging companies do not compete in the same geographic markets. Indeed, significantly less than 1% of the census blocks that make up New Charter’s footprint contain customers of more than one of the merging companies.<sup>5</sup> New Charter will continue to face significant competition from wireline competitors (*e.g.*, AT&T, Verizon, Frontier, and CenturyLink) across the merged footprint, even apart from other forms of competition (*e.g.*, wireless and satellite providers)..<sup>6</sup> Moreover, New Charter will add a substantial presence<sup>7</sup> in only three designated market areas (“DMAs”) where Time Warner Cable or Bright House Networks do not already have a presence (Boston, Atlanta, and Minneapolis), and in each, Comcast will remain by far the largest player.

***No Harm to Competition with Online Video Distributors, Video Programmers, or MVPDs.*** New Charter will not have the incentive to harm online video distributors, video programmers, or MVPDs. New Charter’s future success depends far more on its broadband

---

<sup>5</sup> It is quite likely that in many of the overlapping census blocks, the merging companies’ systems do not overlap. Rather, the companies likely serve customers in different geographic portions of the census blocks, themselves.

<sup>7</sup> We define “substantial presence” as exceeding 60,000 video subscribers.

**REDACTED – FOR PUBLIC INSPECTION**

business than its video business, based on broadband’s higher gross margin percentages and growth trajectory, as explained below and in Dr. Fiona Scott Morton’s declaration.<sup>8</sup> Therefore, New Charter will have every incentive to *promote* online video distributors and other edge providers, thereby increasing demand for broadband, which will expand broadband subscribership. In addition, the merged entity will have no incentive to disadvantage online or traditional programmers to protect revenues from its own programming interests, as Charter and Bright House Networks do not own any broadcast or cable TV interests outside of local news, sports, and public affairs programs, and Time Warner Cable owns only local channels plus a few regional sports networks (“RSNs”). New Charter will have at least 2.5 million *fewer* broadband subscribers than Comcast serves *today*, serving approximately 21% of wireline broadband customers<sup>9</sup> and less than 30%<sup>10</sup> of wireline broadband customers receiving speeds equal to or greater than 25 Mbps downstream and three Mbps upstream.<sup>11</sup>

<sup>8</sup> See Dr. Scott Morton Decl. ¶¶ 41-43.

<sup>9</sup> See *id.*, ¶ 24, tbl. 3.

<sup>10</sup> This number is a conservative estimate; the exact percentage cannot be known at this time because the Applicants do not have knowledge of the total number of 25/3+ Mbps subscribers nationwide. As of December 31, 2014, Charter had [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] 25/3+ Mbps subscribers, Time Warner Cable had [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] and Bright House had [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL]. The 25/3+ Mbps nationwide total for 2013, the last period for which this data is publicly available, is 29.4 million subscribers. Adding the increase in 25/3+ Mbps subscribers between 2013 and 2014 for just the three Applicants brings the nationwide total to [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL]. This yields a percentage of the total served by the Applicants of [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL]. And of course, the real percentage is lower than this figure because other providers are rapidly increasing their speeds as well and serving more subscribers at those greater speeds. For example, Cablevision has just announced an increase in the speed of its Optimum Online Internet service to 25 Mbps downstream, up from 15 Mbps. See Jeff Baumgartner, *Cablevision Raises ‘Flagship’ Internet Tier Speed*, Multichannel News (June 23, 2015), <http://www.multichannel.com/news/broadband/cablevision-raises-flagship-Internet-tier-speed/391635>.

<sup>11</sup> The Applicants do not believe that broadband speeds at or above 25/3 Mbps, or wireline broadband services more generally, constitute separate relevant markets, or that 30% is a relevant threshold for market power for video or broadband. As discussed below, the emergence of broadband speeds at or above 25/3 Mbps—absent governmental regulation or other compulsion—demonstrates that the marketplace for broadband is robustly competitive, and that Internet service providers have every incentive to deliver the best possible service to consumers. We refer to the 25/3 Mbps threshold only because that delineation was an apparent reference point in the Comcast/Time Warner Cable transaction and to show that, even within that artificially narrow segment of the marketplace, this Transaction raises no concern.

Similarly, New Charter will serve only about 17% of multichannel video programming distributor (“MVPD”) subscribers nationwide, making it the third largest video provider behind Comcast (22%) and DirecTV (currently at 20%).

For all of these reasons, this Transaction strongly serves the public interest. The Applicants respectfully ask the Commission to approve the Transaction expeditiously.

## **II. DESCRIPTION OF THE TRANSACTION**

### **A. Parties To The Application**

#### **1. Charter Communications, Inc.**

Charter is a leading communications company that provides broadband Internet, video, voice, and business services. As a result of extensive investment and a commitment to providing the best services, Charter now serves over 5.8 million residential customers and 386,000 commercial relationships. Domiciled in Delaware and headquartered in Stamford, Connecticut, Charter operates in 28 states and employs over 23,500 people.

Charter is committed to developing and deploying innovative broadband technology. Charter’s broadband Internet services offer an industry-leading minimum of 60+ Mbps to over **[BEGIN HIGHLY CONFIDENTIAL]** **[END HIGHLY CONFIDENTIAL]** of its 4.8 million residential broadband customers.<sup>12</sup> Charter’s Internet download speeds for its fastest residential service reach up to 120 Mbps, and the company continually invests in improving its network and services. Charter was also recognized in 2014 as the nation’s fastest WiFi provider.<sup>13</sup> Its broadband services are also provided under customer-friendly terms. Charter

---

<sup>12</sup> In St. Louis, Charter’s largest market, the slowest speed it sells is 100 Mbps. While a 60 Mbps or above broadband speed is the minimum speed marketed to approximately **[BEGIN HIGHLY CONFIDENTIAL]** **[END HIGHLY CONFIDENTIAL]** of Charter subscribers, some have chosen not to take advantage of the faster speeds and remain on legacy service plans with slower speeds.

<sup>13</sup> See Allion Engineering Services USA, *Allion USA Internet Service Provider Gateway Competitive Analysis* at 11 (June 15, 2015).

offers its base 60 Mbps service at lower prices than its competitors, and does not impose data caps or engage in usage-based billing. Charter also does not impose extra fees such as modem fees, state or federal USF fees, E911 fees, subscriber line fees, or additional outlet fees.<sup>14</sup> Charter has invested in interconnection, and has not been involved in any major disputes over traffic management. It maintains a focus on ensuring the broadband user experience is a positive one.

Currently the seventh-largest MVPD in the United States, Charter serves 4.2 million residential Charter TV video customers over its all-digital network. It has recently unveiled “Worldbox”—an innovative set-top box that uses a downloadable security solution. Moreover, Charter is currently deploying its “Spectrum Guide”—a cloud-based user interface that enhances the consumer video service and can be accessed through both Worldbox and legacy two-way set-top boxes. Charter’s TV app offers over 150 live, linear channels, video on demand (“VOD”) and the ability to download VOD content for future playback. All these innovations enable Charter to improve the customer experience while reducing significantly its CPE input prices, which will reduce prices for consumers.

Charter’s suite of advanced services also includes voice service, which Charter provides to over 2.4 million residential customers via VoIP technology. Its voice services include unlimited long-distance calling in the United States, Canada, Puerto Rico, the U.S. Virgin Islands, and Guam. Calling features includes voicemail, call waiting, caller ID, call forwarding and more at no additional charge. In addition, the enhanced 911 feature automatically provides the emergency service operator with a caller’s phone number and location. For customers with video service, caller ID on TV is available in most areas at no additional charge.

---

<sup>14</sup> Some Charter subscribers remain on legacy service plans that assess these kinds of charges. Charter does not offer these legacy plans to new customers, and customers on legacy plans are encouraged to move to new plans.

**REDACTED – FOR PUBLIC INSPECTION**

Charter Business offers scalable, tailored, and cost-effective technology solutions for 386,000 commercial relationships. Charter Business services include data networking, broadband Internet, managed video and music services, wireless backhaul, and “last mile” fiber connectivity to commercial premises. Charter’s advertising sales and production services are sold under its Spectrum Reach brand.

Since the beginning of 2012, the company also has invested over \$5.5 billion in technology and infrastructure—a significant figure when compared with the company’s overall size, including its \$8.7 billion adjusted EBITDA<sup>15</sup> over the same period.<sup>16</sup> This sizable commitment to innovation and the deployment of broadband technology has led to Charter’s position within the industry as a technological and business leader. Its transition to a digital network has enabled it to increase its minimum speed offering from 1 Mbps downstream in 2011 to its present 60 Mbps offered to approximately **[BEGIN HIGHLY CONFIDENTIAL]** **[END HIGHLY CONFIDENTIAL]** of its customers, to grow its HD channel line-up from fewer than 70 channels in 2011 to a present selection of over 200, to launch the innovative Spectrum Guide to a wide range of set-top boxes, and to grow its VOD library to thousands of choices. Although Charter is proud of this record of technological progress, the Transaction would enable New Charter to do far more for millions more subscribers. Charter therefore seeks increased scale and technological synergies to drive even more competitive and innovative broadband, video, and voice services.

---

<sup>15</sup> Adjusted EBITDA is defined as net loss plus net interest expense, income tax expense, depreciation and amortization, stock compensation expense, loss on extinguishment of debt, gain (loss) on derivative instruments, net, and other operating expenses, such as merger and acquisition costs, special charges and (gain) loss on sale or retirement of assets.

<sup>16</sup> While we believe this figure is substantial, we note that New Charter will have an even greater ability to invest in technology and infrastructure due its increased scale. As Dr. Scott Morton explains, New Charter’s increased scale will enable us to justify more fixed-cost investments due to our increased subscriber base. See Dr. Scott Morton Decl. ¶¶ 6-16.

**2. Time Warner Cable Inc.**

Time Warner Cable delivers high-quality video, broadband, and voice services, reaching over 15 million customers across 30 states. In addition to its residential services, Time Warner Cable also offers enterprise services through its Time Warner Cable Business Services arm.

Time Warner Cable offers its customers high-quality, high-speed broadband, reaching approximately 11.7 million residential customers in 30 states across the country. Time Warner Cable also provides advanced cable services to approximately 10.8 million residential video customers, making it the fourth-largest MVPD in the United States, behind Comcast, DirecTV, and Dish Network. Currently, Time Warner Cable plans to convert to a 75% digital footprint by the end of 2016. The Transaction will speed and broaden this conversion to all-digital across the entire legacy Time Warner Cable footprint. This progress will enable a broader range of HD and VOD options, along with the reallocation of spectrum to broadband use. Finally, Time Warner Cable customers can access content across their devices by utilizing Time Warner Cable's TV apps, and via twctv.com.

Time Warner Cable delivers voice services to approximately 5.3 million residential customers, who have access to Digital Phone, an interconnected VoIP service, throughout Time Warner Cable's footprint. Time Warner Cable was the first multi-system operator to introduce a mass-market, facilities-based VoIP service. Its technologically advanced system also offers customers a web portal, VoiceZone, through which consumers can customize their service features, enable computer-based caller ID, block unwanted calls, and access their voicemail. Time Warner Cable offers unlimited local and long-distance calling throughout the United States and to Canada, Mexico, China, Hong Kong, India, and the U.S. territories.

**REDACTED – FOR PUBLIC INSPECTION**

In some of its DMAs, Time Warner Cable owns and manages local news and lifestyle channels (including flagship Time Warner Cable News NY1).<sup>17</sup> These local channels broadcast a wide range of original, community-oriented programming that has garnered numerous awards. In addition, Time Warner Cable owns two regional sports networks (“RSNs”)—Time Warner Cable SportsNet and Time Warner Cable Deportes—which carry Los Angeles Lakers basketball games and other regional programming. Time Warner Cable also manages the distribution of SportsNet LA, which carries Los Angeles Dodgers games. Thirteen of Time Warner Cable’s 50 local channels include Division I college sports programming, and two other local channels carry some Spanish-language Major League Baseball broadcasts. Time Warner Cable possesses a 26.8% minority interest in SportsNet New York, and provides affiliate sales, ad sales, and production and technical services to SportsNet LA.<sup>18</sup> Time Warner Cable also has an attributable interest of 6.35% (together with Bright House Networks) in the national MLB Network and a 28.9% interest in the iN Demand programming service.

Time Warner Cable Business Services offers a broad range of communications and information technology solutions to more than 700,000 customers (more than 1.1 million primary service units), including small, medium, and enterprise businesses, schools, state and local governments, and other telecommunications providers. With more than [BEGIN  
**HIGHLY CONFIDENTIAL**] [END HIGHLY CONFIDENTIAL] on-net buildings (more than [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY  
**CONFIDENTIAL**] of which are served with fiber), Time Warner Cable offers video solutions, voice solutions, broadband Internet access, and Ethernet networking to its customers, and also delivers managed hosting and cloud computing services through its NaviSite operations. The

first U.S. provider to receive all eight Metro Ethernet Forum Carrier Ethernet 2.0 certifications, Time Warner Cable is the largest multi-system operator provider of Ethernet services. Time Warner Cable also offers cell tower backhaul services for the top 5 mobile network operators at over **[BEGIN HIGHLY CONFIDENTIAL]** **[END HIGHLY CONFIDENTIAL]** towers, and last-mile Ethernet access for other telecommunications providers.

In addition, Time Warner Cable sells video and online advertising to local, regional, and national customers by itself, through a consortium of cable companies under NCC Media, and through a number of local/regional interconnects that Time Warner Cable manages on behalf of itself and other cable operators.

Time Warner Cable also provides programming acquisition, network management, and maintenance services to Bright House Networks pursuant to a management agreement.

### **3. Advance/Newhouse Partnership**

The third Applicant, Advance/Newhouse Partnership, is the parent of Bright House Networks,<sup>19</sup> a highly-regarded broadband communications company delivering attractive video, high-speed data, home security, and voice services to approximately 2.5 million residential and business customers in six states—Florida, Alabama, Indiana, Michigan, California, and Georgia. Bright House Networks is the tenth-largest MVPD in the United States, with over 2 million video customers. Approximately 1.7 million of those customers are located in the growing central Florida region, which includes two of the top 20 DMAs, Orlando and Tampa Bay. Bright House Networks has a strong reputation for customer service in its burgeoning DMAs. It also

---

<sup>19</sup> Advance/Newhouse currently holds 33.3% of Time Warner Entertainment-Advance/Newhouse Partnership (“TWE-A/N Partnership”), which in turn is the sole member of Bright House Networks. Time Warner Cable currently holds the other 66.67% of TWE-A/N Partnership. Advance/Newhouse, however, exclusively tracks the economic performance of Bright House Networks and has exclusive day-to-day management responsibility for and *de facto* control over the operation of the Bright House Networks systems. To facilitate and simultaneously with the transaction, the TWE-A/N Partnership will be restructured pursuant to the existing agreement among the parties, resulting in Advance/Newhouse being the sole member of Bright House Networks.

proudly offers a low-income broadband option (“Connect2Compete”) that partners with schools to provide a low cost Internet service, discounts on Internet-capable devices, and innovative digital literacy training. Bright House Networks also owns and operates award-winning local news and high school sports channels in Florida. It is the first cable operator in the United States to achieve a Cisco Master Service Provider Certification for delivery of the Cisco Cloud and Managed Service Program.

### **B. The Transaction**

The proposed Transaction will combine Charter, Time Warner Cable, and Bright House Networks into a single company able to leverage the best aspects of each of the three participants. By combining Charter’s business strategy of investing in and offering high-quality services at competitive prices, Time Warner Cable’s operating momentum, and Bright House Networks’ strong reputation for customer care in growing, highly competitive service areas, the Transaction will deliver benefits to consumers and businesses throughout the country. Pursuant to the Transaction, Time Warner Cable stockholders will receive a combination of cash and stock that values Time Warner Cable at approximately \$78.7 billion, and Advance/Newhouse will receive a combination of cash and partnership units that values Bright House Networks at approximately \$10.4 billion. Upon the Transaction’s completion, the resulting company, “New Charter,” will serve approximately 23.9 million customers across 41 states.

As described below, there are three components to the Transaction, each of which is expected to occur simultaneously upon the closing.

*First*, Time Warner Cable will become a subsidiary of New Charter through a series of mergers. In the first of those mergers, shares of Time Warner Cable stock—other than those currently owned by Liberty Broadband and Liberty Interactive Corporation (collectively, “Liberty”)—will be converted into the right to elect to receive, for each share of Time Warner

**REDACTED – FOR PUBLIC INSPECTION**

Cable stock, either (a) a combination of \$100 in cash and approximately 0.4891 shares of New Charter Class A common stock, or (b) a combination of \$115 in cash and approximately 0.4125 shares of New Charter Class A common stock. Liberty will, prior to that merger, contribute its shares of Time Warner Cable Stock to the merger subsidiary in exchange for shares of the merger subsidiary on a one-for-one basis, which will be converted into shares of surviving Time Warner Cable on a one-for-one basis in the merger. New Charter will assume the liability to disburse the cash component of the merger consideration to the surviving Time Warner Cable stockholders. Surviving Time Warner Cable will then merge into a subsidiary of New Charter, and the then-holders of Time Warner Cable stock will receive one share of New Charter Class A common stock in exchange for each share of Time Warner Cable stock.<sup>20</sup>

*Second*, Charter will merge with a merger subsidiary of New Charter, becoming a subsidiary of New Charter, and each then outstanding share of Charter Class A common stock will be converted into 0.9042 shares of New Charter. New Charter will assume the Charter name and its existing NASDAQ Stock Market ticker symbol (CHTR). Additionally, Liberty Broadband will contribute \$4.3 billion in cash to New Charter in exchange for shares of New Charter Class A common stock.<sup>21</sup>

*Third*, subject to separate conditions set forth in Charter's agreement with Advance/Newhouse, New Charter will acquire Bright House Networks, except for certain limited excluded assets and liabilities, from Advance/Newhouse for approximately \$10.4 billion, consisting of (a) approximately \$2 billion in cash, (b) one share of Class B common stock in

---

<sup>20</sup> See Exh. B § 2.02(b).

<sup>21</sup> These shares will be issued at a price equivalent to an exchange ratio of \$176.95 per current Charter share, which represents Charter's closing price on May 20, 2015, the trading day on which Charter's offer to acquire Time Warner Cable was based.

**REDACTED – FOR PUBLIC INSPECTION**

New Charter,<sup>22</sup> and (c) common and preferred units, valued at approximately \$8.4 billion, in a partnership that will be a New Charter subsidiary and that will hold all of Bright House Networks' assets, as well as assets of Charter and Time Warner Cable.<sup>23</sup> The preferred units will be convertible into common units of the partnership, and the common units will be exchangeable by Advance/Newhouse, in certain circumstances, for cash or, at the election of New Charter, New Charter Class A common stock, and, together with the partnership units, will represent approximately 13% to 14% of New Charter on an as-converted, as-exchanged basis.<sup>24</sup>

In connection with the Bright House Networks' portion of the Transaction, Liberty Broadband will contribute an additional \$700 million in cash (for a total of \$5 billion, including the \$4.3 billion noted above) in exchange for shares of New Charter Class A common stock.<sup>25</sup> As a result of its investments, Liberty Broadband will own approximately 18% to 19% of New Charter (with additional voting rights pursuant to a proxy granted by Advance/Newhouse and a proxy granted by Liberty Interactive Corporation).<sup>26</sup>

---

<sup>22</sup> New Charter will also receive nominal consideration in exchange for the issuance of Class B common stock, which will represent Advance/Newhouse's voting interest in New Charter on an as-converted, as-exchanged basis.

<sup>23</sup> These partnership units consist of (i) exchangeable common units valued at approximately \$5.9 billion and (ii) convertible preferred units with a face amount of \$2.5 billion, which will pay a 6% coupon. The one share of Class B common stock held by Advance/Newhouse will be economically equivalent to Class A common stock but will initially possess a number of votes reflecting the voting power of the common units and the convertible preferred units held by Advance/Newhouse on an as-converted, as-exchanged basis.

<sup>24</sup> An "as-converted, as-exchanged basis" assumes that all of the partnership units held by Advance/Newhouse are converted into Class A common stock of New Charter.

<sup>25</sup> The shares will be issued at a price per share of (i) if the mergers are consummated prior to the BHN transactions, \$172.9963 divided by the Parent Merger Exchange Ratio, which is equal to approximately 3.66 million shares of New Charter Class A common stock, or (ii) if the mergers are not consummated prior to the completion of the BHN transactions, \$172.9963, which is equal to approximately 4.05 million shares of Charter Class A Common Stock.

<sup>26</sup> By virtue of its exchange of Time Warner Cable shares, *see* discussion *supra* note 22, Liberty Interactive Corporation will receive approximately 1.7% to 1.9% of New Charter stock. Liberty Interactive has entered into a proxy agreement with Liberty Broadband under which Liberty Broadband will vote Liberty Interactive's New Charter shares.

Upon completion of the Transaction, majority ownership—67% to 69%<sup>27</sup> on an as-converted, as-exchanged basis—of New Charter will be publicly held, and a majority of the 13-person board will not be nominated by either Advance/Newhouse (which will nominate two board members at closing) or Liberty Broadband (which will nominate three board members at closing). Tom Rutledge, New Charter’s President and CEO, will hold a board seat and will be offered the position of Chairman and CEO of New Charter. New Charter will be the third-largest MVPD behind AT&T-DirecTV and Comcast, assuming the AT&T-DirecTV merger is consummated. We will own and/or manage systems serving approximately 19.4 million broadband customers, 17.3 million video customers, and 9.4 million voice customers across 41 states.

Under Sections 214(a) and 310(d) of the Communications Act, the Commission will approve the transfer of control of authorizations and licenses if the Applicants show that it would not violate any statute or rule, and that it would serve the “public interest, convenience and necessity.”<sup>28</sup> To apply the “public interest” standard, the Commission balances a transfer’s

potential public interest benefits against its potential harms, and will accept a lesser showing of benefits when harms appear less likely or less substantial.<sup>29</sup> The transaction review process is intended to focus on transaction-specific harms and benefits, and is not a proper vehicle through which to address pre-existing disputes or broader, unresolved issues of communications policy.<sup>30</sup> Thus, as the Commission has held in the past, absent material market overlap or other transaction-specific concerns, a summary explanation of a transaction’s benefits will satisfy the Communications Act’s transaction-specific public interest standards.<sup>31</sup>

**IV. THE TRANSACTION WILL PRODUCE SUBSTANTIAL PUBLIC INTEREST BENEFITS**

Through this Transaction, the Applicants will deliver a range of substantial, recognized public interest benefits. We will do so by (i) extending Charter’s broadband-focused, highly pro-customer model to millions of new customers, while deploying the best that each Applicant has to offer in broadband, video, and voice technology; (ii) delivering superior services at competitive prices; and (iii) ensuring these services are at the cutting edge of innovation. These benefits will flow from the incentives and abilities that New Charter will possess because of the Transaction. To ensure these benefits are realized, we make the following commitments:

- Within 4 years of close, New Charter will invest at least \$2.5 billion in the build-out of networks into commercial areas within our footprint beyond where we currently operate. This will create additional, much-needed competition in the commercial sector.<sup>32</sup>
- Within 4 years of close, we will build out one million line extensions of our networks to homes in our franchise areas. These new facilities will either provide service to currently unserved areas or will increase competition with existing providers.<sup>33</sup>
- Within 4 years of close, New Charter will increase competition in the mobile data market by deploying over 300,000 out-of-home WiFi access points.<sup>34</sup>
- Recognizing the importance of an open Internet to the flourishing market for broadband services, New Charter will not block or throttle Internet traffic or engage in paid prioritization, as defined in the *Open Internet Order*.<sup>35</sup> These commitments will continue for three years, without regard to the outcome of the ongoing litigation challenging reclassification.<sup>36</sup>
- Recognizing the concerns that led to the FCC’s adoption of a “general conduct” complaint process in that Order, New Charter will not engage in the actions listed below that prompted those concerns.<sup>37</sup> Charter will not charge consumers additional fees to use specific third-party Internet applications, and Charter necessarily will not engage in zero-rating (discriminatory exemptions from a data cap), as Charter does not impose data caps and has

- New Charter will continue to create thousands of U.S.-based jobs by hiring for customer services call centers and field technician operations located throughout the country, and returning Time Warner Cable call center jobs to the U.S.<sup>45</sup>
- The merged company will embrace Time Warner Cable’s commitment to diversity and inclusion in governance, employment services, procurement, and community partnerships.<sup>46</sup>
- New Charter will build upon Bright House Networks’ broadband program for low-income consumers by making a broadband offering available with higher speeds and expanded eligibility while continuing to offer the service at a significant discount, and will begin making the offer available within six months after the transaction closes and offer it across the New Charter footprint within three years of closing.<sup>47</sup>

Charter will continue Charter’s pursuit of that strategy after the merger, and we will be better equipped to compete with telco and wireless broadband providers in the expanding high-speed broadband marketplace. Indeed, as explained below, New Charter intends to further develop a base tier of residential service that pushes forward the success of the online video services—one of the key drivers of broadband services development.<sup>49</sup> Thus, given that “the provisioning of greater resources” for enhancing network build-out is a recognized public interest benefit,<sup>50</sup> New Charter’s incentive, ability, and commitments to provide advanced broadband technology weigh heavily in favor of approving the transaction.

***a. New Charter Will Offer A Broadband Service Designed For Online Video Viewing, Gaming, And Other Data-Hungry Applications.***

This Transaction will supercharge New Charter’s ability to deliver exceptional Internet service. Charter’s investments over the past 3.5 years have enabled it, within its present footprint, to offer download speeds of 60 or 100 Mbps as the minimum speeds it sells in almost all service areas. Charter’s track record of investment in broadband speed increases includes the deployment of DOCSIS 3.0, which at least quadrupled the number of channels available for downstream transmission over its network. Under Charter’s leadership team, New Charter will soon bring base speed tiers from 15 Mbps to Charter’s current standard minimum of 60 or 100 Mbps at uniform pricing in Time Warner Cable and Bright House Networks’ territories.<sup>51</sup> In Time Warner Cable and Bright House Networks’ territories that are already all-digital, New

Charter will introduce this offering within a year of closing. We will take the remaining systems all-digital within 30 months, and as systems are taken all-digital, consumers in those markets will have access to the same speeds and pricing.<sup>52</sup>

The Transaction will facilitate these speed increases. According to Dr. Scott Morton, “[t]he post-merger firm will have an increased incentive to invest in its network to the benefit of subscribers . . . . A significant aspect of these investments in fiber, software, and hardware is the increased speed that will become available to the post-merger firm’s high speed data . . . subscribers.”<sup>53</sup> And these increases in speed will themselves create other benefits:

“Complements such as content itself, software interfaces, and mobile applications will all be faster, higher quality, and therefore in higher demand by subscribers as speeds increase,” Dr. Scott Morton explains.<sup>54</sup>

Consumers in Time Warner Cable and Bright House Networks’ footprints will be further served by the rollout of Charter’s customer-friendly practices. These practices are designed to attract consumers who are interested in subscribing to OVDs, and thus focus on accommodating high data consumption. They are notable for what they do not involve. Unlike the practices of many providers, there are no data caps or usage-based billing. There are no contracts with early termination fees. There are no modem lease fees. A residential consumer who subscribes to New Charter broadband service will be able to use *any* Internet application and visit *any* Internet service without having to worry about budgeting within an artificial framework. We believe that this promise to a larger base of U.S. consumers is a key aspect of our competitive strategy.<sup>55</sup>

Charter has proactively invested in its network, including at points of broadband interconnection, to maintain a robust experience for consumers. New Charter will continue to ensure that broadband customers receive high-quality service no matter how data-intensive their consumption choices are. In addition to making Internet data delivery more efficient, growth in New Charter’s interconnection capabilities will help facilitate the virtuous cycle that will drive broadband growth into the future.<sup>56</sup> Additionally, we commit to submitting any interconnection disputes unresolvable through good-faith negotiation to the FCC for resolution on a case-by-case basis for three years, even if the rules requiring this practice are overturned in court.

New Charter’s base broadband tier will provide a stellar platform for online video competition to flourish. A base level of 60 downstream Mbps provides uninterrupted, high-quality online video service for multiple, simultaneous viewers in a single household along with other uses of the Internet. By deploying fast, reliable broadband out across the merged footprint, we will seek to attract Internet customers from competitors—whether they are cord-cutters, dedicated cable-watchers, or consumers straddling the fence. New Charter’s ability to do so will be complemented by the continued expansion of Time Warner Cable’s highly advanced 300 Mbps service offering in certain areas—an initiative we will continue to deploy as these markets go all-digital.<sup>57</sup>

These advances will contribute to the virtuous cycle of competition that has been pushing broadband speeds up across the board. For instance, CenturyLink’s top speeds reach 100 Mbps

---

<sup>56</sup> See Winfrey Decl. ¶ 10. Incentives to encourage OVD growth act as a spur to increased demand for high-speed broadband. As Dr. Scott Morton explains, “New Charter will have an increased incentive and ability to promote OVDs and other edge providers in order to encourage usage that expands subscribership to its broadband network.” Dr. Scott Morton Decl. ¶ 37.

<sup>57</sup> See Winfrey Decl. ¶ 11. Among other things, the success of online video will drive demand for better, more reliable broadband service, and will enable New Charter to compete more effectively with broadband providers offering comparable speeds and slower speeds, alike. and even 1 Gbps in select locations competitive with Charter,<sup>58</sup> and AT&T has made a 75 Mbps service available in almost 90 cities across the U.S.<sup>59</sup> Similarly, Verizon offers a 500 Mbps service in parts of each of its FiOS markets.<sup>60</sup> These challenges will continue to put pressure on New Charter to perform, just as our speed increases will motivate our competitors too.

Finally, New Charter's broadband service will be enhanced by the transition of Time Warner Cable's and Bright House Networks' cable systems to an all-digital format within 30 months after close.<sup>61</sup> Currently, Charter is all-digital in almost all of its footprint, while Time Warner Cable expects to be all-digital in only 50% of its footprint by the end of 2015, and Bright House Networks is all-digital in only about **[BEGIN HIGHLY CONFIDENTIAL]** **[END HIGHLY CONFIDENTIAL]** of its footprint.<sup>62</sup> By investing in all-digital system architecture in the Time Warner Cable and Bright House Networks' service areas, we will free up spectrum that will be used to increase broadband speeds. ***b. The Merged Company Will Build On The Strengths Of The Applicants In Video.***

Building on the best aspects of three of the best cable video services in the country, New Charter will be rolling out innovative video services in the merged company’s footprint. We will introduce Charter’s new, IP-capable Worldbox CPE and cloud-based Spectrum Guide user interface system. Charter’s advanced Spectrum Guide uses cloud-based technology to deliver a customizable, interactive experience to video subscribers. The guide enables customers to find video content more easily across cable TV channels and on-demand options. Spectrum Guide will be deployed quickly across New Charter’s footprint, beginning with all-digital systems and continuing as systems are digitized. Because Spectrum Guide’s functionality is cloud-based, consumers will be able to benefit from its advanced features using their existing two-way set-top boxes without the wait, disruption, and expense of a new set-top box or a truck roll. Indeed, Charter has demonstrated how Spectrum Guide in an app form will soon be able to work with innovative retail devices such as Roku.<sup>64</sup> **[BEGIN HIGHLY CONFIDENTIAL]**

Charter's Worldbox CPE system represents an advance in set-top box development that will continue to enhance the customer experience with greater capabilities, such as additional simultaneous recordings and increased storage capacity for DVR users. In addition to being compatible with the Spectrum Guide user interface, Worldbox utilizes a downloadable conditional access system and digital rights management platform, which enables Charter to source set-top boxes that lack costly proprietary security systems. Because the Worldbox security system works differently than current set-top boxes, it will provide customers a greater degree of flexibility to take their set-top boxes with them when they move. Deployment of the Worldbox system throughout New Charter's territory will enhance the user experience and enable the more cost-efficient provision of service. Furthermore, our adoption of Charter's downloadable security solution supports the development of devices manufactured by third parties. As the Commission has explained, cable operators who adopt such systems help meet the Section 629 requirement of "assur[ing] the commercial availability" of navigation devices.<sup>65</sup> The expansion of Charter's system across the New Charter footprint will further that goal.<sup>66</sup>

New Charter will also deploy an advanced mobile video application that will combine the best features of the pre-Transaction companies' apps into one integrated app. The app will include the Spectrum Guide user interface, on demand and "download-to-go" functionality, and the nearly 300 live channels on Time Warner Cable's TV application (TWC TV), creating an

<sup>65</sup> "We believe Charter's adoption of the same system [as Cablevision's] will make it more likely that other operators considering moving to a downloadable security system will adopt the same established and tested technology, which will in turn make it more likely that third party manufacturers will develop retail devices given the expanded market. Therefore Charter's expansion of the market for devices operating this particular downloadable system should help 'assure the commercial availability' of navigation devices, as Section 629 requires." *Charter Communications, Inc. “enhanced” customer experience for current Charter, Time Warner Cable, and Bright House Networks customers in ways that could not be achieved but for the Transaction.<sup>67</sup>

*c. The Merged Company Will Increase Wireless Competition.*

New Charter will further increase competition in its service areas by making wireless a larger piece of its broadband strategy. To do so, we will build on the progress of Time Warner Cable and Bright House Networks in establishing widespread, consumer-friendly out-of-home WiFi networks. This will enable New Charter to better meet the competitive challenge of wireless broadband—a challenge the companies perceive to be among their most significant going forward.<sup>68</sup> It will also enable us to expand consumers’ possibilities when it comes to mobile data providers. By facilitating out-of-home WiFi usage on mobile devices, we will make it easier for consumers to choose lower data plans when shopping among mobile carriers. Our larger footprint will also enable New Charter subscribers to use their mobile devices via “WiFi first” across a significant part of the country. With the increased scale generated by the Transaction, we will also be able to invest more efficiently in the technology and infrastructure necessary to deliver a competitive WiFi service to our customers.

Though our WiFi programs are relatively new, they are growing quickly. Time Warner Cable has recently reached a milestone of 100,000 WiFi access points, and has existing plans to significantly expand that base by year end. Similarly, Bright House Networks’ network of over 45,000 WiFi access points throughout its service area represents the type of density at which outdoor WiFi may be able to play an increasingly large role in consumers’ broadband experience. These efforts of Time Warner Cable and Bright House Networks chart the path that we will follow across our entire footprint. To this end, we plan to deploy at least 300,000 new

out-of-home WiFi access points across our footprint within four years. This will expand the existing WiFi network to additional areas heavily trafficked by consumers. New Charter also will evaluate the merits of leveraging in-home routers as public WiFi access points and will have greater resources to devote to such a strategy.

**2. Lowered Per-Customer Fixed Costs Will Enable Effective Investment In New Technology And Infrastructure On A National Level, Thus Yielding Increased Competition And More Innovation.**

New Charter's increased scale will enable us more effectively to make significant fixed-cost investments by spreading those investments over a larger customer base. As the Commission has recognized, the "greater scale and scope of [a] merged entity" can advance the public interest by "spur[ring] investment."<sup>69</sup> This transaction will spur immediate and significant investments in broadband and two-way digital video, as discussed above, and it will be spurred in part by the basic economic tenet that a larger company is able to innovate more efficiently due to lower per-customer fixed costs.<sup>70</sup>

After the Transaction, New Charter will (of course) serve more subscribers, generate more revenue, and earn more adjusted EBITDA. As the chart below indicates, broadband subscribers will increase from 5.1 million to 19.4 million; video subscribers will increase from 4.3 million to 17.3 million; and voice subscribers will increase from 2.6 million to 9.4 million.

This scale will better enable us to invest further in and better attract a top-tier research and development team, to build facilities for state-of-the-art technological testing and experimentation, and to play an important role in developing proposed standards for standard-setting bodies. Each of these benefits of increased scale will enable us to serve customers with our own technological innovations, as opposed to relying on purchasing whatever the largest

<sup>71</sup> See Winfrey Decl. ¶ 17.

**REDACTED – FOR PUBLIC INSPECTION**

players in the industry choose to develop.<sup>72</sup> As Dr. Scott Morton explains, this increased scale will give us strong incentives to make investments that benefit our customers. “Because of the economic benefits of scale, New Charter will have an incentive to incur much larger fixed cost investments in order to create a new product or service than any of the stand-alone firms. The increased incentive to incur larger fixed cost investments will lead to the creation of new products and services that would not have been invested in by the stand-alone firms. These products and services will be valuable to subscribers and will make the combined firm’s products more attractive and competitive with substitute products.”<sup>73</sup>

This is especially the case for broadband Internet innovation. Both infrastructure and software are entering a time of rapid change, and to stay competitive, the parties to this Transaction need to be able to innovate quickly and effectively. The Transaction will make the economics of innovation more favorable to New Charter than it is currently for the three merging entities, and the benefits of swifter innovation will redound to consumers. As a result, we will be better able to follow up on and enhance Charter’s success with innovations such as the Worldbox CPE, and Time Warner Cable’s success with advances like the high-speed Maxx broadband program. The merged company will build on this track record and make significant additional investments, as discussed below.<sup>74</sup>

<sup>72</sup> See Winfrey Decl. ¶ 18.

<sup>73</sup> Dr. Scott Morton Decl. ¶ 10.

<sup>74</sup> See Winfrey Decl. ¶ 19.

**3. Increased Scale Will Promote Investment By Reducing Costs.**

The Transaction also brings synergies that will substantially reduce the Applicants' costs. Such "merger-specific cost saving efficiencies"<sup>75</sup> will be driven by increased scale in this transaction, and are a transaction-specific benefit of this Transaction.<sup>76</sup>

The Transaction will generate cost savings in a number of areas. Combined purchasing, overhead, product development, engineering, and IT will generate OpEx and CapEx synergies. Cost synergies are also inherent in simple, uniform operating practices and pricing and packaging. These will be designed to improve service, promote growth, and create operating leverage. Tax efficiencies resulting from the combination will further generate free cash that can be used for network improvement.<sup>77</sup>

The combined entity will be also able to more efficiently invest in the development, procurement, and deployment of CPE. Costs for CPE, including set-top boxes and cable modems and their cost of installation, represented nearly half of Charter's capital expenditures in 2014.<sup>78</sup> New Charter's increased scale will reduce the development and procurement costs of new set-top boxes and other CPE, allowing us to deploy the Worldbox CPE more efficiently.<sup>79</sup>

Based on the record before us, we find that the transaction is likely to result in benefits to consumers . . . . We find that, based on the record before us, it is likely that Frontier will achieve some cost savings that will enable it to increase its infrastructure investment, including infrastructure supporting broadband services.").

<sup>77</sup> See Winfrey Decl. ¶ 20.

<sup>78</sup> Charter Communications, Inc., Annual Report (Form 10-K), at 56 (2014).

<sup>79</sup> See Winfrey Decl. ¶ 21. Likewise, Bright House Networks can develop and procure CPE in conjunction with New Charter significantly more cost-effectively than by itself.

**4. The Transaction Will Reduce Barriers To Innovation And Promote Innovation.**

Our increased scale will make us a better partner for innovative services, and, accordingly, will spur their development. At present, it may not be economical for an innovator to develop separate services for Charter, Bright House Networks, and Time Warner Cable; each of these companies may offer incompatible platforms and developing services for all three would require considerable duplication of effort. By contrast, by partnering with the larger New Charter, innovators will be able to develop a single service for all of New Charter's customers and spread their fixed cost of innovation across a larger base.<sup>80</sup> As the Commission has explained, “[t]he development and deployment of new technologies often entails a significant up-front, fixed investment,” and a merged company may “have a greater ability to spread those fixed costs across a larger customer base, which should in turn foster incentives for investment by the merged entity, *as well as other businesses that seek to sell equipment, technology, and services to the merged entity.*”<sup>81</sup>

Moreover, entering into a partnership may involve considerable negotiations involving high transaction costs on both sides of the negotiations. For innovative services, negotiating a single partnership with the post-merger firm would be more efficient than negotiating three separate partnerships. As Dr. Scott Morton notes, “[t]he post-merger firm's larger scale will make it a better partner for innovators. In the same way that the post-merger firm's larger scale increases its incentives to invest in new products and services, it also increases the incentive and ability of the firm to partner with innovators in vertically related markets. For example, by giving an innovator access to its larger base of subscribers, the post-merger firm is more likely to

---

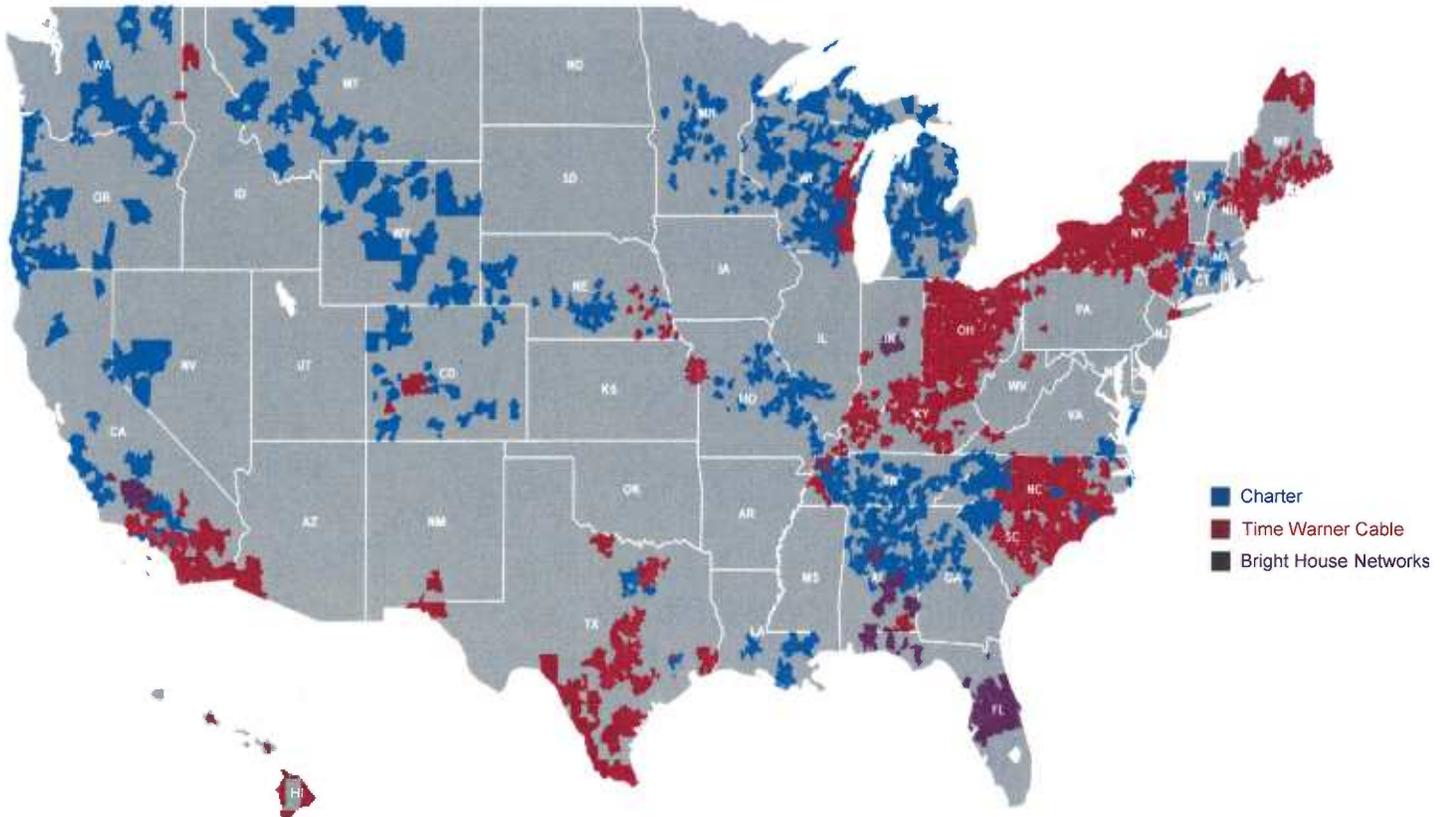

<sup>80</sup> See Winfrey Decl. ¶ 22.

<sup>81</sup> *Comcast-AT&T Broadband Order*, 17 FCC Rcd at 23,317 ¶ 184 (emphasis added).

give the innovator an incentive to invest. With access to a larger base of subscribers, the innovator is more likely to gain the scale needed to make a fixed cost investment profitable.”<sup>82</sup> Therefore, innovators can develop one product and negotiate one deal instead of developing three products and negotiating three deals, leading to innovation, which would lead to more choice, higher quality, and lower prices for subscribers.

**B. The Increase In New Charter’s Geographic Reach And Density Will Bring Multiple Public Interest Benefits**

As the map below shows, the Transaction will extend the merged company’s reach throughout the United States:

Moreover, the Transaction will enable us to serve more communities within particular regions. For example, Charter’s Dallas-Fort Worth assets and Bright House Networks’ Detroit assets are

<sup>82</sup> Dr. Scott Morton Decl. ¶ 28.

**REDACTED – FOR PUBLIC INSPECTION**

relatively isolated from the rest of their companies' service areas. The Transaction will enable those assets to be merged with significant assets from the other two firms, thereby knitting territories together to drive efficiency, particularly in New York, Los Angeles, Dallas-Fort Worth, Boston (Manchester), Houston, Detroit, Denver, Charlotte, and Raleigh-Durham (Fayetteville). For instance, the effects of the merger can be seen clearly in the Dallas-Fort Worth DMA:

**[BEGIN HIGHLY CONFIDENTIAL]**

**[END HIGHLY CONFIDENTIAL]**

These increases in geographic reach and density will result in multiple public interest benefits—and they will do so without resulting in any undue concentration in top DMAs.

Indeed, the Commission repeatedly has recognized the many public interest benefits derived from clustering cable systems, among which are the “increase[d] economies of scale and size” that create an opportunity to “offer an increased variety of broadband services at reduced prices to customers in geographic areas that are larger than single cable franchise areas.”<sup>83</sup>

**1. New Charter Will Be Better Able To Compete For And Serve Enterprise Customers.**

The Commission has recognized that a “broader service footprint” that increases a firm’s “ability to compete, particularly for enterprise customers that have operations extending” into the new territory is a public interest benefit.<sup>84</sup> Here, the combination of New Charter’s greater geographic reach and more rationalized footprint following the transaction will position New Charter to better compete for enterprise customers, and thus improve competition in that sector.<sup>85</sup>

The market for enterprise services is currently led by national players such as Level 3, AT&T, Verizon, and CenturyLink. These companies are thriving because a provider typically must have a broad regional footprint without significant gaps in coverage areas to serve large enterprises with multiple sites across given geographic regions effectively. Customers typically prefer a single network, with a single set of technical standards and a single point of contact for customer support—benefits that Charter, Time Warner Cable, and Bright House Networks operating as independent companies cannot provide to many businesses. Similarly, to serve

nationwide enterprise customers that operate in multiple geographic regions, business service providers must offer a broad national footprint.

Although Charter, Time Warner Cable, and Bright House Networks could theoretically partner to serve customers spanning multiple footprints, such partnering efforts bring high transaction costs, as multiple networks and personnel must be coordinated. Indeed, although Time Warner Cable has pursued such multiple-provider arrangements with Comcast in the past, it has found the arrangements to be very challenging. Even where coordination of varying network architecture, services, and personnel could be achieved, Time Warner Cable's efforts were further constrained by "double marginalization," where the retail price charged to the business customer includes the profit margin of the wholesale supplier as well as that of the retail service provider. In many cases, double marginalization makes the retail price of multiple-provider service unattractive to prospective customers. In some cases, the lower profit margins resulting from double marginalization have prevented Time Warner Cable from pursuing the prospective business relationship.<sup>86</sup>

Because the Transaction will increase the size and density of those areas, the business case for advanced services like Maxx will be easier to make. In turn, enterprise customers in New Charter's territories will benefit from access to those advanced services.<sup>87</sup> According to Dr. Scott Morton, a "benefit of increased geographic scope is that the post-merger firm will be better able to serve multi-location businesses."<sup>88</sup> She explains that "[b]usinesses with locations that currently span all of the Charter, TWC and BHN footprint will be better served by the post-merger firm, because all of the business's locations will be served by a single provider rather

---

<sup>86</sup> See Applications and Public Interest Statement, *Applications of Comcast Corp. and Time Warner Cable Inc. For Consent To Transfer Control of Licenses and Authorizations*, MB Docket No. 14-57, at 90-92 (Apr. 8, 2014).

<sup>87</sup> See Winfrey Decl. ¶ 26.

<sup>88</sup> Dr. Scott Morton Decl. ¶ 20.

**REDACTED – FOR PUBLIC INSPECTION**

than three separate providers.”<sup>89</sup> “Thus,” she concludes, “these multi-location businesses will gain a ‘one-stop-shopping’ benefit that will reduce their costs.”<sup>90</sup>

In sum, a merger of companies located across multiple geographic areas improves their ability to serve enterprise customers, resulting in greater competition in that market. As the Commission recently recognized in the Time Warner Cable-Insight transaction, such competition is a concrete public interest benefit: “Consistent with our precedent, we agree that the broader service footprint of the combined company will increase its ability to compete, particularly for enterprise customers that have operations extending beyond Insight’s current service area . . . . Expanding the acquiring operator’s footprint . . . can result in increased facilities-based options for customers in geographic areas that are larger than a cable franchise area. These increased options, the Commission has stated, can make cable operators more effective competitors to LECs, whose local service areas are usually much larger than a franchise area.”<sup>91</sup>

This reasoning applies equally here. The Transaction will allow us to increase competition for enterprise customers across a broad footprint, and within our denser DMAs. It will also facilitate increased investment in enterprise capabilities, including the investment of \$2.5 billion within four years to bring more locations on network and to develop and deploy the advanced platforms needed to manage vast amounts of data.

Those investments will build on a strong foundation among the Applicants, as each firm brings specific expertise to the enterprise market. Charter currently provides a range of enterprise services, including wholesale data delivery over the last mile, medium and large business Metro Ethernet service, and advanced voice system service employing Primary Rate

Interface and Session Initiation Protocol Trunks. Similarly, Time Warner Cable delivers high-capacity transmission services and cell tower backhaul, along with hosting and cloud services provided through its NaviSite offerings. Bright House Networks, for its part, is also a provider of enterprise solutions in its service areas. For instance, it has obtained the Cisco Master Service Provider Certification in recognition of its capabilities in implementing the Cisco Cloud and Managed Service Program. By combining the infrastructure and skills of each of the three companies with additional investment, New Charter will be able to deliver more advanced enterprise services across a wider territory. This will make the enterprise services market more competitive, both for small and regional businesses, and for national businesses, whose footprints have heretofore exceeded any of the individual merging companies' reach.<sup>92</sup>

**2. Increased Scale And A Denser Footprint Will Enable New Charter To Better Serve Regional And National Advertisers.**

The Transaction will also enhance New Charter's ability to serve advertisers. The Applicants each currently provide local, regional, and national businesses with the opportunity to advertise on their cable systems in individual markets. Because those advertisers seek to target their audiences efficiently, partnering with a company with a broader, denser footprint renders their ad campaigns more comprehensive, and thus more valuable.

The Transaction will allow New Charter to better compete for advertisers across a significantly greater portion of their footprint. Our post-transaction scale and more geographically aligned footprint will create increased opportunities for advertising customers to address broader regional audiences on multiple screens, including mobile devices, and across multiple platforms, including VOD and online. Moreover, greater scale and a larger, more rationalized footprint likewise will enable advertisers to reach more customers and improve the

---

<sup>92</sup> See Winfrey Decl. ¶ 28.

business case for investment in developing more advanced advertising services, such as addressable advertising and dynamic ad insertion for VOD, providing advertisers with more cost-effective methods of reaching targeted audiences. As Dr. Scott Morton explains, “Post-merger, advertisers that want to reach subscribers spanning a combination of Charter, TWC, or BHN networks will be able to reach those subscribers by buying ads from a single MSO rather than two or three cable MSOs.”<sup>93</sup>

**3. Increased Scale And A Denser Footprint Will Enable New Charter To Better Market Itself.**

In addition to becoming better able to serve other advertisers, we will also be better positioned to market our own services to potential customers.<sup>94</sup> While Charter is currently able to buy mass media to advertise to approximately 50% of its passings, we will be able to market to 90% upon the completion of the Transaction.<sup>95</sup> This will enable us to more effectively market ourselves against far larger national and regional competitors to potential customers who seek higher speeds, standardized and customer-friendly pricing and policies.<sup>96</sup> By expanding our ability to take our message to more potential customers more effectively and efficiently, we will be a more effective competitor in a larger percentage of our territory.

Dr. Scott Morton supports the view that the Transaction will increase the *incentive* and ability of New Charter to use mass-market advertising: “New Charter will have an increased incentive to invest in attracting and maintaining its subscribers using mass market advertising. Because mass market advertising like television ads are purchased for an entire DMA, the value

of the mass market advertising to New Charter increases as New Charter’s geographic coverage within a DMA increases. New Charter will be more likely to spend resources using mass marketing to attract and maintain its subscribers because each advertisement will reach a larger number of subscribers or potential subscribers.”<sup>97</sup> And this increased advertising “intensif[ies] competition with rivals and benefits consumers.”<sup>98</sup>

**C. New Charter’s Commitment To Good Corporate Citizenship Will Benefit The Public**

The merged company will also preserve and expand programs across all three companies that establish their strong corporate citizenship. First, and critically, the merged entity will recognize the vital importance of promoting diversity and inclusion strongly rooted in the communities it serves. Time Warner Cable has recognized best practices with respect to diversity and inclusion for employees, suppliers, and corporate governance, and New Charter will incorporate and build upon these. Following is an overview of those best practices.

- *A critical focus on attracting, retaining and promoting a skilled workforce that reflects its diverse customer base.* Key to Time Warner Cable’s efforts have been (a) its partnerships with educational institutions and nonprofits including Women in Cable Telecommunications (WICT), the National Association for Multi-Ethnicity in Communications (NAMIC), the Betsy Magness Leadership Institute, and more recently with the veterans and disability communities, to recruit and retain a diverse workforce; (b) its Employee Network Program, with forty chapters across the company footprint that convene around shared identities and interests; and (c) its cross-cultural mentoring program, which provides employees

<sup>97</sup> Dr. Scott Morton Decl. ¶ 17.

<sup>98</sup> Dr. Scott Morton Decl. ¶ 19.

significant opportunities to build skills, knowledge and achieve professional goals. These practices have helped Time Warner Cable earn consistent recognition as a top place to work for minorities and women by organizations such as Diversity Inc., the Human Rights Campaign, and NAMIC, among others.

- *Commitment to increasing engagement with minority, women, veteran and disabled-owned businesses that can supply it with the high quality materials and programming its customers demand.* Time Warner Cable’s supplier diversity engagement includes engagement in supplier diversity events, outreach to minority business organizations, and free webinars to increase participation by diverse providers in the Time Warner Cable supply chain.
- *Include leadership to ensure accountability to meeting diversity and inclusion goals.* Time Warner Cable’s Executive Inclusion Council (“EIC”) regularly convenes senior management to report to the CEO on progress towards achieving diversity and inclusion priorities across the business.<sup>99</sup>

We also will significantly expand Bright House Networks’ broadband program for low-income customers by making a broadband offering available with higher speeds and expanded eligibility while continuing to offer the service at a significant discount, and will make the offer available across the New Charter footprint.

In addition, we are committed to increasing our customer care capacity, and will do so through investment and in-sourced jobs in the United States. New Charter will bring thousands of overseas Time Warner Cable jobs back to the United States, adding thousands of jobs to the American economy. We will bring many if not most of these jobs in-house, where we will

---

<sup>99</sup> See Winfrey Decl. ¶ 33.

provide significant training, benefits, and opportunities for advancement, adding to the skill level and economic fabric of local communities, while developing our own high-skilled, well-paid workforce devoted to delivering improved customer service across the country.<sup>100</sup>

**V. THE TRANSACTION CREATES NO RISK OF PUBLIC INTEREST HARMS**

In contrast to these many benefits, the Transaction will cause no public interest harms because it will not reduce competition in any relevant market or provide New Charter the incentive or ability to harm competition or consumers.

**A. The Transaction Will Cause No Horizontal Harms**

**1. No Harm To Consumer Prices, Quality Or Options.**

Because Charter, Time Warner Cable, and Bright House Networks serve distinct geographic areas,<sup>101</sup> a combination of the companies does not reduce competition. Indeed, significantly less than 1% of the census blocks that make up the merged company’s footprint contain broadband customers of more than one of the merging companies.<sup>102</sup> “Because there is [no] ‘*de minimis*’ geographic overlap between the merging firms,” Dr. Scott Morton confirms, “there can be no change in the post-merger firm’s incentives to unilaterally increase prices to subscribers.”<sup>103</sup> “Therefore,” she concludes, “these mergers will not create a loss of competition [in] MVPD, broadband or voice services.”<sup>104</sup>

---

<sup>100</sup> See Winfrey Decl. ¶ 34-35.

<sup>101</sup> *Adelphia Order*, 21 FCC Rcd at 8235-36 ¶ 64 (reasoning that consumers select an MVPD provider based on the MVPD choices available at their residences; consumers “are unlikely to change residences to avoid a small but significant increase in the price of MVPD service”); *Comcast-AT&T Broadband Order*, 17 FCC Rcd at 23,295-96 ¶ 128 (a “consumer’s choice of broadband Internet access provider is limited to those companies that offer high-speed Internet access services in his or her area”); *Insight-Time Warner Cable Order*, 27 FCC Rcd at 504-05 ¶ 17 (holding that an overlap of 2,600 households did not present a significant reduction in competition).

<sup>102</sup> Two or more of the Applicants have a residential broadband customer in the same census block in only 617 of the 1,350,503 census blocks where the three companies have residential broadband customers.

<sup>103</sup> Dr. Scott Morton Decl. ¶ 5.

<sup>104</sup> *Id.*

Moreover, even that tiny percentage overstates the extent of any actual overlap, because franchise areas do not track census block boundaries and cable companies frequently serve different portions of a census block. The trivial potential overlap in this instance is even smaller than the overlaps the Commission has deemed unproblematic in the past.<sup>105</sup> We will face competition for video subscribers from DirectTV and DISH Network throughout our entire footprint, and New Charter will also continue to face significant video competition from overbuilders as well.

**2. No Harm To Advertisers.**

The same conclusion holds true for the advertising market. Because the Applicants serve different retail customers today, they do not compete for advertisers, and the Transaction accordingly will not adversely affect the choices available to advertisers in DMAs that the companies serve.<sup>106</sup> To the contrary, in the DMAs where the Transaction enables the Applicants to consolidate their footprints, it enhances New Charter's ability to serve advertisers and thus better compete with stronger marketplace competitors.<sup>107</sup>

**B. The Transaction Will Not Harm OVDs Or Traditional Video Distribution**

The video distribution marketplace is competitive and dynamic for both MVPDs and OVDs, and New Charter will have neither the incentive nor the ability to interfere with it.

---

<sup>105</sup> See, e.g., *Insight-Time Warner Cable Order*, 27 FCC Rcd at 506-07 ¶ 20 (finding “de minimis” and “unlikely to have an adverse effect warranting divestiture or other conditions” overlapping service areas encompassing 2,600 of 643,000 MVPD customers of acquired entity, representing slightly more than 0.4% of acquired entity's subscriber base).

<sup>106</sup> Cf. *Comcast-NBCU Order*, 26 FCC Rcd at 4302-03 ¶¶ 152, 153.

<sup>107</sup> See Dr. Scott Morton Decl. ¶ 20.

**1. New Charter Will Lack The Incentive And Ability To Harm OVDs.**

**a. New Charter Will Have No Ability To Harm OVDs.**

New Charter will lack the ability to adversely impact OVDs’ abilities to compete (as well as the incentive to do so, as discussed below). As an initial matter, the online video marketplace is not defined by any particular speed of broadband service—different speeds are substitutes for consumers depending on their use and value preferences, and any attempt to establish a “national market” at a given speed is contrary to basic economics and Commission precedent.<sup>108</sup> Indeed, speeds of 25/3+ Mbps are currently not needed to use OVD services, but they do support variation within the OVD marketplace. Currently, Netflix recommends connection speeds of 1.5 Mbps or 5 Mbps for HD quality viewing.<sup>109</sup> Hulu suggests 1.5 Mbps or 3 Mbps for HD quality viewing.<sup>110</sup> And Amazon recommends speeds of 3.5 Mbps to watch Amazon Instant Video in HD.<sup>111</sup> Higher speeds are required for “Ultra HD” streaming through Netflix and Amazon Prime, which allow subscribers to tailor their OVD choices to their preferences and budgets.<sup>112</sup>

Moreover, competition for end-users—which determines whether those users can switch in the face of anti-competitive practices—takes place at a local level. When focusing appropriately on competition in particular local geographic markets, substantial competition

---

<sup>108</sup> Moreover, increased broadband speeds are used to attract consumers precisely because they facilitates OVD usage—that is the primary application for such speeds. It thus makes no sense to disadvantage broadband providers that are investing in increased speeds to better compete and serve their customers by deeming them part of some distinct and wholly artificial product market.

clearly exists, as noted above. Even when looking at national broadband provision as a whole, New Charter will still be the number two broadband provider behind Comcast, and AT&T and Verizon will also be major providers, as the chart below indicates. Thus, competition further ensures that there is—and will be—no ability to foreclose.

- 1) All company data based on respective company reporting methodologies, including commercial customers.

There also is no reason for concern about national aggregation of broadband because New Charter (just as Applicants today) will have no gatekeeping role with respect to the online content we make available to consumers. Content owners and other edge providers have the ability to reach all broadband subscribers directly over the Internet, in contrast to the need for pay-TV programmers to secure carriage deals with MVPDs to reach their video subscribers. Any concerns about a video distributor’s purchasing power over video programming, therefore, are inapplicable to a broadband provider’s role in distributing content. Disadvantaging edge provider traffic is also expressly prohibited under the Commission’s Open Internet rules,<sup>113</sup> and

---

<sup>113</sup> See 47 C.F.R. § 8.5 *et seq.*

**REDACTED – FOR PUBLIC INSPECTION**

we have made clear New Charter’s willingness to abide by those rules irrespective of the outcome of pending appeals. The factors that theoretically provide an MVPD market power in the programming purchasing market at some high level of subscribers, therefore, simply are not applicable.

In any event, even using the restrictive 25/3+ Mbps standard the Commission has adopted to define advanced telecommunications capability under Section 706,<sup>114</sup> New Charter would serve fewer than 30% of national broadband customers and a smaller number than Comcast serves today.<sup>115</sup> Therefore, even assuming (counterfactually) that Internet Service Providers (“ISPs”) may have an incentive to impede OVDs, such a percentage falls far short of the level of aggregation that would be required to preclude the profitable operation of an OVD, as opponents to the Comcast-Time Warner Cable transaction themselves made clear. Their own economists acknowledged that, absent a combination with Time Warner Cable, Comcast’s control of over 50% of 25/3+ customers did not enable Comcast to engage in a foreclosure strategy.<sup>116</sup> New Charter consequently could not conceivably foreclose with fewer than 30% of such customers.<sup>117</sup>

In any event, any effort to foreclose OVDs would be directly contrary to our clear economic interest in expanding subscribership to our broadband network. Such efforts would

only harm New Charter’s broadband business, damaging New Charter’s reputation and resulting in the loss of subscribers.<sup>118</sup> As Dr. Scott Morton explains, New Charter will have every incentive to maximize the number of consumers with access to hyper-fast broadband, thus expanding the population for new data-intensive services, especially streaming video.<sup>119</sup> This will continue a virtuous cycle that is already present. As innovators see a larger base population with access to faster broadband, they will be more likely to develop data intensive applications. Other ISPs will continue to be driven by consumer demand to increase their base speeds as well.

Nor will our position in the top DMAs allow us to foreclose OVDs if that were our goal. New Charter will be the largest MVPD in only 4 of the top 20 DMAs—the same ones in which Time Warner Cable and Bright House Networks already have the largest presence.<sup>120</sup> Thus, if an OVD or other broadband distributor is seeking to launch a product or negotiate an advertising arrangement, Charter would not have the ability to foreclose it from doing so. And, as a practical matter, we could not withhold programming content from OVDs to increase the attractiveness of our own video services.<sup>121</sup> We will not have national programming and thus will lack the ability to harm OVDs by withholding or increasing costs for our programming. Thus, New Charter will have only limited impact on top DMAs—and less impact than other current players.

Finally, New Charter’s customer practices provide further protection against any mistreatment of OVDs or other edge providers. New Charter’s consumers will have none of the

<sup>120</sup> Based on analysis of SNL Kagan data. The DMAs are Los Angeles, Tampa-St. Petersburg, Orlando-Daytona-Melbourne, and Cleveland-Akron/Canton. New Charter will remain the leader in these DMAs even if AT&T-DirecTV successfully merge.

early termination fees or long-term lock-in provisions seen elsewhere in the industry,<sup>122</sup> making it easy for customers unhappy with the treatment of edge content to switch providers.<sup>123</sup> New Charter’s commitment to abide by the *Open Internet Order*’s prohibitions on blocking, throttling, and paid prioritization<sup>124</sup> further ensures that we will have no ability to harm OVDs in the future. And none of the Applicants has any history of engaging in anticompetitive actions with respect to edge providers. To the contrary, opponents to the Comcast-Time Warner Cable merger have praised Time Warner Cable’s leadership in collaborating with programmers and third-party device developers on app development, TV Everywhere authentication, and related initiatives.<sup>125</sup> Upon the completion of the Transaction, New Charter will follow that path.

***b. New Charter’s Incentive Will Be To Promote OVDs.***

New Charter also has no *incentive* to harm OVDs. Dr. Scott Morton confirms that “New Charter will not have [the] incentive to foreclose OVDs and other vertically related providers.”<sup>126</sup> The concerns raised by opponents of the Comcast/Time Warner Cable transaction have no relevance here. “Unlike Comcast,” she explains, “New Charter will not own substantial interests in nationwide broadcast and cable programming, while its technology is relatively inexpensive for both OVDs and consumers. Because it will not have substantial interests in these vertically related industries, New Charter will not have an incentive to foreclose firms in

those industries from access to its subscribers. For example, because New Charter will not have an interest in the production of nationwide video programming, it will not have an incentive to prevent rival networks or OVDs from being distributed to its subscribers in order to favor its own video programming.”<sup>127</sup>

To the contrary, we will have an increased incentive to promote OVDs and other edge providers in order to encourage usage that expands subscribership to our broadband network. Our gross margin percentages on broadband will exceed those on our video business.<sup>128</sup> And OVDs are the primary driver of broadband usage.<sup>129</sup> As Dr. Scott Morton explains, our future success depends far more on our broadband business than our video business, and thus we will not have any incentive to take any action that harms the attractiveness of broadband to our consumers.<sup>130</sup> Even as robust competition and consumer demand have driven each Applicant to invest many billions of dollars to expand and upgrade their broadband networks, the profitability of each Applicant’s video business has declined significantly in recent years—a trend that is expected to continue, in light of video programming costs that have increased at a rate that far exceeds the growth in MVPDs’ revenues.<sup>131</sup> Thus, as the profitability of our own video offering continues to face pressure, we will have even greater incentives to further expand and improve our broadband product. Efforts to foreclose OVDs would only harm these efforts and would make no business sense.

In comparison, combined video revenues for the group grew 3.3% to \$87.08 in 2014. In the last two years, the metric grew 7.6%. As a result, video margins have compressed over the last several years and are expected to continue declining.”).

Nor will New Charter's limited programming interests provide any incentive to harm OVDs. Charter and Bright House Networks own no programming interests outside of local news, sports and public affairs channels.<sup>132</sup> Time Warner Cable operates 50 local news, sports, and lifestyle channels, 13 of which include enough Division I college sports events to be covered by the "RSN" definition and two of which carry some Spanish-language broadcasts of Major League Baseball games, as well as two RSNs that carry the Los Angeles Lakers and other sports programming.<sup>133</sup> And while Time Warner Cable possesses minority interests in the iN Demand programming network, MLB Network, and SportsNet New York, New Charter will lack controlling interests in those networks.<sup>134</sup> Accordingly, we will have no content that we could seek to protect from competition from OVDs.

Indeed, New Charter's lack of incentive to impede the video distribution marketplace and harm OVDs is evidenced by Charter's actions.<sup>135</sup> Unlike some other providers, Charter does not impose data caps or usage-based billing on its broadband customers.<sup>136</sup> Thus, Charter's competitive strategy depends on its ability to support online video delivery. Charter also has a track record of investing its own resources in interconnection infrastructure in order to reliably

<sup>132</sup> Bright House Networks owns and operates Bay News 9 (Florida), Central Florida News 13 (Florida), and InfoMás (Florida, Spanish language). In addition, Bright House Networks owns and operates Bright House Networks Sports Network (Florida), which features local high school sports (*i.e.*, no college or professional sports), and a minority attributable interest in the iN Demand programming service.

<sup>133</sup> Time Warner Cable's RSNs carrying professional sports are Time Warner Cable Channel 858 (California-Nevada, Spanish language), Time Warner Cable Deportes (California-Nevada, Spanish language), Time Warner Cable SportsNet (California-Nevada), and Canal de Tejas (Texas, Spanish language).

<sup>134</sup> Time Warner Cable also owns attributable interests in Nippon Golden Network Inc. (Hawaii) and NGN Hotel Channels (Hawaii), and provides affiliate sales, ad sales, and certain production and technical services to SportsNet LA.

deliver data-hungry content.<sup>137</sup> In addition, as Dr. Scott Morton notes, “[a] credible signal of the post-merger firm’s strategy to enhance entry of OVDs is therefore its investment in broadband speed.”<sup>138</sup> She adds that “[t]he primary rationale for such speed increases is to *facilitate* use of streaming video services.”<sup>139</sup>

Charter’s record and that of the other Applicants prove that they have embraced a business model premised on promoting rather than discouraging the development of online content and distribution models. For example, Charter’s CEO—who will also lead New Charter—recently stated:

I don’t think that most cable operators, particularly us, [a] non-vertically integrated operator, have any ambition to thwart any over-the-top business. But in fact, there’s a lot of value in over-the-top business plans in terms of the way we look at the business. We have this broadband business which—our minimum speed that we go to market with is 60 megabits. Some markets, it’s 100 megabits, and it may be 100 megabits everywhere in the relatively near future. That speed is highly capable for any household on multiple devices to have a very high-quality video service, no matter where that video originates. So the fundamental products that we sell, even at the lowest level we sell them, are beneficial to over-the-top providers.<sup>140</sup>

Moreover, competitive pressures also will drive us to integrate and expand OVD services into our offerings. DISH recently announced a deal to enable access to Netflix directly from its set-top boxes.<sup>141</sup> Such integration of OVD services creates a competitive advantage and will provide even more incentive for us to provide our customers with access to OVD services.

**2. New Charter Will Have Neither The Incentive Nor Ability To Harm Competition With Other MVPDs.**

New Charter will also have no incentive or ability to harm competition with other MVPDs.<sup>142</sup> As discussed above, New Charter will not be a significant owner of content, and the programming controlled by the merging entities is limited to various local and regional networks.<sup>143</sup> Because we will own so little programming, and so much of that will be local and regional, the concerns the Commission has previously expressed regarding vertical integration of video programming and MVPD distribution are not relevant here. Nor will Liberty Broadband, Advance/Newhouse, or their affiliates' programming interests influence New Charter's programming decisions.

**a. Time Warner Cable's RSNs Do Not Pose Competitive Problems.**

Time Warner Cable's limited number of RSNs does not pose any competitive problems. Time Warner Cable has made clear that it seeks the broadest possible distribution of those networks—the significant cost of acquiring the distribution rights compel that strategy as an economic matter. Indeed, in its efforts to secure distribution deals for SportsNet LA, Time Warner Cable has publicly offered to submit to binding arbitration with DirecTV or other distributors.<sup>144</sup> Moreover, the Commission's program access rules require programmers affiliated with cable operators to provide competing MVPDs with access to affiliated programming on a nondiscriminatory basis. Any MVPD that believes it has been improperly

---

<sup>142</sup> In past transactions, the Commission has expressed concern that a vertically integrated MVPD might seek to harm rival MVPDs by foreclosing access to its valuable programming. *See, e.g., Comcast-NBCU Order*, 26 FCC Rcd at 4250-51 ¶ 29.

denied access, or has been granted access only on improperly unfavorable terms, can seek relief from the Commission.<sup>145</sup>

***b. Liberty Broadband And Advance/Newhouse Affiliated Programming Interests Will Not Influence New Charter's Programming Decisions.***

Finally, the minority interests held by Liberty Broadband and Advance/Newhouse in New Charter will not impact Charter's programming decisions. New Charter will have no economic interest in Liberty Broadband, Advance/Newhouse, or any of those two entities' affiliates. New Charter therefore will have no financial interest in the success of programming affiliated with those entities. And neither Liberty Broadband nor Advance/Newhouse will have the ability to cause New Charter to take actions that conflict with New Charter's best interests.<sup>146</sup> When taking into account its proxy from Advance/Newhouse, Liberty Broadband will have the right to vote up to 25.01% of the stock of New Charter and will have an approximately 18% to 19% economic interest in New Charter. That represents a *decrease* from Liberty's current 25.7% voting and equity interest in Charter. Advance/Newhouse will own approximately 13% of New Charter, which will be subject to the voting proxy of up to 7% provided to Liberty Broadband.<sup>147</sup> At these levels, Liberty Broadband will have the right to nominate up to three directors and Advance/Newhouse will have the right to nominate up to two directors of New Charter's 13-member Board of Directors. Accordingly, a majority of shareholders and of the Board of Directors will be independent of Liberty Broadband and Advance/Newhouse.

---

<sup>145</sup> 47 C.F.R. § 76.1001(b)(1)(ii), (b)(2).

<sup>146</sup> Additionally, particularly given the limited nature and quantity of programming affiliated with Liberty Broadband and Advance/Newhouse, neither has any incentive to take actions that conflict with New Charter's best interests.

<sup>147</sup> Because of Liberty Broadband's proxy, Advance/Newhouse is expected to hold a voting interest in Charter of less than 10%.

## REDACTED – FOR PUBLIC INSPECTION

Moreover, there are a number of specific precautions in place to further ensure that Liberty Broadband and Advance/Newhouse cannot improperly influence New Charter. First, Liberty Broadband's equity interests in New Charter cannot exceed a cap of 26% initially, and then a cap of 35% in certain circumstances where Advance/Newhouse has permanently reduced its New Charter ownership percentage. Second, programming-related transactions involving either Advance/Newhouse or Liberty Broadband, or any of their respective affiliates, require the approval of a majority of "unaffiliated directors" (*i.e.*, approval of at least four of the seven directors that are not Tom Rutledge and are unaffiliated with Liberty Broadband or Advance/Newhouse). Third, a majority of the directors on the Nominating, Corporate Governance, and Compensation and Benefits Committees will be unaffiliated directors. Fourth, any transactions likely to exceed \$100,000 in any calendar year in which either Liberty Broadband or Advance/Newhouse has a direct or indirect interest must be approved by the Audit Committee, all members of which are independent outside directors.<sup>148</sup> Thus, there will be no ability for Liberty Broadband or Advance/Newhouse to improperly influence New Charter's decision-making process.

### **C. The Transaction Will Not Harm The Purchase Or Carriage Of Unaffiliated Programming**

The Transaction similarly threatens no harms to video programming acquisition.

#### **1. The Transaction Will Not Harm The Market For Purchases Of Unaffiliated Video Programming.**

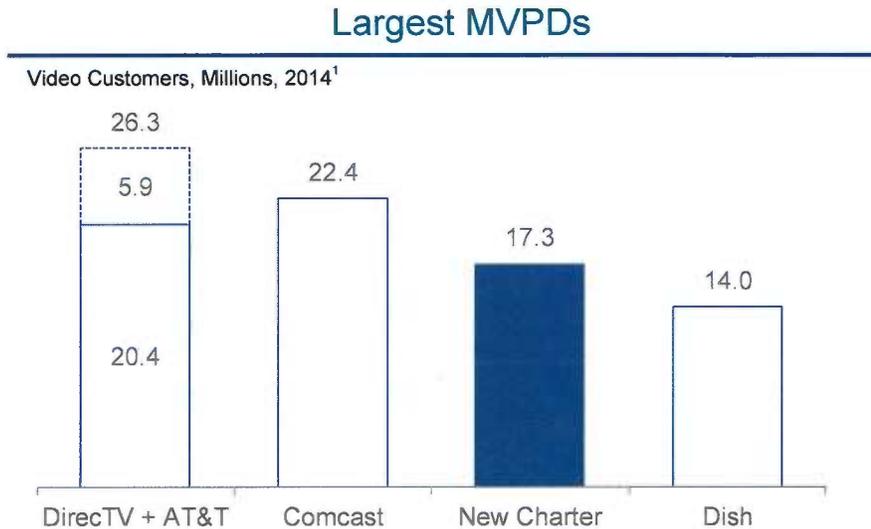

The merged entities' combined share of MVPD subscribers will be far too small to trigger any monopsony concerns.<sup>149</sup> New Charter will purchase video programming on behalf

**REDACTED – FOR PUBLIC INSPECTION**

New Charter’s modest size will not cause competitive harm in the national market for video programming acquisition. To begin with, the D.C. Circuit’s decisions invalidating the Commission’s horizontal cable ownership cap establish that there is no harm here. In 2001, the D.C. Circuit remanded the Commission’s 30% cap, explaining that the record did not support a monopsony-based ownership cap of less than 60%.<sup>153</sup> When the Commission readopted the same 30% cap,<sup>154</sup> the D.C. Circuit on appeal again vacated the cap in 2009.<sup>155</sup> Noting record evidence of “ever increasing competition among video providers,” the court concluded that the Commission’s “justification for the 30% cap is even weaker now than in 2001.”<sup>156</sup>

Even under that vacated cap, however, this transaction would not raise an issue. New Charter’s 17% reach would be, of course, only about *half* the 30% horizontal video ownership cap that the D.C. Circuit vacated in 2009. And since then, competition in the market to purchase video programming has become only more vibrant. Not only has DBS subscribership increased, but telcos have emerged as robust competitors as well.<sup>157</sup> Significantly, because Applicants do not compete for video subscribers, content owners will have the same distribution options in any given area with New Charter that exist today with Charter, Time Warner Cable, and Bright House Networks. Accordingly, the Transaction will not result in any reduction in competition for video programming.

**REDACTED – FOR PUBLIC INSPECTION**

Further, recent years have seen the rise of online video services operated by Hulu, Apple, Amazon, Netflix, and others.<sup>158</sup> As the Commission explained in its most recent video competition report, “OVDs are constantly entering and exiting the marketplace and changing the services and programming they offer, in response to viewer demand as well as external factors, such as the ability to access content and reach customers.”<sup>159</sup> Because video programmers have an increasing diversity of outlets for distribution of their programming, video distributors cannot pass up available high-quality programming without running the risk that viewers will switch to a competing platform. Indeed, the Transaction is unlikely to materially enhance New Charter’s bargaining power in negotiations for video programming as compared to Time Warner Cable. To the contrary, programmers have significant bargaining power, as reflected in the fact that programming costs routinely have outstripped video revenue gains.<sup>160</sup> Likewise, Applicants have reaped consistently lower profit margins from their respective video businesses in recent years.<sup>161</sup>

The Transaction will cause no harm to video programming markets at the local or regional level either. Because the merging entities generally do not serve the same areas within DMAs, the Transaction will result in no reduction in the number of potential purchasers of video programming for distribution to consumers. At the regional level, we will continue to face the programming demands of our MVPD subscribers—and the threat of losing subscribers to competitors, should we fail to carry their preferred programming or fail to offer our service at

competitive prices.<sup>162</sup> Competition for video programming thus will remain equally robust on local and regional levels, as well.

The absence of competitive harm is underscored by the fact that television programming is a non-rivalrous good—*i.e.*, its sale to one purchaser does not reduce the amount available for sale to another purchaser.<sup>163</sup> Distributors normally license video programming to multiple MVPDs, rather than licensing it on an exclusive basis.<sup>164</sup> Furthermore, because the three merged entities' footprints generally do not overlap—and therefore do not compete for the same customers—the purchase of video programming by one entity does not reduce the other's demand. Thus, although all three Applicants currently participate in the market for video programming, they do not actually compete against each other in that market. It follows that the Transaction will not *reduce* competition in that market for video programming.

**2. The Transaction Will Not Harm The Market For Carriage Of Unaffiliated Video Programming.**

We will also lack the incentive and ability to harm unaffiliated video programmers by favoring our own programming over programming distributed by other entities.<sup>165</sup> At the national level, New Charter will have neither the incentive nor the ability to disfavor programming distributed by other entities. New Charter will lack the incentive to do so because the programming that New Charter will control is local and regional and does not compete with

---

<sup>162</sup> In addition to the two DBS providers, other MVPDs compete for subscribers in various areas throughout New Charter's footprint—and OVDs offer still other video options.

<sup>163</sup> See David Waterman, *Local Monopsony and Free Riders*, 8 J. INFO. national programming. Excluding high-quality national programming would only leave us with a less appealing product to sell to our cable subscribers.<sup>166</sup>

Nor does New Charter have any incentive to discriminate in carriage of regional programming distributed by other entities. The programming owned by the Applicants consists of hyper-local news channels and a small number of RSNs.<sup>167</sup> The Commission has recognized that regional sports programming has “no readily acceptable close substitutes,” because “sports fans believe that there is no good substitute for watching their local and/or favorite team play an important game.”<sup>168</sup> Precisely *because* we have no such substitutes, we will have no incentive to disfavor the regional programming of others. And the Commission has recognized that local news channels generally do not raise competitive issues.<sup>169</sup>

**D. Any Harms Analysis Must Take Into Consideration Existing And Emerging Competition In These Dynamic Industries.**

Finally, any analysis of potential harms from the Transaction must account for the fact that the relevant industries are competitive and dynamic. Charter, Time Warner Cable, and Bright House Networks all face robust competition in the competitive and dynamic markets that they serve. In 2013, 99% of homes had access to at least three MVPDs, and 35% had access to

at least four, up from 32% the previous year.<sup>170</sup> New Charter will face robust video competition in virtually 100% of its footprint from other MVPDs, including two DBS providers (one of which, if the AT&T-DirecTV merger is approved, will be the largest MVPD provider in the U.S.). And the video distribution marketplace continues to become more competitive, with cable losing market share both to well-established and new competitors.

The broadband marketplace is especially dynamic, with cable and telco-based competitors engaging in head-to-head competition throughout most of the U.S., new entry underway by Google fiber and other new wireline entrants, and rapid improvements in both terrestrial and satellite-based wireless competitors. For example, six of the eight DMAs that Google fiber has either entered or committed to enter, and three of the additional four cities it is actively considering, fall within New Charter's broadband service territories.<sup>171</sup> Telephone companies, in the meantime, are rapidly upgrading their networks using either advanced varieties of DSL technologies or fiber-to-the-home, with AT&T, CenturyLink, Frontier and Verizon all offering residential broadband plans with download speeds in excess of 100 Mbps. As noted above, as a result of this ongoing entry and innovation, more than one in three households in the New Charter footprint already had access to at least one wireline alternative (in addition to the merging firms) offering download speeds of 25 Mbps or faster.<sup>172</sup>

Competitive pressure from terrestrial and mobile wireless services is also intensifying. As the Commission has recognized, “[s]atellite broadband service has improved significantly, and many consumers today have high speeds, low prices, and generous data usage

<sup>170</sup> *Sixteenth Report*, 30 FCC Rcd at 3267 ¶ 31 (2015).

<sup>171</sup> The current and committed Google fiber DMAs are Atlanta, GA; Austin, TX; Charlotte, NC; Kansas City, MO-KS; Nashville, TN; and, Raleigh-Durham (Fayetteville), NC. The potential DMAs are Portland, OR; San Antonio, TX; and San Francisco-Oakland-San Jose, CA. See Google, *Google fiber Expansion Plans*, <https://fiber.google.com/newcities/> (last accessed June 23, 2015).

<sup>172</sup> See discussion *supra* note 6.

allowances,”<sup>173</sup> while all four national mobile wireless carriers (AT&T, Sprint, T-Mobile and Verizon) continue to rapidly improve their offerings by deploying ever-faster and more capacious LTE networks.<sup>174</sup> Thus, New Charter faces robust and rapidly increasing competition throughout its service territory.

## VI. THE TRANSACTION IS CONSISTENT WITH THE COMMUNICATIONS ACT AND FCC RULES

In addition to advancing the public interest, the proposed transaction complies with both the Communications Act and all relevant Commission regulations. It will not implicate the Commission’s radio/television cross-ownership rule, the local TV duopoly rule, the national TV broadcast audience cap, or the newspaper/broadcast cross-ownership prohibition. Nor will the Transaction implicate the cable/BRS or cable/SMATV cross-ownership restrictions, or the LEC buyout restriction. New Charter will continue to ensure its compliance with the channel occupancy rule, the program access rules, and other Commission rules following the Transaction.

<sup>173</sup> See *2015 Broadband Progress Report*, 30 FCC Rcd at 1446 ¶ 123; see also Comments of ViaSat, Inc., *Connect America Fund*, WC Docket Nos. 10-90, 14-259, at 3 (filed Jan. 6, 2015) (indicating ViaSat is deploying satellite services capable of speeds of 100/25 Mbps and higher).

<sup>174</sup> The Commission and DOJ have recognized that mobile broadband service is increasingly competing with wireline broadband. See *Implementation of Section 6002(b) of the Omnibus Budget Reconciliation Act of 1993, Annual Report and Analysis of Competitive Market Conditions With Respect to Mobile Wireless, Including Commercial Mobile Servs.*, Sixteenth Report, 28 FCC Rcd 3700, 3725 ¶ 2 (2013) (“Mobile wireless Internet access service could provide an alternative to wireline service for customers who are willing to trade speed for mobility, as well as customers who are relatively indifferent with regard to the attributes, performance, and pricing of mobile and fixed platforms.”); *id.* at 3933 ¶ 371 (“[M]obile wireless providers have made substantial progress in upgrading their networks with higher-speed technologies and expanding coverage with these technologies. In some cases mobile broadband networks are being used as a replacement for wireline last-mile solutions, where location makes deployment of wireline facilities inefficient.” (footnote omitted)); *Economic Issues in Broadband Competition: A National Broadband Plan for Our Future*, Ex Parte Submission of the U.S. Dep’t of Justice, GN Docket No. 09-51, at 8 (Jan. 4, 2010) (“Wireless may be a very attractive alternative for consumers who greatly value mobility and for customers who do not place much value on the highest speeds (e.g., consumers who do not want advanced services, such as HD video streaming). It appears to offer the most promising prospect for additional competition in areas where user density or other factors are likely to limit the construction of additional broadband wireline infrastructure.”).

**VII. PROCEDURAL MATTERS**

Given the ongoing regulatory activity of the Applicants and their subsidiaries, including the possible need for those entities to file license applications with the Commission during the pendency of the Commission's review of the proposed transaction, the Applicants request that the Commission's grant of approval of the Transaction include, as appropriate: (1) any licenses and/or authorizations issued to the Applicants or any of their subsidiaries or affiliates during the Commission's review of the instant application and the period required for the consummation of the proposed transaction following approval; and (2) applications filed by the Applicants or their subsidiaries or affiliates that are pending at the time of the proposed transaction. Such action would be fully consistent with prior decisions of the Commission.<sup>175</sup>

**VIII. CONCLUSION**

For the foregoing reasons, approval of the Transaction will serve the public interest and the Commission should grant the applications expeditiously.

As of the Second Company Merger Effective Time, all such shares of Company Surviving Corporation Stock shall no longer be outstanding and shall automatically be canceled and retired and shall cease to exist, and shall thereafter represent only the right to receive the New Charter Merger Consideration and the right to receive any dividends or other distributions pursuant to Section 2.03(h), in each case to be issued or paid in accordance with Section 2.03, without interest.

(ii) Each membership unit of Merger Subsidiary Two outstanding immediately prior to the Second Company Merger Effective Time shall continue to remain outstanding as a membership unit of Merger Subsidiary Two Surviving Entity and shall constitute the only outstanding equity interests of the Merger Subsidiary Two Surviving Entity.

(i) Each share of Parent Class A Common Stock issued and outstanding immediately prior to the Parent Merger Effective Time (other than any share of Parent Class A Common Stock to be canceled pursuant to Section 2.02(c)(ii)) shall automatically be converted into the right to receive a number of shares of New Charter Common Stock equal to the Parent Merger Exchange Ratio (the “**Parent Merger Consideration**”), and the cash in lieu of fractional shares of New Charter Common Stock as specified below. As of the Parent Merger Effective Time, all such shares of Parent Class A Common Stock shall no longer be outstanding and shall automatically be canceled and retired and shall cease to exist, and shall thereafter represent only the right to receive the Parent Merger Consideration and the right to receive any dividends or other distributions pursuant to Section 2.03(h), in each case to be issued or paid in accordance with Section 2.03, without interest.

(ii) Each share of Parent Class A Common Stock held by Parent as treasury stock or owned directly by Parent immediately prior to the Parent Merger Effective Time shall be canceled and no payment shall be made with respect thereto.

(iii) Each membership unit of Merger Subsidiary Three outstanding immediately prior to the Parent Merger Effective Time shall continue to remain outstanding as a membership unit of the Parent Surviving Entity and shall constitute the only outstanding equity interests of the Parent Surviving Entity.

Section 2.03 *Surrender and Payment.*

(a) The following procedures shall apply to Elections made pursuant to Section 2.02(a)(i):

(i) Parent shall prepare a form reasonably acceptable to the Company (the “**Election Form**”), which shall be mailed by the Company to record holders of Company Stock and holders of Vested Company Stock Options and Director RSUs (as such terms are defined in Section 2.04) so as to permit those holders to exercise their right to make an Election prior to the Election Deadline and which shall specify, among other things, the Election Deadline and the consequences of failing to meet the Election Deadline.

(ii) Prior to the Mailing Date, Parent shall appoint an agent reasonably acceptable to the Company (the “**Exchange Agent**”) for (i) receiving Elections and exchanging for the applicable Company Cash Consideration and New Charter Merger Consideration (in respect of the applicable Company Stock Merger Consideration that shall be deemed to be automatically surrendered for exchange upon the Second Company Merger Effective Time) (as well as cash in lieu of fractional shares of New Charter Company Stock as specified in Section 2.07) (A) certificates representing shares of Company Stock (the “**Company Certificates**”) and (B) uncertificated shares of Company Stock (the “**Company Uncertificated Shares**”), and (ii) exchanging for the Parent Merger Consideration and cash in lieu of fractional shares of New Charter Company Stock as specified in Section 2.07 (A) certificates representing shares of Parent Class A Common Stock (the “**Parent Certificates**” and, together with the Company Certificates, the “**Cer-**

tificates”) and (B) uncertificated shares of Parent Class A Common Stock (the “**Parent Uncertificated Shares**” and, together with the Company Uncertificated Shares, the “**Uncertificated Shares**”).

(iii) The Company shall mail or cause to be mailed or delivered, as applicable, not less than 20 Business Days prior to the anticipated Election Deadline (the “**Mailing Date**”) an Election Form to record holders of Company Stock as of the close of business on the tenth (10th) Business Day prior to the Mailing Date (the “**Election Form Record Date**”). The Company shall make available one or more Election Forms as may reasonably be requested from time to time by all persons who become holders or beneficial owners of Company Stock during the period following the Election Form Record Date and prior to the Election Deadline.

(iv) Any Election shall have been made properly only if the Exchange Agent shall have received, by the Election Deadline, an Election Form properly completed and signed and accompanied by Company Certificates to which such Election Form relates, duly endorsed in blank or otherwise in form acceptable for transfer on the books of the Company and, in the case of Company Uncertificated Shares, any additional documents specified in the procedures set forth in the Election Form. As used herein, unless otherwise agreed in advance by the Company and Parent, “**Election Deadline**” means 5:00 p.m. local time (in the city in which the principal office of the Exchange Agent is located) on the date that Parent and the Company shall agree is five (5) Business Days prior to the expected Closing Date. The Company and Parent shall issue a press release reasonably satisfactory to each of them announcing the anticipated date of the Election Deadline not more than 20 Business Days before, and at least five Business Days prior to, the Election Deadline. If the Closing is delayed to a subsequent date, the Election Deadline shall be similarly delayed to a subsequent date (which shall be the fifth Business Day prior to the Closing Date) and the Company and Parent shall cooperate to promptly publicly announce such rescheduled Election Deadline and Closing.

(v) Any holder of Company Stock may, at any time prior to the Election Deadline, change or revoke his or her Election by written notice received by the Exchange Agent prior to the Election Deadline accompanied by a properly completed and signed revised Election Form or by withdrawal prior to the Election Deadline of his or her Company Certificates, or any documents in respect of Company Uncertificated Shares, previously deposited with the Exchange Agent. After an Election is validly made with respect to any shares of Company Stock, any subsequent transfer of such shares of Company Stock shall automatically revoke such Election. If no Election is made by a holder, or an Election is revoked and another one is not validly and timely made by a holder, such holder shall only have the right to receive the Company Option A Merger Consideration. Notwithstanding anything to the contrary in this Agreement, all Elections shall be automatically deemed revoked upon receipt by the Exchange Agent of written notification from Parent or the Company that this Agreement has been terminated in accordance with Article 10. Subject to the terms of this Agreement, the Exchange Agent shall have reasonable discretion to determine if any Election is not properly or timely made with respect to any shares of Company Stock (neither Parent nor the Company nor the Exchange Agent being under any duty to notify any stockholder of any such defect);

in the event the Exchange Agent makes such a determination, such Election shall be deemed to be not in effect, and the shares of Company Stock covered by such Election shall, for purposes hereof, be deemed to be only entitled to receive the Company Option A Merger Consideration pursuant to the terms and conditions hereof, unless a proper Election is thereafter timely made with respect to such shares.

(b) At or immediately after the Effective Time, Parent or New Charter shall make, or cause to be made, available to the Exchange Agent the Merger Consideration to be paid in respect of the Certificates and the Uncertificated Shares (including cash in immediately available funds in an amount sufficient to pay the aggregate Company Cash Consideration and cash in lieu of fractional shares as specified in Section 2.07) (the “**Exchange Fund**”). Each of Parent and New Charter agrees to make available to the Exchange Agent from time to time, as needed, any dividends or distributions to which any Person is entitled pursuant to Section 2.03(h). Promptly after the Effective Time, and in any event no later than the tenth Business Day following the Effective Time, New Charter shall send, or shall cause the Exchange Agent to send, to each holder of record of shares of Company Stock at the First Company Merger Effective Time a letter of transmittal and instructions (with respect to both the Company Cash Consideration and New Charter Merger Consideration) reasonably acceptable to the Company, and to each holder of record of shares of Parent Class A Common Stock at the Parent Merger Effective Time a letter of transmittal and instructions (with respect to the Parent Merger Consideration) (which shall, in each case, specify that the delivery shall be effected, and risk of loss and title shall pass, only upon proper delivery of the Certificates or transfer of the Uncertificated Shares to the Exchange Agent and which shall otherwise be in customary form and shall include customary provisions with respect to delivery of an “agent’s message” regarding the book-entry transfer of Uncertificated Shares) for use in such exchange. The Exchange Agent shall invest any cash included in the Exchange Fund, as directed by Parent or New Charter, on a daily basis; provided that such investments shall be in obligations of or guaranteed by the United States of America or any agency or instrumentality thereof and backed by the full faith and credit of the United States of America, in commercial paper obligations rated A-1 or P-1 or better by Moody’s Investors Service, Inc. or Standard & Poor’s Corporation, respectively, or in certificates of deposit, bank repurchase agreements or banker’s acceptances of commercial banks with capital exceeding \$25 billion (based on the most recent financial statements of such bank which are then publicly available), or a combination of the foregoing. Any interest and other income resulting from such investments shall be paid to New Charter upon termination of the Exchange Fund pursuant to this Section 2.03 and any losses resulting from such investments will be made up by Parent or New Charter to the extent necessary to pay the Company Cash Consideration.

(c) Each holder of shares of Company Stock that have been converted into the right to receive the Company Merger Consideration and, subsequently, the New Charter Merger Consideration shall be entitled to receive, upon (i) surrender to the Exchange Agent of a Company Certificate, together with a properly completed letter of transmittal, or (ii) receipt of an “agent’s message” by the Exchange Agent (or such other evidence, if any, of transfer as the Exchange Agent may reasonably request) in the case of a book-entry transfer of Company Uncertificated Shares, the applicable Company Cash Consideration and the New Charter Merger Consideration in respect of the Company Stock represented by a Company Certificate or Company Uncertificated Share (in each case as applicable), as specified in such holder’s Election Form (or otherwise based on the Company Option A Merger Consideration). The shares of New Charter

Common Stock constituting part of such New Charter Merger Consideration shall be in uncertificated book-entry form, unless a physical certificate is required under Applicable Law. Until so surrendered or transferred, as the case may be, each Company Certificate or Company Uncertificated Share shall represent after the First Company Merger Effective Time and the Second Company Merger Effective for all purposes only the right to receive such Company Cash Consideration, New Charter Merger Consideration and the right to receive any dividends or other distributions pursuant to Section 2.03(h).

(d) Each holder of shares of Parent Class A Common Stock that have been converted into the right to receive the Parent Merger Consideration shall be entitled to receive, upon (i) surrender to the Exchange Agent of a Parent Certificate, together with a properly completed letter of transmittal, or (ii) receipt of an “agent’s message” by the Exchange Agent (or such other evidence, if any, of transfer as the Exchange Agent may reasonably request) in the case of a book-entry transfer of Parent Uncertificated Shares, the Parent Merger Consideration in respect of the Parent Class A Common Stock represented by a Parent Certificate or Parent Uncertificated Share (in each case as applicable). The shares of New Charter Common Stock constituting part of such Parent Merger Consideration, at Parent’s option, shall be in uncertificated book-entry form, unless a physical certificate is required under Applicable Law. Until so surrendered or transferred, as the case may be, each such Parent Certificate or Parent Uncertificated Share shall represent after the Parent Merger Effective Time for all purposes only the right to receive such Parent Merger Consideration and the right to receive any dividends or other distributions pursuant to Section 2.03(h).

(e) If any portion of the Merger Consideration is to be paid to a Person other than the Person in whose name the surrendered Certificate or the transferred Uncertificated Share is registered, it shall be a condition to such payment that (i) either such Certificate shall be properly endorsed or shall otherwise be in proper form for transfer or such Uncertificated Share shall be properly transferred and (ii) the Person requesting such payment shall pay to the Exchange Agent any transfer or other taxes required as a result of such payment to a Person other than the registered holder of such Certificate or Uncertificated Share or establish to the satisfaction of the Exchange Agent that such tax has been paid or is not payable.

(f) (i) After the First Company Merger Effective Time, there shall be no further registrations of transfers of shares of Company Stock (other than solely as a result of the First Company Merger or the Second Company Merger), (ii) after the Second Company Merger Effective Time, there shall be no further registration of transfers of shares of Company Surviving Corporation Stock (other than solely as a result of the Second Company Merger) and (iii) after the Parent Merger Effective Time, there shall be no further registration of transfers of shares of Parent Class A Common Stock (other than solely as a result of the Parent Merger). If, after the First Company Merger Effective Time, the Second Company Merger Effective Time or the Parent Merger Effective Time, as applicable, Certificates, Uncertificated Shares or uncertificated shares of Company Surviving Corporation Stock are presented to the Company Surviving Corporation, New Charter, the Parent Surviving Entity or the Exchange Agent, they shall be canceled and exchanged for the Company Cash Consideration and the New Charter Merger Consideration or Parent Merger Consideration, as applicable, provided for, and in accordance with the procedures set forth, in this Article 2.

(g) Any portion of the Merger Consideration made available to the Exchange Agent pursuant to Section 2.03(a) that remains unclaimed by the holders of shares of Company Stock or Parent Class A Common Stock twelve (12) months after the Effective Time shall be delivered to New Charter, upon demand, and any such holder who has not exchanged shares of Company Stock or Parent Class A Common Stock for the applicable Merger Consideration in accordance with this Section 2.03 prior to that time shall thereafter look only to New Charter for and New Charter shall remain liable for, payment of the applicable Merger Consideration, and any dividends and distributions with respect thereto pursuant to Section 2.03(h), in respect of such shares without any interest thereon. Notwithstanding the foregoing, none of the parties to this Agreement shall be liable to any holder of shares of Company Stock or Parent Class A Common Stock for any amounts properly paid to a public official pursuant to applicable abandoned property, escheat or similar laws. Any amounts remaining unclaimed by holders of shares of Company Stock or Parent Class A Common Stock two (2) years after the Effective Time (or such earlier date, immediately prior to such time when the amounts would otherwise escheat to or become property of any Governmental Authority) shall become, to the extent permitted by Applicable Law, the property of New Charter free and clear of any claims or interest of any Person previously entitled thereto.

(h) No dividends or other distributions with respect to securities of New Charter constituting part of the Merger Consideration, and no cash payment in lieu of fractional shares as provided in Section 2.07, shall be paid to the holder of any Certificates not surrendered or of any Uncertificated Shares not transferred until such Certificates or Uncertificated Shares are surrendered or transferred, as the case may be, as provided in this Section 2.03. Following such surrender or transfer, there shall be paid, without interest, to the Person in whose name the securities of New Charter have been registered, (i) at the time of such surrender or transfer, the amount of any cash payable in lieu of fractional shares to which such Person is entitled pursuant to Section 2.07 and the amount of all dividends or other distributions with a record date after the Effective Time previously paid or payable on the date of such surrender with respect to such securities, and (ii) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time and prior to surrender or transfer and with a payment date subsequent to surrender or transfer payable with respect to such securities.

(i) The payment of any transfer, documentary, sales, use, stamp, registration, value added and other such Taxes and fees (including any penalties and interest) incurred by a holder of Company Stock or Parent Class A Common Stock in connection with the First Company Merger, the Second Company Merger or the Parent Merger, as applicable, for which none of Parent, New Charter, the Company, or a Subsidiary of the Company is liable, and the filing of any related Tax Returns and other documentation with respect to such Taxes and fees, shall be the sole responsibility of such holder.

#### Section 2.04 *Company Equity-Based Awards.*

(a) Except as provided in Section 2.04(d), the terms of each outstanding compensatory option to purchase shares of Company Stock (a “**Company Stock Option**”), whether or not exercisable or vested, shall be adjusted as necessary to provide that, at the Second Company Merger Effective Time, each Company Stock Option outstanding immediately prior to the First Company Merger Effective Time shall be converted into an option (each, a “**Company**

**Adjusted Option**”) to acquire, on the same terms and conditions as were applicable under such Company Stock Option immediately prior to the First Company Merger Effective Time, the number of shares of New Charter Common Stock equal to the product of (i) the number of shares of Company Stock subject to such Company Stock Option immediately prior to the First Company Merger Effective Time multiplied by (ii) the Stock Award Exchange Ratio, with any fractional shares rounded down to the next lower whole number of shares. The exercise price per share of New Charter Common Stock subject to any such Company Adjusted Option shall be an amount equal to the quotient of (A) the exercise price per share of Company Stock subject to such Company Stock Option immediately prior to the First Company Merger Effective Time divided by (B) the Stock Award Exchange Ratio, with any fractional cents rounded up to the next higher number of whole cents. Notwithstanding the foregoing, if the conversion of a Company Stock Option in accordance with the preceding provisions of this Section 2.04(a) would cause the related Company Adjusted Option to be treated as the grant of new stock right for purposes of Section 409A of the Code, such Company Stock Option shall not be converted in accordance with the preceding provisions but shall instead be converted in a manner reasonably acceptable to Parent and the Company that would not cause the related Company Adjusted Option to be treated as the grant of new stock right for purposes of Section 409A.

(b) Except as provided in Section 2.04(c) and Section 2.04(d), the terms of each outstanding restricted stock unit or deferred stock unit with respect to shares of Company Stock (a “**Company RSU**”), whether or not vested, shall be adjusted as necessary to provide that, at the Second Company Merger Effective Time, each Company RSU outstanding immediately prior to the First Company Merger Effective Time shall be converted into a restricted stock unit (each, a “**Company Adjusted RSU**”) with respect to, and on the same terms and conditions as were applicable under such Company RSU immediately prior to the First Company Merger Effective Time, the number of shares of New Charter Common Stock equal to the product of (i) the number of shares of Company Stock subject to such Company RSU immediately prior to the First Company Merger Effective Time multiplied by (ii) the Stock Award Exchange Ratio, with any fractional shares rounded down to the next lower whole number of shares.

(c) At or promptly after the Second Company Merger Effective Time, each outstanding Company RSU (each, a “**Director RSU**”) held by a non-employee director or former non-employee director of the Company (each, a “**Director**”), whether or not vested, shall be canceled, and New Charter shall pay each such Director at or promptly after the Second Company Merger Effective Time for each such Director RSU an amount in cash computed by first determining the Company Adjusted RSU that such Director would have received if the Director RSU held by such Director was converted into a Company Adjusted RSU pursuant to the methodology described in Section 2.04(b) (each, a “**Notional Adjusted RSU**”) and then multiplying (i) the closing sale price of a share of Parent Class A Common Stock on NASDAQ on the trading day immediately preceding the First Company Merger Effective Time by (ii) the number of shares of New Charter Common Stock subject to the Notional Adjusted RSU.

(d) (i) At or promptly after the Second Company Merger Effective Time, each outstanding Company Stock Option (each, a “**Former Employee Option**”) held by a former employee or individual contractor of the Company (each, a “**Former Employee**”), whether or not exercisable or vested, shall be cancelled, and New Charter shall pay each such Former Em-

ployee at or promptly after the Second Company Merger Effective Time for each such Former Employee Option an amount in cash computed by first determining the Company Adjusted Option that such Former Employee would have received if the Former Employee Option held by such Former Employee was converted into a Company Adjusted Option pursuant to the methodology described in Section 2.04(a) (each, a “**Notional Adjusted Option**”) and then multiplying (A) the excess of the closing sale price of a share of Parent Class A Common Stock on NASDAQ on the trading day immediately preceding the First Company Merger Effective Time over the per share exercise price of such Notional Adjusted Option, if any, by (B) the number of shares of New Charter Common Stock subject to such Notional Adjusted Option to the extent unexercised. For the avoidance of doubt, all Former Employee Options outstanding as of the First Company Merger Effective Time that if converted into a Company Adjusted Option would have a per share exercise price equal to or exceeding the closing sale price of a share of Parent Class A Common Stock on NASDAQ on the trading day immediately preceding the First Company Merger Effective Time shall be immediately cancelled and forfeited without any liability on the part of Parent, New Charter or their respective Affiliates.

(ii) At or promptly after the Second Company Merger Effective Time, each outstanding Company RSU (each, a “**Former Employee RSU**”) held by a Former Employee, whether or not vested, shall be canceled, and New Charter shall pay each such Former Employee at or promptly after the Second Company Merger Effective Time for each such Former Employee RSU an amount in cash computed by first determining the number of Notional Adjusted RSUs held by such Former Employee and then multiplying (A) the closing sale price of a share of Parent Class A Common Stock on NASDAQ on the trading day immediately preceding the First Company Merger Effective Time by (B) the number of shares of New Charter Common Stock with respect to the Notional Adjusted RSUs; provided, that, to the extent that any Former Employee RSU is subject to Section 409A of the Code, then such Former Employee RSU shall be converted into a Company Adjusted RSU in accordance with the terms of Section 2.04(b).

(e) Parent and New Charter shall take such actions as are necessary for the assumption of the Company Stock Options and Company RSUs pursuant to Sections 2.04(a) and (b), including the reservation, issuance and listing of New Charter Common Stock as is necessary to effectuate the transactions contemplated by this Section 2.04. Parent and New Charter shall prepare and file with the SEC a registration statement on an appropriate form, or a post-effective amendment to a registration statement previously filed under the 1933 Act, with respect to the shares of New Charter Common Stock subject to the Company Adjusted Options and Company Adjusted RSUs to be issued by New Charter and, where applicable, shall use its reasonable best efforts to have such registration statement declared effective as soon as practicable following the Effective Time and to maintain the effectiveness of such registration statement covering such Company Adjusted Options and Company Adjusted RSUs (and to maintain the current status of the prospectus contained therein) for so long as any Company Adjusted Option or any Company Adjusted remains outstanding. With respect to those individuals, if any, who, subsequent to the Effective Time, will be subject to the reporting requirements under Section 16(a) of the 1934 Act, where applicable, New Charter shall administer any Company Adjusted Option and any Company Adjusted RSU issued pursuant to this Section 2.04 in a manner that complies with Rule 16b-3 promulgated under the 1934 Act to the extent the corresponding Company Stock Option or such Company RSU complied with such rule prior to the Mergers.

(f) Prior to the First Company Merger Effective Time, the Company and Parent shall take any actions with respect to equity compensation plans or arrangements that are necessary to give effect to the transactions contemplated by this Section 2.04.

Section 2.05 *Parent Equity-Based Awards.* (a) The terms of each outstanding compensatory option to purchase shares of Parent Class A Common Stock (each, a “**Parent Stock Option**”), whether or not exercisable or vested, shall be adjusted as necessary to provide that, at the Parent Merger Effective Time, each Parent Stock Option outstanding immediately prior to the Parent Merger Effective Time shall be converted into an option (each, a “**Parent Adjusted Option**”) to acquire, on the same terms and conditions as were applicable under such Parent Stock Option immediately prior to the Parent Merger Effective Time, the number of shares of New Charter Common Stock equal to the product of (i) the number of shares of Parent Class A Common Stock subject to such Parent Stock Option immediately prior to the Parent Merger Effective Time multiplied by (ii) the Parent Merger Exchange Ratio, with any fractional shares rounded down to the next lower whole number of shares. The exercise price per share of New Charter Common Stock subject to any such Parent Adjusted Option shall be an amount equal to the quotient of (A) exercise price per share of Parent Class A Common Stock subject to such Parent Stock Option immediately prior to the Parent Merger Effective Time divided by (B) the Parent Merger Exchange Ratio, with any fractional cents rounded up to the next higher number of whole cents. Notwithstanding the foregoing, if the conversion of a Parent Stock Option in accordance with the preceding provisions of this Section 2.05(a) would cause the related Parent Adjusted Option to be treated as the grant of new stock right for purposes of Section 409A of the Code, such Parent Stock Option shall not be converted in accordance with the preceding provisions but shall instead be converted in a manner reasonably acceptable to Parent and the Company that would not cause the related Parent Adjusted Option to be treated as the grant of new stock right for purposes of Section 409A.

(b) The terms of each outstanding award of shares of restricted Parent Stock (each, a “**Parent Stock Award**”) shall be adjusted as necessary to provide that, at the Parent Merger Effective Time, each Parent Stock Award outstanding immediately prior to the Parent Merger Effective Time shall be converted into an award (each, a “**Parent Adjusted Stock Award**”) with respect to, and subject to the same terms and conditions as were applicable under such Parent Stock Award immediately prior to the Parent Merger Effective Time, the number of shares of restricted New Charter Common Stock equal to the product of (i) number of shares of Parent Class A Common Stock subject to such Parent Stock Award immediately prior to the Parent Merger Effective Time multiplied by (ii) the Parent Merger Exchange Ratio, with any fractional shares rounded down to the next lower whole number of shares.

(c) The terms of each outstanding restricted stock unit with respect to shares of Parent Stock (each, a “**Parent RSU**”), whether or not vested, shall be adjusted as necessary to provide that, at the Parent Merger Effective Time, each Parent RSU outstanding immediately prior to the Parent Merger Effective Time shall be converted into a restricted stock unit (each, a “**Parent Adjusted RSU**”) with respect to, and on the same terms and conditions as were applicable under such Parent RSU immediately prior to the Parent Merger Effective Time, the number of shares of New Charter Common Stock equal to the product of (i) the number of shares of Parent Class A Common Stock subject to such Parent RSU immediately prior to the Parent

Merger Effective Time multiplied by (ii) the Parent Merger Exchange Ratio, with any fractional shares rounded down to the next lower whole number of shares.

(d) Parent and New Charter shall take such actions as are necessary for the assumption of the Parent Stock Options, Parent Stock Awards and Parent RSUs pursuant to Sections 2.05(a), (b) and (c), including the reservation, issuance and listing of New Charter Common Stock as is necessary to effectuate the transactions contemplated by this Section 2.05. New Charter shall prepare and file with the SEC a registration statement on an appropriate form, or a post-effective amendment to a registration statement previously filed under the 1933 Act, with respect to the shares of New Charter Common Stock subject to the Parent Adjusted Options, Parent Adjusted Stock Awards and Parent Adjusted RSUs to be issued by New Charter and, where applicable, shall use its reasonable best efforts to have such registration statement declared effective as soon as practicable following the Parent Merger Effective Time and to maintain the effectiveness of such registration statement covering such Parent Adjusted Options, Parent Adjusted Stock Awards and Parent Adjusted RSUs (and to maintain the current status of the prospectus contained therein) for so long as any Parent Adjusted Option, Parent Adjusted Stock Award or Parent Adjusted RSU remains outstanding. With respect to those individuals, if any, who, subsequent to the Parent Merger Effective Time, will be subject to the reporting requirements under Section 16(a) of the 1934 Act, where applicable, New Charter shall administer any Parent Adjusted Option, Parent Adjusted Stock Award and Parent Adjusted RSU issued pursuant to this Section 2.05 in a manner that complies with Rule 16b-3 promulgated under the 1934 Act to the extent the corresponding Parent Stock Option, Parent Stock Award or Parent RSU complied with such rule prior to the Mergers.

(e) Prior to the Parent Merger Effective Time, the Company and Parent shall take any actions with respect to equity compensation plans or arrangements that are necessary to give effect to the transactions contemplated by this Section 2.05.

**Section 2.06 *Adjustments.*** If, during the period between the date of this Agreement and the First Company Merger Effective Time, the outstanding shares of capital stock of the Company or Parent shall have been changed into a different number of shares or a different class by reason of any reclassification, recapitalization, stock split or combination, exchange or readjustment of shares, or any stock dividend thereon with a record date during such period, or any other similar event, but excluding any change that results from (a) the exercise of stock options or other equity awards to purchase shares of Parent Class A Common Stock or Company Stock or the settlement of restricted stock units or deferred stock units or (b) the grant of equity-based compensation to directors or employees of Parent or, subject to and in accordance with the terms of this Agreement, the Company under Parent's or the Company's, as applicable, equity compensation plans or arrangements, the Merger Consideration, amounts payable under Section 2.04 and any other amounts payable pursuant to this Agreement, as applicable, shall be appropriately and proportionately adjusted.

**Section 2.07 *Fractional Shares.*** No fractional shares of Company Surviving Corporation Stock shall be issued in the First Company Merger and no fractional shares of New Charter Common Stock shall be issued in the Parent Merger. All fractional shares of Company Surviving Corporation Stock that a holder of record of shares of Company Stock would otherwise be entitled to receive as a result of the First Company Merger shall be aggregated and if a

fractional share results from such aggregation, such holder shall be entitled to receive, in lieu thereof, an amount in cash without interest determined by multiplying the closing sale price of a share of Parent Class A Common Stock on NASDAQ on the trading day immediately preceding the First Company Merger Effective Time by the fraction of a share of Company Surviving Corporation Stock to which such holder would otherwise have been entitled. All fractional shares of New Charter Common Stock that a holder of record of shares of Parent Class A Common Stock would otherwise be entitled to receive as a result of the Parent Merger shall be aggregated and if a fractional share results from such aggregation, such holder shall be entitled to receive, in lieu thereof, an amount in cash without interest determined by multiplying the closing sale price of a share of Parent Class A Common Stock on NASDAQ on the trading day immediately preceding the Parent Merger Effective Time by the fraction of a share of New Charter Common Stock to which such holder would otherwise have been entitled.

Section 2.08 *Withholding*. Notwithstanding any provision contained herein to the contrary, each of the Exchange Agent, the Company, the Parent Surviving Entity, the Company Surviving Corporation, Merger Subsidiary One, Merger Subsidiary Two, Merger Subsidiary Three, New Charter and Parent shall be entitled to deduct or withhold from the consideration otherwise payable to any Person pursuant to this Article 2 such amounts as it is required to deduct or withhold with respect to the making of such payment under any provision of federal, state, local or foreign tax law. The Company shall, and shall cause its Affiliates to, assist Parent, New Charter, Parent Surviving Entity, Company Surviving Corporation, Merger Subsidiary One, Merger Subsidiary Two and/or Merger Subsidiary Three in making such deductions and withholding as reasonably requested by Parent or New Charter. If the Exchange Agent, the Company, the Parent Surviving Entity, the Company Surviving Corporation, Merger Subsidiary One, Merger Subsidiary Two, Merger Subsidiary Three, New Charter or Parent, as the case may be, so withholds amounts and timely pays such amounts to the appropriate taxing authority, such amounts shall be treated for all purposes of this Agreement as having been paid to the holder of the shares of Company Stock or Parent Class A Common, as applicable, in respect of which the Exchange Agent, the Company, the Parent Surviving Entity, the Company Surviving Corporation, Merger Subsidiary One, Merger Subsidiary Two, Merger Subsidiary Three, New Charter or Parent, as the case may be, made such deduction and withholding.

Section 2.09 *Lost Certificates*. If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by New Charter or the Company Surviving Corporation, the posting by such Person of a bond, in such reasonable amount as New Charter and the Company Surviving Corporation may direct, as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent will issue, in exchange for such lost, stolen or destroyed Certificate, the Merger Consideration to be paid in respect of the shares of Company Stock or Parent Class A Common Stock represented by such Certificate and any dividends or distributions with respect thereto pursuant to Section 2.03(h), as contemplated by this Article 2.

Section 2.10 *Appraisal Rights*.

(a) Notwithstanding any provision of this Agreement to the contrary and to the extent available under Delaware Law, shares of Company Stock that are outstanding imme-

diately prior to the First Company Merger Effective Time and that are held by holders of shares of Company Stock who shall have neither voted in favor of the First Company Merger nor consented thereto in writing and who shall have demanded properly in writing appraisal for such shares of Company Stock in accordance with Section 262 of Delaware Law (collectively, the “**Dissenting Shares**”), shall not be converted into, or represent the right to receive, the Company Merger Consideration (or, for the avoidance of doubt, the Cheetah Merger Consideration). The holders of such shares of Company Stock shall be entitled instead to receive only the payment provided by Section 262 of Delaware Law, except that all Dissenting Shares held by holders of shares of Company Stock who shall have failed to perfect or who effectively shall have withdrawn or lost their rights to appraisal of such shares of Company Stock under Section 262 of Delaware Law shall thereupon be deemed to have been converted into, and to have become exchangeable for, as of the First Company Merger Effective Time, the right to receive the Company Merger Consideration (which shall represent, with respect to the Company Stock Merger Consideration, the right to receive the New Charter Merger Consideration), in each case without any interest thereon, in accordance with Section 2.02.

(b) The Company shall give Parent and New Charter (i) prompt notice of any demands for appraisal received by the Company, withdrawals of such demands, and any other instruments served pursuant to Delaware Law and received by the Company and (ii) the opportunity to direct all negotiations and proceedings with respect to demands for appraisal under Delaware Law. The Company shall not, except with the prior written consent of Parent, make any payment with respect to any demands for appraisal or offer to settle or settle any such demands.

Section 2.11 *Restructuring*. If such actions required to treat the Company’s Subsidiaries as disregarded from their owner for U.S. federal income tax purposes or contribute the Company’s assets and interests in its Subsidiaries to Subsidiaries of New Charter following the Closing Date would result in a cost that is material to Parent, then, upon the written request of Parent, the Parties agree to reasonably cooperate in the implementation of a restructuring of the transactions contemplated herein (including, without limitation, restructuring such transaction such that the Second Company Merger, the Parent Merger, the equity subscription and exchange contemplated by the Subscription and Exchange Agreement and the contribution of the assets subject to the Amended Contribution Agreement to New Charter, taken together, would be treated as a transaction described in Section 351 of the Code). Such cooperation shall include entering into appropriate amendments to this Agreement, provided, however, that, notwithstanding anything in this Section 2.11 to the contrary, such cooperation contemplated by this Section 2.11 shall (a) not (i) alter or change the amount or kind of the consideration ultimately to be issued to the holders of Company Stock or the holders of Parent Class A Common Stock or (ii) reasonably be expected to (x) subject to the proviso in clause (b) below, adversely affect the Company or the holders of Company Stock or (y) have the effect of materially delaying, impairing or impeding the receipt of any regulatory approvals required in connection with the transactions contemplated hereby or the Closing and (b) result in U.S. federal income tax consequences that are no less favorable to the holders of Company Stock and the holders of Parent Class A Common Stock than the U.S. federal income tax consequences of the Mergers; provided that it is agreed and understood that for purposes of this Section 2.11 a transaction qualifying as a transaction described in Section 351 of the Code does not result in tax consequences that are less favorable to the holders of Company Stock and the holders of Parent Class A Common Stock than the

U.S. federal income tax consequences of the Mergers and does not adversely affect the Company or the holders of Company Stock.

### **ARTICLE 3** **Corporate Matters**

(d) Immediately after the Parent Merger Effective Time, the certificate of incorporation of New Charter shall be amended to change the name of New Charter to “Charter Communications, Inc.”

Section 3.02 *Directors and Officers of Surviving Entities.* (i) From and after the First Company Merger Effective Time, until the Second Company Merger Effective Time, the members of the Board of Directors of the Company immediately prior to the First Company Merger Effective Time shall be the members of the Board of Directors of the Company Surviving Corporation, (ii) from and after the Second Company Merger Effective Time, until successors are duly elected or appointed and qualified in accordance with Applicable Law, the managers and officers of Merger Subsidiary Two immediately prior to the Second Company Merger Effective Time shall be the managers and officers of the Second Merger Subsidiary Surviving Entity, (iii) the officers of the Company immediately before the First Company Merger Effective Time shall be the officers of the Company Surviving Corporation immediately following the First Company Merger Effective Time, and (iv) the officers of Parent immediately prior to the Parent Merger Effective Time shall be the officers of the Parent Surviving Entity immediately following the Parent Merger Effective Time.

### **ARTICLE 4** **Representations and Warranties of the Company**

Subject to Section 11.05, except (a) as disclosed in the Company SEC Documents (as defined below) filed or furnished by the Company with the SEC since January 1, 2014 and before the date of this Agreement (the “**Specified Company SEC Documents**”) or (b) as set forth in the Company Disclosure Schedule, the Company represents and warrants to Parent that:

Section 4.01 *Corporate Existence and Power.* The Company is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware and has all corporate powers and all Governmental Authorizations required to carry on its business as now conducted, except for those Governmental Authorizations the absence of which would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect. The Company is duly qualified to do business as a foreign corporation and is in good standing in each jurisdiction where such qualification is necessary, except for those jurisdictions where failure to be so qualified would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect. Prior to the date hereof, the Company has delivered or made available to Parent true and complete copies of the certificate of incorporation and bylaws of the Company as in effect on the date of this Agreement.

Section 4.02 *Corporate Authorization.* (a) The execution, delivery and performance by the Company of this Agreement and the Voting Agreement and the consummation by the Company of the transactions contemplated hereby and thereby are within the Company's corporate powers and, except for the required approval of the Company's stockholders in connection with the consummation of the Merger, have been duly authorized by all necessary corporate action on the part of the Company. The affirmative vote of the holders of a majority of the outstanding shares of Company Stock (the "**Company Stockholder Approval**") is the only vote of the holders of any of the Company's capital stock necessary in connection with the consummation of the transactions contemplated hereby, including the First Company Merger and the Second Company Merger. This Agreement, assuming due authorization, execution and delivery by Parent, New Charter, Merger Subsidiary One, Merger Subsidiary Two, Merger Subsidiary Three, and the Voting Agreement, assuming due authorization, execution and delivery by Liberty Broadband, constitute valid and binding agreements of the Company enforceable against the Company in accordance with their respective terms (subject to applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other laws affecting creditors' rights generally and general principles of equity).

(b) At a meeting duly called and held, as of the date of this Agreement, the Company's Board of Directors has (i) unanimously determined that this Agreement and the Voting Agreement and the transactions contemplated hereby and thereby are fair to and in the best interests of the Company's stockholders, (ii) unanimously approved and declared advisable this Agreement and the transactions contemplated hereby and (iii) unanimously resolved, subject to Section 6.03(b), to recommend adoption of this Agreement by its stockholders (such recommendation, the "**Company Board Recommendation**").

Section 4.03 *Governmental Authorization.* The execution, delivery and performance by the Company of this Agreement and the consummation by the Company of the transactions contemplated hereby require no action by or in respect of, or filing with, any Governmental Authority, other than (i) the filing of a certificate of merger with respect to the Merger with the Delaware Secretary of State and appropriate documents with the relevant authorities of other states in which the Company is qualified to do business, (ii) compliance with any applicable requirements of the HSR Act, (iii) compliance with any applicable requirements of the Communications Act, (iv) authorizations from state public utility commissions and similar state authorities having jurisdiction over the assets of the Company and its Subsidiaries, (v) compliance with any state statutes or local franchise ordinances and agreements,

(vi) compliance with any applicable requirements of the 1933 Act, the 1934 Act and any other applicable state or federal securities laws, (vii) compliance with any applicable requirements of the New York Stock Exchange (the “NYSE”) and (viii) any actions or filings the absence of which would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect or materially interfere with or delay the consummation of the Mergers.

Section 4.04 *Non-contravention.* The execution, delivery and performance by the Company of this Agreement and the Voting Agreement and the consummation of the transactions contemplated hereby and thereby do not and will not (i) contravene, conflict with, or result in any violation or breach of any provision of the certificate of incorporation or bylaws of the Company, (ii) assuming compliance with the matters referred to in Section 4.03, contravene, conflict with or result in a violation or breach of any provision of any Applicable Law, (iii) assuming compliance with the matters referred to in Section 4.03, require any consent or other action by any Person under, constitute a default, or an event that, with or without notice or lapse of time or both, would constitute a default, under, or cause or permit the termination, cancellation, acceleration or other change of any right or obligation or the loss of any benefit to which the Company or any of its Subsidiaries is entitled under any provision of any agreement or other instrument binding upon the Company or any of its Subsidiaries or any license, franchise, permit, certificate, approval or other similar authorization affecting, or relating in any way to, the assets or business of the Company and its Subsidiaries or (iv) result in the creation or imposition of any Lien, other than any Permitted Lien, on any asset of the Company or any of its Subsidiaries, with only such exceptions, in the case of each of clauses (ii) through (iv), as would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect or materially interfere with or delay the consummation of the Mergers.

Section 4.05 *Capitalization.* (a) The authorized capital stock of the Company consists of 8,333,333,333 shares of Company Stock and 1,000,000,000 shares of preferred stock, par value \$0.01, of the Company (“**Company Preferred Stock**”). As of May 21, 2015, there were outstanding (A) 282,752,157 shares of Company Stock, (B) Company Stock Options to purchase an aggregate of 2,734,928 shares of Company Stock at a weighted-average exercise price of \$76.38 per share of Company Stock (of which options to purchase an aggregate of 1,261,654 shares of Company Stock were exercisable), (C) Company RSUs with respect to an aggregate of 5,190,285 shares of Company Stock, (D) no shares of Company Preferred Stock and (E) no shares of restricted Company Stock outstanding. All outstanding shares of capital stock of the Company have been, and all shares that may be issued pursuant to any equity compensation plan or arrangement will be, when issued in accordance with the respective terms thereof, duly authorized and validly issued, fully paid and nonassessable and free of preemptive rights. (h) create, incur, assume, suffer to exist or otherwise be liable with respect to any indebtedness for borrowed money or guarantees thereof or issue or sell any debt securities, except for (i) indebtedness under any of the agreements set forth in Section 6.01(h)(i) of the Company Disclosure Schedule, (ii) up to \$2,000,000,000 of indebtedness to refinance on market terms any indebtedness existing on the date hereof that is maturing within twelve months of such refinancing (which amount shall be reduced by any such refinanced indebtedness incurred under the immediately preceding clause (i)), (iii) guarantees by the Company of indebtedness of any wholly owned Company Subsidiary or (iv) any commercial paper issued in the ordinary course of business;

(i) (i) other than in the ordinary course of business, enter into any agreement or arrangement that limits or otherwise restricts in any material respect the Company or any of its Subsidiaries from engaging or competing in any line of business, in any location or with any Person or (ii) enter into any agreement or arrangement that limits or otherwise restricts in any material respect any upstream Affiliates of the Company following consummation of the Mergers from engaging or competing in any line of business, in any location or with any Person;

(j) other than in the ordinary course of business, (i) amend or modify in any material respect or terminate (excluding terminations upon expiration of the term thereof in accordance with the terms thereof) any Company Material Contract or waive, release or assign any material rights, claims or benefits under any Company Material Contract, (ii) enter into any contract or agreement that would have been a Company Material Contract had it been entered into prior to the date of this Agreement or (iii) enter into, amend, modify or terminate any programming service distribution agreement;

(l) except as set forth on Section 7.09 of the Company Disclosure Schedule, grant to any director or officer (as such terms are used for purposes of Section 16 of the 1934 Act) of the Company any increase in change in control, severance, retention or termination pay

(including any obligation to gross-up, indemnify or otherwise reimburse any such individual for any Tax incurred by any such individual, including under Section 409A or 4999 of the Code), other than any increase in a severance benefit arising directly from an increase in annual salary or annual cash bonus opportunity (for the avoidance of doubt, excluding the 2015 Supplemental Bonus Opportunity) to the extent such increase is permitted by this Agreement;

(m) except as set forth on Section 7.09 of the Company Disclosure Schedule, (i) increase the annual salary of any employee of the Company or any of its Subsidiaries who holds the title of Executive Vice President or greater by more than 5% in the aggregate in any fiscal year, except as required by the terms of any existing agreement or (ii) increase the cash bonus opportunity of any employee of the Company or any of its Subsidiaries who holds the title of Executive Vice President or greater;

(n) except as set forth on Section 7.09 of the Company Disclosure Schedule, (i) other than as required by an existing agreement, adopt or amend any cash bonus plan or other variable compensation plan with a performance measurement period of greater than 12 months (excluding any period principally relating to an employee's obligation to be employed on the payment date), (ii) establish or adopt any Title IV Plan, "excess benefit plan", deferred compensation plan, severance or change in control plan or employee benefit plan that provides post-retirement health, medical, life insurance or death benefits to retired, current or former employees, directors or consultants of the Company or any of its Subsidiaries except as required to avoid excise tax under Section 4980B of the Code, unless such establishment or adoption occurs as part of an acquisition of any other company or business that is permitted or consented to under this Agreement, (iii) fail to continue to make all contributions required to be made to any Company Plan that is a Title IV Plan (for the avoidance of doubt, other than a Multiemployer Plan) under ERISA, the Code and Applicable Law or (iv) amend the benefit formula under any Company Plan that is a Title IV Plan (for the avoidance of doubt, other than any Multiemployer Plan) to increase the benefit accrual applicable to any participant or beneficiary thereof under such Company Plan;

(o) change the Company's methods of financial accounting, except as required by concurrent changes in GAAP or in Regulation S-X of the 1934 Act, as agreed to by its independent public accountants;

(p) without limiting Section 8.10, settle, or offer or propose to settle, (A) any litigation, investigation, arbitration, proceeding or other claim involving or against the Company or any of its Subsidiaries or (B) any stockholder litigation or dispute against the Company or any of its officers or directors, except, in each case, where the sum of (x) any amount paid in settlement or compromise plus (y) the financial impact to the Company and its Subsidiaries of any other terms of the settlement or compromise does not exceed \$100,000,000 (after giving effect to any reasonably expected indemnification proceeds);

(q) adopt or publicly propose a plan of complete or partial liquidation or resolutions providing for or authorizing such a liquidation or a dissolution, in each case, of the Company or any Significant Subsidiary of the Company;

(r) knowingly and intentionally take any action that would reasonably be expected to make any representation or warranty of the Company hereunder inaccurate in any material respect at, or immediately prior to, the Effective Time;

(s) take the action set forth on Section 6.01 of the Company Disclosure Schedule (it being understood and agreed that the exceptions contained in the lead-in to this Section 6.01 shall not apply with respect to this Section 6.01(s)); or

(t) agree, resolve or commit to do any of the foregoing.

Section 6.02 *Company Stockholder Meeting*. The Company shall cause a meeting of its stockholders (the “**Company Stockholder Meeting**”) to be duly called and held as soon as reasonably practicable after the date of this Agreement (but in no event later than 40 days after the Registration Statement is declared effective under the 1933 Act) for the purpose of voting on the approval and adoption of this Agreement and the Company Mergers. In connection with the Company Stockholder Meeting, the Board of Directors of the Company shall (i) subject to Section 6.03, (1) recommend approval and adoption of this Agreement and the Company Mergers and the other transactions contemplated hereby by the Company’s stockholders and (2) use its reasonable best efforts to obtain the Company Stockholder Approval and (ii) otherwise comply with all legal requirements applicable to such meeting. Without limiting the generality of the foregoing, unless this Agreement has terminated in accordance with its terms, this Agreement and the Company Mergers shall be submitted to the Company’s stockholders at the Company Stockholder Meeting whether or not (x) the Company’s Board of Directors shall have effected a Company Adverse Recommendation Change or (y) any Company Acquisition Proposal shall have been publicly proposed or announced or otherwise submitted to the Company or any of its advisors. The Company shall not, without the prior written consent of Parent, adjourn or postpone the Company Stockholder Meeting; *provided* that the Company may, without the prior written consent of Parent, adjourn or postpone the Company Stockholder Meeting (A) if, as of the time for which the Company Stockholder Meeting is originally scheduled (as set forth in the Joint Proxy Statement/Prospectus), there are insufficient shares of Company Stock represented (either in person or by proxy) to constitute a quorum necessary to conduct the business of the Company Stockholder Meeting, (B) after consultation with Parent, if the failure to adjourn or postpone the Company Stockholder Meeting would reasonably be expected to be a violation of Applicable Law for the distribution of any required supplement or amendment to the Joint Proxy Statement/Prospectus, (C) after consultation with Parent, for a single period not to exceed ten Business Days, to solicit additional proxies if necessary to obtain the Company Stockholder Approval, or (D) if the Company has delivered to Parent a bona fide notice contemplated by Section 6.03(c), for a maximum of ten Business Days. Parent may require the Company to adjourn, delay or postpone the Company Stockholder Meeting once for a period not to exceed 30 calendar days (but prior to the date that is two Business Days prior to the End Date) to solicit additional proxies necessary to obtain the Company Stockholder Approval. Once the Company has established a record date for the Company Stockholder Meeting, the Company shall not change such record date or establish a different record date for the Company Stockholder Meeting without the prior written consent of Parent (not to be unreasonably withheld, delayed or conditioned), unless required to do so by Applicable Law or the Company’s organizational documents. Without the prior written consent of Parent, the adoption of this Agreement and the transactions contemplated hereby (including the Company Mergers) shall be the only matter (other than matters of proce-

ture and matters required by Applicable Law to be voted on by the Company's stockholders in connection with the approval of this Agreement and the transactions contemplated hereby) that the Company shall propose to be acted on by the stockholders of the Company at the Company Stockholder Meeting.

Section 6.03 *No Solicitation; Other Offers.*

(a) General Prohibitions. Neither the Company nor any of its Subsidiaries shall, nor shall the Company or any of its Subsidiaries authorize or permit any of its or their officers, directors, employees, investment bankers, attorneys, accountants, consultants or other agents or advisors ("**Representatives**") to, directly or indirectly, (i) solicit, initiate or take any action to knowingly facilitate or encourage the submission of any Company Acquisition Proposal, (ii) enter into or participate in any discussions (other than to state that the Company is not permitted to have discussions) or negotiations with any Third Party that is seeking to make, or has made, a Company Acquisition Proposal, (iii) furnish any non-public information relating to the Company or any of its Subsidiaries or afford access to the business, properties, assets, books or records of the Company or any of its Subsidiaries to, otherwise knowingly cooperate in any way with, or knowingly assist, participate in, facilitate or encourage any effort by any Third Party that is seeking to make, or has made, a Company Acquisition Proposal, (iv) make a Company Adverse Recommendation Change, (v) fail to enforce or grant any waiver or release under any standstill or similar agreement with respect to any class of equity securities of the Company or any of its Subsidiaries unless the Board of Directors of the Company determines after consulting with its outside legal counsel that the failure to waive such provision would be inconsistent with its fiduciary duties under Applicable Law; *provided* that the Company shall not enforce and hereby waives any provision of any such agreement that would prohibit a Third Party from communicating confidentially a Company Acquisition Proposal to the Company's Board of Directors, (vi) approve any transaction under, or any Person becoming an "interested stockholder" under, Section 203 of Delaware Law or (vii) enter into any agreement in principle, letter of intent, term sheet, merger agreement, acquisition agreement, option agreement or other similar instrument relating to a Company Acquisition Proposal (other than a confidentiality agreement to the extent contemplated by Section 6.03(b)); *provided* that (so long as the Company and its Representatives have otherwise complied in all material respects with this Section 6.03) none of the foregoing shall prohibit the Company and its Representatives from, at any time prior to the Company Stockholder Approval, participating in discussions with any Persons or group of Persons who has made a Company Acquisition Proposal after the date of this Agreement solely to request the clarification of the terms and conditions thereof so as to determine whether the Company Acquisition Proposal is, or could reasonably be expected to lead to, a Company Superior Proposal, and any such actions shall not be a breach of this Section 6.03(a). It is agreed that any violation of the restrictions on the Company set forth in this Section 6.03 by any Representative of the Company or any of its Subsidiaries shall be a breach of this Section 6.03 by the Company.

(b) Recommendation Exceptions. Notwithstanding Section 6.03(a), but subject to Section 6.03(c) and Section 6.03(d), at any time prior to the Company Stockholder Approval:

(i) the Company, directly or indirectly through advisors, agents or other intermediaries, may (A) engage in negotiations or discussions with any Third Party

that, subject to the Company's compliance with Section 6.03(a), has made after the date of this Agreement a Company Superior Proposal or a Company Acquisition Proposal that the Board of Directors of the Company determines in good faith, after consultation with its outside legal advisors, could reasonably be expected to lead to a Company Superior Proposal by the Third Party making such Company Acquisition Proposal, (B) furnish to such Third Party and its advisors, agents or other intermediaries (including financing sources) non-public information relating to the Company or any of its Subsidiaries pursuant to a customary confidentiality agreement (a copy of which shall be provided for informational purposes only to Parent) with such Third Party with terms no less favorable to the Company than those contained in the confidentiality agreement, dated May 23, 2015, between the Company and Parent (the "**Confidentiality Agreement**") (it being understood and hereby agreed that such confidentiality agreement need not contain a "standstill" or similar provision that prohibits such Third Party from making any Company Acquisition Proposal, acquiring the Company or taking any other action); *provided* that all such information (to the extent that such information has not been previously provided or made available to Parent) is provided or made available to Parent, as the case may be, prior to or as promptly as practicable (but no later than 24 hours) after the time it is provided or made available to such Third Party and (C) take any action required by Applicable Law or that any court of competent jurisdiction orders the Company to take;

(ii) following receipt of a Company Superior Proposal, the Board of Directors of the Company may, subject to compliance with Section 6.03(d), make a Company Adverse Recommendation Change; and

(iii) following a Company Intervening Event, the Board of Directors of the Company may, subject to compliance with Section 6.03(d), make a Company Adverse Recommendation Change involving or relating to such Company Intervening Event;

in each case referred to in the foregoing clauses (i), (ii) and (iii) only if the Board of Directors of the Company determines in good faith, after considering advice from outside legal counsel, that the failure to take such action would be inconsistent with its fiduciary duties under Applicable Law. For purposes of clarification, the taking of any of the actions permitted by Section 6.03(a) and Section 6.03(b)(i) shall not be deemed to be a Company Adverse Recommendation Change.

In addition, nothing contained herein shall prevent the Company or its Board of Directors from (i) complying with Rule 14a-9, Rule 14d-9 or Rule 14e-2(a) and Item 1012(a) of Regulation M-A under the 1934 Act (or making any similar communication to stockholders in connection with any amendment to the terms of a tender offer or exchange offer) so long as any action taken or statement made to so comply is consistent with this Section 6.03 or (ii) disclosing factual information regarding the business, financial condition or results of operations of Parent or the Company or the fact that a Company Acquisition Proposal has been made, the identity of the party making such proposal or the material terms of such proposal in the Joint Proxy Statement/Prospectus or otherwise, to the extent the Company in good faith determines that such information, facts, identity or terms is required to be disclosed under Applicable Law or that failure to make such disclosure would be inconsistent with its fiduciary duties under Applicable Law; *provided* that any such action taken or statement or disclosure made that relates to a Com-

pany Acquisition Proposal shall be deemed to be a Company Adverse Recommendation Change unless the Board of Directors of the Company reaffirms the Company Board Recommendation in such statement or disclosure or in connection with such action (except that a mere “stop, look and listen” disclosure in compliance with Rule 14d-9(f) of the 1934 Act or failure to take a position with respect to a Company Acquisition Proposal governed by the tender offer or exchange offer rules under the 1934 Act until the tenth Business Day after commencement of such Company Acquisition Proposal shall not constitute a Company Adverse Recommendation Change).

(c) Required Notices. The Board of Directors of the Company shall not take any of the actions referred to in Section 6.03(b) unless the Company shall have delivered to Parent a prior written notice advising Parent that it intends to take such action, and, after taking such action, the Company shall, if such action is in connection with a Company Acquisition Proposal, continue to advise Parent on a current basis of the status and terms of any discussions and negotiations with the Third Party. In addition, the Company shall notify Parent promptly (but in no event later than 24 hours) after receipt by the Company (or any of its Representatives) of any Company Acquisition Proposal, any written indication from a Third Party that such Third Party is considering making a Company Acquisition Proposal or any written request for information relating to the Company or any of its Subsidiaries or for access to the business, properties, assets, books or records of the Company or any of its Subsidiaries by any Third Party that has indicated that it is considering making, or has made, a Company Acquisition Proposal. The Company shall within 24 hours of receipt thereof provide such notice orally and in writing and shall identify the Third Party making, and the material terms and conditions of, any such Company Acquisition Proposal, indication or request, and shall promptly (but in no event later than 24 hours after receipt) provide to Parent copies of all material correspondence and written materials sent or provided to the Company or any of its Subsidiaries that describes any terms or conditions of any Company Acquisition Proposal. The Company shall keep Parent reasonably informed, on a reasonably current basis, of the status and details of any such Company Acquisition Proposal, indication or request. Any material amendment to any Company Acquisition Proposal will be deemed to be a new Company Acquisition Proposal for purposes of the Company’s compliance with this Section 6.03(c).

(d) “Last Look”. The Board of Directors of the Company shall not make a Company Adverse Recommendation Change in response to a Company Acquisition Proposal unless (i) such Company Acquisition Proposal constitutes a Company Superior Proposal, (ii) the Company promptly notifies Parent, in writing at least five Business Days before taking that action, of its intention to do so, attaching the most current version of the proposed agreement under which such Company Superior Proposal is proposed to be consummated and the identity of the Third Party making the Company Acquisition Proposal, and (iii) Parent does not make, within such five-Business-Day period after its receipt of that written notification, an offer that is at least as favorable to the stockholders of the Company as such Company Superior Proposal (it being understood and agreed that any amendment to the financial terms or other material terms of such Company Superior Proposal shall require a new written notification from the Company and a new period under clause (ii) of this Section 6.03(d), except that such period shall be three Business Days instead of five Business Days). The Board of Directors of the Company shall not make a Company Adverse Recommendation Change in response to a Company Intervening Event, unless (A) the Company has provided Parent with written information describing such Company Intervening Event in reasonable detail promptly after becoming aware of it and keeps

Parent fully informed, on a reasonably current basis, of material developments with respect to such Company Intervening Event, (B) the Company has provided Parent at least five Business Days prior notice of its intention to make a Company Adverse Recommendation Change with respect to such Company Intervening Event, attaching a reasonably detailed explanation of the facts underlying the determination by the Board of Directors of the Company that a Company Intervening Event has occurred and its need to make a Company Adverse Recommendation Change in light of the Company Intervening Event and (C) Parent does not make, within such five-Business-Day period, an offer that the Company's Board of Directors determines would obviate the need for a Company Adverse Recommendation Change in light of the Company Intervening Event. During any five-Business-Day period prior to effecting a Company Adverse Recommendation Change pursuant to this Section 6.03(d), the Company and its Representatives shall negotiate in good faith with Parent and its Representatives regarding any revisions to the terms of the transactions contemplated by this Agreement proposed by Parent.

(e) Definition of Company Superior Proposal. For purposes of this Agreement, "**Company Superior Proposal**" means a bona fide, unsolicited written Company Acquisition Proposal for at least a majority of the outstanding shares of Company Stock or all or substantially all of the consolidated assets of the Company and its Subsidiaries that the Board of Directors of the Company determines in good faith, after consultation with a financial advisor of nationally recognized reputation and outside legal counsel and taking into account all material financial, legal, regulatory and other aspects of such proposal, including the terms and conditions of the Company Acquisition Proposal, (x) is on terms and conditions more favorable to the Company's stockholders than the transactions contemplated hereby (taking into account any proposal by Parent to amend the terms of this Agreement pursuant to Section 6.03(d)) and (y) is reasonably likely to be consummated and, if a cash transaction (whether in whole or in part), has financing, if any, that is then fully committed or reasonably determined to be available by the Board of Directors of the Company.

(f) Obligation to Terminate Existing Discussions. The Company shall, and shall cause its Subsidiaries and its and their Representatives to, cease immediately and cause to be terminated any and all existing activities, discussions or negotiations, if any, with any Third Party and its Representatives and its financing sources conducted prior to the date hereof with respect to any Company Acquisition Proposal. The Company shall promptly request that each Third Party, if any, that has executed a confidentiality agreement within the 24-month period prior to the date hereof in connection with its consideration of any Company Acquisition Proposal return or destroy all confidential information heretofore furnished to such Person by or on behalf of the Company or any of its Subsidiaries (and all analyses and other materials prepared by or on behalf of such Person that contains, reflects or analyzes that information), and the Company shall provide to Parent all certifications of such return or destruction from such other Persons as promptly as practicable after receipt thereof. The Company shall use its commercially reasonable efforts to secure all such certifications as promptly as practicable. If any such Person fails to provide any required certification within the time period allotted in the relevant confidentiality agreement (or if no such period is specified, then within a reasonable time period after the date hereof), then the Company shall take all actions that may be reasonably necessary to secure its rights and ensure the performance of such other party's obligations thereunder as promptly as practicable.

Section 6.04 *Tax Matters.* (a) From the date hereof until the Second Company Merger Effective Time, except as consented to in writing by Parent (such consent not to be unreasonably withheld, conditioned or delayed), neither the Company nor any of its Subsidiaries shall make or change any material Tax election, change any annual tax accounting period, adopt or change any method of tax accounting, file any material amended Tax Returns or claims for material Tax refunds, enter into any material closing agreement, surrender any material Tax claim, audit or assessment, surrender any right to claim a material Tax refund, offset or other reduction in Tax liability, consent to any extension or waiver of the limitations period applicable to any Tax claim or assessment or take or omit to take any other action with respect to Taxes, in each case, if any such action or omission would have the effect of materially increasing the Tax liability or accrual of Tax liability under FASB Interpretation No. 48 or materially reducing any Tax asset or accrual of Tax asset under FASB Interpretation No. 48 of the Company or any of its Subsidiaries.

(b) The Company and each of its Subsidiaries shall establish or cause to be established in accordance with GAAP on or before the Second Company Merger Effective Time an adequate accrual for all Taxes due with respect to any period or portion thereof ending prior to or as of the Second Company Merger Effective Time.

(c) All transfer, documentary, sales, use, stamp, registration, value added and other such Taxes and fees (including any penalties and interest) incurred by the Company or any of its Subsidiaries in connection with the Mergers (including any real property transfer tax and any similar Tax) shall be paid by the Company (or the applicable Subsidiary) when due, and the Company (or the applicable Subsidiary) shall, at its own expense, file all necessary Tax returns and other documentation with respect to all such Taxes and fees, and, if required by Applicable Law, the Company (or the applicable Subsidiary) shall, and shall cause its Affiliates to, join in the execution of any such Tax returns and other documentation.

Section 6.05 *Voting of Shares.* The Company shall vote all shares of Parent Class A Common Stock beneficially owned by it or any of its Subsidiaries (other than, for the avoidance of doubt, any such shares held by any employee benefit plan of the Company or any of its Subsidiaries or any trustee or other fiduciary in such capacity under any employee benefit plan) in favor of the Parent Merger, the New Charter Stock Issuance, the Equity Exchange, the Equity Purchase, the Stockholders Agreement (as defined in the Amended Contribution Agreement) and any related matters (including any matters subject to the Cheetah Stockholder Approval (as defined in the Amended Contribution Agreement)) at the Parent Stockholder Meeting or any other meeting of Parent stockholders.

Section 6.06 *Bright House Right of First Offer.* The Company and Time Warner Cable Enterprises LLC (on behalf of themselves and their Affiliates and any successors in interest) hereby irrevocably and unconditionally waive all of their respective rights under Section 8.3 of the Third Amended and Restated Partnership Agreement of Time Warner Entertainment-Advance / Newhouse Partnership, dated as of December 31, 2002 (the “**Bright House Partnership Agreement**”), with respect to the combination of Bright House Networks, LLC and New Charter, irrespective of any termination of this Agreement; provided that the foregoing waiver shall not be applicable following the termination of this Agreement in accordance with its terms so long as the Company or any of its Affiliates has not entered into any agreement or un-

derstanding providing for, or consummated, any Company Acquisition Proposal within nine (9) months following the termination of this Agreement. In the event that the foregoing waiver is not applicable, this Section 6.06 shall be without prejudice to any Party's (or any of their Affiliates') interpretations of or positions with respect to the matters contemplated by Section 8.3 of the Bright House Partnership Agreement. For purposes of this Section 6.06, the term "Company Acquisition Proposal" shall have the meaning assigned to such term in Section 1.01, except that all references to "25%" therein shall be deemed to be references to "50%".

## **ARTICLE 7**

### **Covenants of Parent**

Parent agrees that:

Section 7.01 *Conduct of Parent*. From the date hereof until the Effective Time except as expressly contemplated by this Agreement or the Contribution Agreement or the Investment Agreement, to effect the Equity Exchange, the Equity Issuance, the Bright House Transactions, or as set forth in Section 7.01 of the Parent Disclosure Schedule, as consented to in writing by the Company (such consent not to be unreasonably withheld, conditioned or delayed) or as required by Applicable Law, Parent shall, and shall cause each of its Subsidiaries to, conduct its business in all material respects in the ordinary course consistent with past practice and use its commercially reasonable efforts to (i) preserve intact its business organization, (ii) maintain in effect all of its material foreign, federal, state and local licenses, permits, consents, franchises, approvals and authorizations, and (iii) maintain its existing relationships with its material customers, lenders, suppliers and others having material business relationships with it and with Governmental Authorities with jurisdiction over Parent's operations. Without limiting the generality of the foregoing, from the date hereof until the Effective Time, except as expressly contemplated by this Agreement, as set forth in Section 7.01 of the Parent Disclosure Schedule, as consented to in writing by the Company or as required by Applicable Law, from the date hereof until the Effective Time Parent shall not, nor shall it permit any of its Subsidiaries to:

- (a) amend its certificate of incorporation, bylaws or other similar organizational documents (whether by merger, consolidation or otherwise);
- (b) split, combine or reclassify any shares of capital stock of Parent or any of its Subsidiaries or declare, set aside or pay any dividend or other distribution (whether in cash, stock, rights to acquire stock or property or any combination thereof) in respect of the capital stock of Parent or its Subsidiaries, or redeem, repurchase or otherwise acquire or offer to redeem, repurchase, or otherwise acquire any Parent Securities or Parent Subsidiary Securities, except for (i) dividends by any of its wholly owned Subsidiaries, (ii) redemptions, repurchases or other acquisitions or offers to redeem, repurchase, or otherwise acquire any Parent Securities in connection with the vesting or settlement of equity-based compensation, and (iii) repurchases of shares of Parent Class A Common Stock in the ordinary course of business consistent with past practices (including as to volume) at then prevailing market prices pursuant to Parent's share repurchase program as in effect from time to time;
- (c) issue, deliver or sell, or authorize the issuance, delivery or sale of, any shares of any Parent Securities or Parent Subsidiary Securities for gross consideration (without

taking into account any underwriting discount or similar discounts or fees) for less than the market value of such securities, other than (A) equity-based compensation or (B) pursuant to the Stockholders Agreement (as defined in the Amended Contribution Agreement);

(d) adopt or publicly propose a plan of complete or partial liquidation or resolutions providing for or authorizing such a liquidation or a dissolution, restructuring, recapitalization or reorganization;

(e) knowingly and intentionally take any action that would reasonably be expected to make any representation or warranty of Parent hereunder inaccurate in any material respect at, or immediately prior to, the Effective Time; or

(f) agree, resolve or commit to do any of the foregoing.

*Section 7.02 Obligations of New Charter, Merger Subsidiary One, Merger Subsidiary Two and Merger Subsidiary Three.* Parent shall take all action necessary to cause each of Merger Subsidiary One, Merger Subsidiary Two, Merger Subsidiary Three and New Charter to perform its obligations under this Agreement and to consummate the applicable Merger on the terms and conditions set forth in this Agreement.

*Section 7.03 Parent Stockholder Meeting.* Parent shall cause a meeting of its shareholders (the “**Parent Stockholder Meeting**”) to be duly called and held as soon as reasonably practicable after the date of this Agreement (but in no event later than 40 days after the Registration Statement is declared effective under the 1933 Act) for the purpose of voting on the approval and adoption of this Agreement and the Parent Merger and the approval of the issuance of shares of New Charter Common Stock as part of the Merger Consideration (the “**New Charter Stock Issuance**”) and, unless otherwise previously approved, the other transactions contemplated hereby and Subscription and Exchange Agreement, including the Equity Exchange, the Equity Purchase and the Stockholders Agreement (as defined in the Amended Contribution Agreement). In connection with the Parent Stockholder Meeting, the Board of Directors of Parent shall (i) subject to Section 7.04, (1) recommend approval and adoption of this Agreement and the Parent Merger and the approval of the New Charter Stock Issuance and, unless otherwise previously approved, the other transactions contemplated hereby and the Subscription and Exchange Agreement (including the Equity Exchange and the Equity Purchase) by Parent’s stockholders and (2) use its reasonable best efforts to obtain the Parent Stockholder Approval and (ii) otherwise comply with all legal requirements applicable to such meeting. Without limiting the generality of the foregoing, unless this Agreement has terminated in accordance with its terms, this Agreement, the Parent Merger and the New Charter Stock Issuance and, unless previously approved, the Equity Exchange and the Equity Purchase, shall be submitted to the Parent’s stockholders at the Parent Stockholder Meeting whether or not (x) Parent’s Board of Directors shall have effected a Parent Adverse Recommendation Change or (y) any Parent Acquisition Proposal shall have been publicly proposed or announced or otherwise submitted to Parent or any of its advisors. Parent shall not, without the prior written consent of the Company, adjourn or postpone the Parent Stockholder Meeting; *provided* that Parent may, without the prior written consent of the Company adjourn or postpone the Parent Stockholder Meeting (A) if, as of the time for which the Parent Stockholder Meeting is originally scheduled (as set forth in the Joint Proxy Statement/Prospectus), there are insufficient shares of Parent Class A Common Stock represent-

ed (either in person or by proxy) to constitute a quorum necessary to conduct the business of the Parent Stockholder Meeting, (B) after consultation with the Company, if the failure to adjourn or postpone the Parent Stockholder Meeting would reasonably be expected to be a violation of Applicable Law for the distribution of any required supplement or amendment to the Joint Proxy Statement/Prospectus, (C) after consultation with the Company, for a single period not to exceed ten (10) Business Days, to solicit additional proxies if necessary to obtain the Parent Stockholder Approval or the Cheetah Stockholder Approval (as defined in the Amended Contribution Agreement), or (D) if Parent has delivered to the Company a bona fide notice contemplated by Section 7.04(b), for a maximum of ten Business Days. The Company may require Parent to adjourn, delay or postpone the Parent Stockholder Meeting once for a period not to exceed 30 calendar days (but prior to the date that is two Business Days prior to the End Date) to solicit additional proxies necessary to obtain the Parent Stockholder Approval. Once Parent has established a record date for the Company Stockholder Meeting, Parent shall not change such record date or establish a different record date for the Parent Stockholder Meeting without the prior written consent of the Company (not to be unreasonably withheld, delayed or conditioned), unless required to do so by Applicable Law or Parent's organizational documents.

Section 7.04 *No Solicitation; Other Offers.*

(a) *General Prohibitions.* Neither Parent nor any of its Subsidiaries shall, nor shall Parent or any of its Subsidiaries authorize or permit any of its or their Representatives to, directly or indirectly, (i) solicit, initiate or take any action to knowingly facilitate or encourage the submission of any Parent Acquisition Proposal, (ii) enter into or participate in any discussions (other than to state that Parent is not permitted to have discussions) or negotiations with any Third Party that is seeking to make, or has made, a Parent Acquisition Proposal, (iii) furnish any non-public information relating to the Parent or any of its Subsidiaries or afford access to the business, properties, assets, books or records of Parent or any of its Subsidiaries to, otherwise knowingly cooperate in any way with, or knowingly assist, participate in, facilitate or encourage any effort by any Third Party that is seeking to make, or has made, a Parent Acquisition Proposal, (iv) make a Parent Adverse Recommendation Change, (v) fail to enforce or grant any waiver or release under any standstill or similar agreement with respect to any class of equity securities of Parent or any of its Subsidiaries unless the Board of Directors of Parent determines after consulting with its outside legal counsel that the failure to waive such provision would be inconsistent with its fiduciary duties under Applicable Law; provided that Parent shall not enforce and hereby waives any provision of any such agreement that would prohibit a Third Party from communicating confidentially a Parent Acquisition Proposal to the Parent's Board of Directors, (vi) approve any transaction under, or any Person becoming an "interested stockholder" under, Section 203 of Delaware Law or (vii) enter into any agreement in principle, letter of intent, term sheet, merger agreement, acquisition agreement, option agreement or other similar instrument relating to a Parent Acquisition Proposal (other than a confidentiality agreement to the extent contemplated by Section 7.04(b)); *provided* that (so long as Parent and its Representatives have otherwise complied in all material respects with this Section 7.04) none of the foregoing shall prohibit Parent and its Representatives from, at any time prior to the Parent Stockholder Approval, participating in discussions with any Persons or group of Persons who has made a Parent Acquisition Proposal after the date of this Agreement solely to request the clarification of the terms and conditions thereof so as to determine whether the Parent Acquisition Proposal is, or could reasonably be expected to lead to, a Parent Superior Proposal, and any

such actions shall not be a breach of this Section 7.04(a). It is agreed that any violation of the restrictions on Parent set forth in this Section 7.04 by any Representative of Parent or any of its Subsidiaries shall be a breach of this Section 7.04 by Parent.

(b) *Recommendation Exceptions.* Notwithstanding Section 7.04(a), but subject to Section 7.04(c) and Section 7.04(d), at any time prior to the Parent Stockholder Approval:

(i) Parent, directly or indirectly through advisors, agents or other intermediaries, may (A) engage in negotiations or discussions with any Third Party that, subject to Parent's compliance with Section 7.04(a), has made after the date of this Agreement a Parent Superior Proposal or a Parent Acquisition Proposal that the Board of Directors of Parent determines in good faith, after consultation with its outside legal advisors, could reasonably be expected to lead to a Parent Superior Proposal by the Third Party making such Parent Acquisition Proposal, (B) furnish to such Third Party and its advisors, agents or other intermediaries (including financing sources) non-public information relating to Parent or any of its Subsidiaries pursuant to a customary confidentiality agreement (a copy of which shall be provided for informational purposes only to the Company) with such Third Party with terms no less favorable to Parent than those contained in the Confidentiality Agreement (it being understood and hereby agreed that such confidentiality agreement need not contain a "standstill" or similar provision that prohibits such Third Party from making any Parent Acquisition Proposal, acquiring Parent or taking any other action); *provided* that all such information (to the extent that such information has not been previously provided or made available to the Company) is provided or made available to the Company, as the case may be, prior to or as promptly as practicable (but no later than 24 hours) after the time it is provided or made available to such Third Party) and (C) take any action required by Applicable Law or that any court of competent jurisdiction orders Parent to take;

(ii) following receipt of a Parent Superior Proposal, the Board of Directors of Parent may, subject to compliance with Section 7.04(d), make a Parent Adverse Recommendation Change; and

(iii) following a Parent Intervening Event, the Board of Directors of Parent may, subject to compliance with Section 7.04(d), make a Parent Adverse Recommendation Change involving or relating to such Parent Intervening Event;

in each case referred to in the foregoing clauses (i), (ii) and (iii) only if the Board of Directors of Parent determines in good faith, after considering advice from outside legal counsel, that the failure to take such action would be inconsistent with its fiduciary duties under Applicable Law. For purposes of clarification, the taking of any of the actions permitted by Section 7.04(a) and Section 7.04(b)(i) shall not be deemed to be a Parent Adverse Recommendation Change.

In addition, nothing contained herein shall prevent Parent or its Board of Directors from (i) complying with Rule 14a-9, Rule 14d-9 or Rule 14e-2(a) and Item 1012(a) of Regulation M-A under the 1934 Act (or making any similar communication to stockholders in connection with any amendment to the terms of a tender offer or exchange offer) so long as any action taken or

statement made to so comply is consistent with this Section 7.04 or (ii) disclosing factual information regarding the business, financial condition or results of operations of Parent or the Company or the fact that a Parent Acquisition Proposal has been made, the identity of the party making such proposal or the material terms of such proposal in the Joint Proxy Statement/Prospectus or otherwise, to the extent Parent in good faith determines that such information, facts, identity or terms is required to be disclosed under Applicable Law or that failure to make such disclosure would be inconsistent with its fiduciary duties under Applicable Law; *provided* that any such action taken or statement or disclosure made that relates to a Parent Acquisition Proposal shall be deemed to be a Parent Adverse Recommendation Change unless the Board of Directors of Parent reaffirms the Parent Board Recommendation in such statement or disclosure or in connection with such action (except that a mere “stop, look and listen” disclosure in compliance with Rule 14d-9(f) of the 1934 Act or failure to take a position with respect to a Parent Acquisition Proposal governed by the tender offer or exchange offer rules under the 1934 Act until the tenth Business Day after commencement of such Parent Acquisition Proposal shall not constitute a Parent Adverse Recommendation Change).

(c) Required Notices. The Board of Directors of Parent shall not take any of the actions referred to in Section 7.04(b) unless Parent shall have delivered to the Company a prior written notice advising the Company that it intends to take such action, and, after taking such action, Parent shall, if such action is in connection with a Parent Acquisition Proposal, continue to advise the Company on a current basis of the status and terms of any discussions and negotiations with the Third Party. In addition, Parent shall notify the Company promptly (but in no event later than 24 hours) after receipt by Parent (or any of its Representatives) of any Parent Acquisition Proposal, any written indication from a Third Party that such Third Party is considering making a Parent Acquisition Proposal or any written request for information relating to Parent or any of its Subsidiaries or for access to the business, properties, assets, books or records of Parent or any of its Subsidiaries by any Third Party that has indicated that it is considering making, or has made, a Parent Acquisition Proposal. Parent shall within 24 hours of receipt thereof provide such notice orally and in writing and shall identify the Third Party making, and the material terms and conditions of, any such Parent Acquisition Proposal, indication or request, and shall promptly (but in no event later than 24 hours after receipt) provide to the Company copies of all material correspondence and written materials sent or provided to Parent or any of its Subsidiaries that describes any terms or conditions of any Parent Acquisition Proposal. Parent shall keep the Company reasonably informed, on a reasonably current basis, of the status and details of any such Parent Acquisition Proposal, indication or request. Any material amendment to any Parent Acquisition Proposal will be deemed to be a new Parent Acquisition Proposal for purposes of Parent’s compliance with this Section 7.04(c).

(d) “Last Look”. The Board of Directors of Parent shall not make a Parent Adverse Recommendation Change in response to a Parent Acquisition Proposal unless (i) such Parent Acquisition Proposal constitutes a Parent Superior Proposal, (ii) Parent promptly notifies the Company, in writing at least five Business Days before taking that action, of its intention to do so, attaching the most current version of the proposed agreement under which such Parent Superior Proposal is proposed to be consummated and the identity of the Third Party making the Parent Acquisition Proposal, and (iii) the Company does not make, within such five-Business-Day period after its receipt of that written notification, an offer to revise the terms of this Agreement that is at least as favorable to the stockholders of Parent as such Parent Superior

Proposal (it being understood and agreed that any amendment to the financial terms or other material terms of such Parent Superior Proposal shall require a new written notification from Parent and a new period under clause (ii) of this Section 7.04(d), except that such period shall be three Business Days instead of five Business Days). The Board of Directors of Parent shall not make a Parent Adverse Recommendation Change in response to a Parent Intervening Event, unless (A) Parent has provided the Company with written information describing such Parent Intervening Event in reasonable detail promptly after becoming aware of it and keeps the Company fully informed, on a reasonably current basis, of material developments with respect to such Parent Intervening Event, (B) Parent has provided the Company at least five Business Days prior notice of its intention to make a Parent Adverse Recommendation Change with respect to such Parent Intervening Event, attaching a reasonably detailed explanation of the facts underlying the determination by the Board of Directors of Parent that a Parent Intervening Event has occurred and its need to make a Parent Adverse Recommendation Change in light of the Parent Intervening Event and (C) the Company does not make, within such five-Business-Day period, an offer to revise the terms of this Agreement that Parent's Board of Directors determines would obviate the need for a Parent Adverse Recommendation Change in light of the Parent Intervening Event. During any five-Business-Day period prior to effecting a Parent Adverse Recommendation Change pursuant to this Section 7.04(d), Parent and its Representatives shall negotiate in good faith with the Company and its Representatives regarding any revisions to the terms of the transactions contemplated by this Agreement proposed by the Company.

(e) Definition of Parent Superior Proposal. For purposes of this Agreement, “**Parent Superior Proposal**” means a bona fide, unsolicited written Parent Acquisition Proposal for at least a majority of the outstanding shares of Parent Class A Common Stock or all or substantially all of the consolidated assets of Parent and its Subsidiaries that the Board of Directors of Parent determines in good faith, after consultation with a financial advisor of nationally recognized reputation and outside legal counsel and taking into account all material financial, legal, regulatory and other aspects of such proposal, including the terms and conditions of the Parent Acquisition Proposal, (x) is on terms and conditions more favorable to Parent's stockholders than the transactions contemplated hereby (taking into account any proposal by the Company to amend the terms of this Agreement pursuant to Section 7.04(d)) and (y) is reasonably likely to be consummated and, if a cash transaction (whether in whole or in part), has financing, if any, that is then fully committed or reasonably determined to be available by the Board of Directors of Parent.

(f) Obligation to Terminate Existing Discussions. Parent shall, and shall cause its Subsidiaries and its and their Representatives to, cease immediately and cause to be terminated any and all existing activities, discussions or negotiations, if any, with any Third Party and its Representatives and its financing sources conducted prior to the date hereof with respect to any Parent Acquisition Proposal. Parent shall promptly request that each Third Party, if any, that has executed a confidentiality agreement within the 24-month period prior to the date hereof in connection with its consideration of any Parent Acquisition Proposal return or destroy all confidential information heretofore furnished to such Person by or on behalf of Parent or any of its Subsidiaries (and all analyses and other materials prepared by or on behalf of such Person that contains, reflects or analyzes that information), and Parent shall provide to the Company all certifications of such return or destruction from such other Persons as promptly as practicable after receipt thereof. Parent shall use its commercially reasonable efforts to secure

all such certifications as promptly as practicable. If any such Person fails to provide any required certification within the time period allotted in the relevant confidentiality agreement (or if no such period is specified, then within a reasonable time period after the date hereof), then Parent shall take all actions that may be reasonably necessary to secure its rights and ensure the performance of such other party's obligations thereunder as promptly as practicable.

(g) Notwithstanding anything to the contrary in this Agreement, the transactions contemplated by the Subscription and Exchange Agreement or the Bright House Transactions shall not be deemed to be a Parent Acquisition Proposal or otherwise be subject to the provisions of this Section 7.04.

*Section 7.05 Approval by Sole Members of New Charter, Merger Subsidiary Two and Merger Subsidiary Three.* Immediately following the execution and delivery of this Agreement by the parties hereto, Parent shall cause the sole members of New Charter, Merger Subsidiary Two and Merger Subsidiary Three to adopt this Agreement and approve the Mergers, in accordance with Delaware Law, by written consent.

*Section 7.06 Voting of Shares.* Parent shall vote all shares of Company Stock beneficially owned by it or any of its Subsidiaries (other than, for the avoidance of doubt, any such shares held by any employee benefit plan of Parent or any of its Subsidiaries or any trustee or other fiduciary in such capacity under any employee benefit plan) in favor of adoption of this Agreement at the Company Stockholder Meeting.

*Section 7.07 Director and Officer Indemnification.* (a) From and after the Effective Time, New Charter shall indemnify and hold harmless and provide advancement of expenses to, the present (as of the date hereof or any time prior to the Effective Time) and former officers and directors of the Company and Parent, respectively, and their respective Subsidiaries and any individual who is as of the date of this Agreement or commences, prior to the Effective Time, serving at the request of the Company or Parent, respectively, or any of their respective Subsidiaries as a director or officer of another Person (each, an "**Indemnified Person**") in respect of (i) acts or omissions occurring at or prior to the Effective Time, (ii) the fact that such Indemnified Person is or was a director or officer, or is or was serving at the request of the Company or Parent (as applicable) or any of their respective Subsidiaries as a director or officer of another Person prior to the Effective Time and (iii) this Agreement and the transactions contemplated hereby, in each case, to the fullest extent permitted by Delaware Law or any other Applicable Law or provided under the Company's or Parent's (as applicable) or their respective Subsidiaries' certificate of incorporation and bylaws or comparable organizational documents in effect on the date hereof; *provided* that such indemnification and advancement of expenses shall be subject to any limitation imposed from time to time under Applicable Law; provided, further, that any Person to whom expenses are advanced shall provide an undertaking to repay such advances to the extent required by Applicable Law.

(b) From and after the Effective Time, New Charter shall cause to be maintained in effect provisions in its and each of its Subsidiaries' certificate of incorporation and bylaws and comparable organizational documents (or in such documents of any successor to the business of each of the parties hereto, as applicable) regarding elimination of liability of directors, indemnification of officers, directors and employees and advancement of expenses with re-

spect to matters existing or occurring at or prior to the Effective Time that are no less advantageous to the intended beneficiaries than the corresponding provisions in existence on the date of this Agreement in the Company's, Parent's and such Subsidiaries' certificate of incorporation and bylaws and comparable organization documents, as applicable.

(c) New Charter shall either (i) continue to maintain in effect for six years after the Effective Time the Company's and Parent's (as applicable) directors' and officers' insurance policies and fiduciary liability insurance policies (collectively, "**D&O Insurance**") in place as of the date hereof or (ii) purchase comparable D&O Insurance for such six-year period, in each case with respect to any claim related to any period of time at or prior to the Effective Time with coverage not less than the existing coverage and other terms, conditions, retentions and limits of liability that are at least as favorable as those contained in the D&O Insurance in effect as of the date hereof; *provided* that in no event shall New Charter be required to expend for such policies pursuant to this sentence an aggregate premium amount in excess of 300% of the amount per annum the Company or Parent (as applicable) paid in its last full fiscal year, which amount is set forth in Section 7.07(c) of the Company Disclosure Schedule with respect to the Company and Section 7.07 of the Parent Disclosure Schedule with respect to Parent; and *provided, further*, that if the aggregate premiums of such insurance coverage exceed such amount, New Charter shall be obligated to obtain a policy with the greatest coverage available, with respect to matters occurring prior to the Effective Time, for a cost not exceeding such amount. At the Company's option, the Company may purchase, prior to the Effective Time, a six-year prepaid "tail policy" with coverage not less than the existing coverage and other terms, conditions, retentions and limits of liability that are at least as favorable as those contained in the D&O Insurance in effect as of the date hereof, in which event New Charter shall cease to have any obligations under the first sentence of this Section 7.07(c); *provided* that the aggregate premium for such policies shall not exceed 300% of the amount per annum the Company paid in its last full fiscal year. In the event the Company elects to purchase such a "tail policy," New Charter shall maintain such "tail policy" in full force and effect and continue to honor their respective obligations thereunder.

(d) If New Charter or any of its successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving entity of such consolidation or merger, or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, New Charter shall cause proper provision to be made so that the successors and assigns of New Charter shall assume the applicable obligations of such party set forth in this Section 7.07.

(e) The rights of each Indemnified Person under this Section 7.07 shall be in addition to any rights such Person may have under the certificate of incorporation or bylaws of the Company, Parent or any of their respective Subsidiaries, or under Delaware Law or any other Applicable Law or under any agreement of any Indemnified Person with the Company, Parent or any of their respective Subsidiaries. These rights shall survive consummation of the Company Mergers and the Parent Merger and are intended to benefit, and shall be enforceable by, each Indemnified Person.

Section 7.08 *Stock Exchange Listing*. Parent shall use its reasonable best efforts to cause the shares of New Charter Common Stock to be issued as part of the Merger Consideration to be listed on NASDAQ, subject to official notice of issuance.

Section 7.09 *Employee Matters* (a) New Charter shall provide, or shall cause to be provided, to each employee of the Company and its Subsidiaries who continues to be employed by New Charter or its Subsidiaries (including, for the avoidance of doubt the New Charter and its Subsidiaries) immediately following the Effective Time (each, a “**Continuing Employee**”), other than any Continuing Employee included in a collective bargaining unit during the Continuation Period (each, a “**Represented Employee**”), with, to the extent employed by New Charter or its Subsidiaries, (i) during the period beginning at the Effective Time and ending on the first anniversary of the Effective Time (the “**Continuation Period**”), base pay and annual cash bonus opportunities, as applicable, that are no less favorable in the aggregate than provided to each such Continuing Employee immediately prior to the Closing Date, (ii) during the Continuation Period, commission and cash incentive opportunities that are no less favorable than either those provided to each such Continuing Employee immediately prior to the Closing Date or those provided to similarly situated employees of New Charter or its Subsidiaries following the Closing Date, and (iii) until December 31, 2016, employee benefits that are no less favorable in the aggregate than provided to each such Continuing Employee immediately prior to the Closing Date; *provided*, that, for purposes of determining whether such pay, opportunities and benefits are no less favorable in the aggregate, long-term cash incentive compensation, equity compensation, defined benefit pension plan benefits, severance, retention (including, for the avoidance of doubt, any supplemental cash bonus opportunity paid or payable in connection with the transactions contemplated by this Agreement or the Company’s terminated merger agreement with Comcast Corporation), sale, stay, or change in control payments or awards or any similar compensation or benefit, shall not be taken into account. With respect to Represented Employees, New Charter shall retain, or shall cause to be retained, any and all of the rights and obligations it may have pursuant to Applicable Law.

(b) Notwithstanding Section 7.09(a), beginning on the Closing Date, New Charter shall, or shall cause one of its Subsidiaries to, for the benefit of each Continuing Employee, other than any Represented Employee, (i) honor all contracts providing for severance to the extent and in accordance with their terms and (ii) honor, without amendment, all plans providing for severance for the Continuation Period or for any longer period during which such amendments are prohibited under the terms of the applicable plan, in all cases, as long as such contract or plan is set forth on Section 7.09 of the Company Disclosure Schedule. It is intended that Section 7.09(a) and this Section 7.09(b) shall not result in any duplication of benefits to any Continuing Employee.

(c) Notwithstanding Section 7.09(a), beginning on the Closing Date, New Charter shall, or shall cause one of its Subsidiaries to, for the benefit of each Continuing Employee, other than any Represented Employee, honor, without amendment, all compensation plans, arrangements, or agreements set forth on Section 7.09 of the Company Disclosure Schedule for the Continuation Period or for any longer period during which such amendments are prohibited under the terms of the applicable plan, in all cases, as long as such contract or plan is set forth on Section 7.09 of the Company Disclosure Schedule.

(d) To the extent that Continuing Employees, other than Represented Employees, become eligible to participate in any “employee benefit plan,” as defined in Section 3(3) of ERISA, maintained by New Charter or any of its Subsidiaries (collectively, the “**New Charter Plans**”), then, for purposes of determining (i) eligibility to participate and vesting and, (ii) solely with respect to any New Charter Plan that provides for severance, vacation or paid-time off benefits, for purposes of benefit accrual, service with the Company or any of its Subsidiaries prior to the Effective Time shall be treated as service with New Charter or any of its Subsidiaries to the extent recognized by the Company and its Subsidiaries prior to the Effective Time; *provided, however,* that such service shall not be recognized to the extent that such recognition would result in any duplication of benefits and the New Charter shall not be required to provide credit for such service for eligibility, vesting or benefit accrual purposes under any New Charter Plan that is an equity compensation plan, defined benefit pension plan or postretirement medical plan. In addition, subject to the terms of the applicable New Charter Plan and legal requirements applicable to such New Charter Plan, New Charter shall use commercially reasonable efforts to (x) waive all limitations as to preexisting conditions, exclusions and waiting periods with respect to participation and coverage requirements applicable to Continuing Employees under any New Charter Plan that is a welfare benefit plan in which such Continuing Employees may be eligible to participate after the Effective Time and (y) provide each Continuing Employee with credit for any co-payments and deductibles paid during the plan year in which the Effective Time occurs in satisfying any applicable deductible or out-of-pocket requirements under any New Charter Plans that are welfare plans in which such Continuing Employee is eligible to participate after the Effective Time.

(e) For the avoidance of doubt and to the extent required by any Company Plan or Applicable Law, New Charter shall, or shall cause one of its Subsidiaries to, expressly assume such Company Plan and all obligations thereunder.

(f) Upon the request of Parent prior to the Effective Time but after the date the conditions set forth in Article 9 (other than conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or, to the extent permissible, waiver of those conditions at the Closing) have been satisfied or, to the extent permissible, waived by the party or parties entitled to the benefits of such conditions, effective as of immediately prior to the Effective Time, the Company shall terminate or shall cause the termination of any or all U.S. tax-qualified defined contribution plans provided to current and former employees of the Company and its Subsidiaries, as directed by the Parent and in compliance with Applicable Law.

(g) Parent and the Company shall coordinate in good faith to develop a mutually agreed communications strategy with respect to employees of the Company and its Subsidiaries (the “**Employee Communication Strategy**”). Except for communications that are substantially in accordance with the Employee Communication Strategy, (i) without the prior written consent of the Company (such consent not to be unreasonably withheld, conditioned or delayed), Parent shall not, and shall cause its Affiliates not to, contact, meet or otherwise communicate with any director, officer or employee of the Company or any of its Subsidiaries, either on an individual or group basis and (ii) Parent shall provide the Company with a reasonable right to comment on and approve (such approval not to be unreasonably withheld, conditioned or delayed) any written communications by the Parent intended for distribution (whether individual or

broad-based) to current or former directors, officers or employees of the Company or its Affiliates prior to the Closing regarding the transactions contemplated by this Agreement.

(h) Without limiting the generality of Section 11.06, nothing contained in this Section 7.09, expressed or implied, shall (i) be treated as the establishment, amendment or modification of any Company Plan or New Charter Plan or, subject to compliance with the requirements of Sections 7.09(a) and 7.09(b), constitute a limitation on rights to amend, modify, merge or terminate after the Effective Time any Company Plan or New Charter Plan, (ii) give any current or former employee, director or other independent contractor of the Company and its Subsidiaries (including any beneficiary or dependent thereof), any third-party beneficiary or other rights or (iii) obligate New Charter or any of its Affiliates to (A) maintain any particular Company Plan or New Charter Plan or (B) retain the employment or services of any current or former employee, director or other independent contractor.

#### Section 7.10 *Certain Agreements.*

(a) From the date hereof until the Closing or the earlier termination of this Agreement in accordance with its terms, without the prior written consent of the Company (such consent not to be unreasonably withheld, conditioned or delayed), none of Parent, New Charter, Merger Subsidiary One, Merger Subsidiary Two, Merger Subsidiary Three or any of their respective Subsidiaries shall enter into, amend, modify or terminate any agreements, arrangements or understandings with Liberty Broadband Corporation, Liberty Interactive Corporation, John Malone or any of their respective Affiliates, in each case, if such amendment, modification or termination would reasonably be expected to (i) have the effect of materially delaying, impairing or impeding the receipt of any regulatory approvals required in connection with the transactions contemplated hereby or the Closing or (ii) have a disproportionately adverse impact on the stockholders of the Company relative to the stockholders of Parent.

(b) From the date hereof until the Closing or the earlier termination of this Agreement in accordance with its terms, without the prior written consent of the Company (such consent not to be unreasonably withheld, conditioned or delayed), none of Parent, New Charter, Merger Subsidiary One, Merger Subsidiary Two, Merger Subsidiary Three or any of their respective Subsidiaries shall enter into, amend, modify or terminate any of the material agreements relating to the Bright House Transactions, including the Bright House Contribution Agreement or the Amended Contribution Agreement, in each case, if such amendment, modification or termination would reasonably be expected to have the effect of materially delaying, impairing or impeding the receipt of any regulatory approvals required in connection with the transactions contemplated hereby or the Closing.

Section 7.11 *Tax Treatment.* Parent shall not, and shall cause its Subsidiaries (including Merger Subsidiary Two) not to, make an election under Treasury Regulations Section 301.7701-3 to treat Merger Subsidiary Two as an association taxable as a corporation or take any other action that would cause Merger Subsidiary Two to be treated as other than a disregarded entity for both state and federal income Tax purposes.

**ARTICLE 8**  
**Covenants of Parent and the Company**

The parties hereto agree that:

Section 8.01 *Consents and Approvals*. (a) Subject to the terms and conditions of this Agreement, each of the Company and Parent shall use its reasonable best efforts to take, or cause to be taken, and use their reasonable best efforts to cause their respective Affiliates to take, all actions and to do, or cause to be done, and assist and cooperate with the other in doing, all things necessary, proper or advisable under Applicable Law to consummate and make effective the Mergers and the other transactions contemplated by this Agreement, including (i) preparing and filing as promptly as practicable with any Governmental Authority or other Third Party all documentation to effect all necessary, proper or advisable filings, notices, petitions, statements, registrations, submissions of information, applications and other documents and (ii) obtaining and maintaining all approvals, consents, registrations, permits, authorizations and other confirmations required to be obtained from any Governmental Authority or other Third Party that are necessary, proper or advisable to consummate and make effective the Mergers and the other transactions contemplated by this Agreement (whether or not such approvals, consents, registrations, permits, authorizations and other confirmations are conditions to the consummation of the Mergers pursuant to Article 9).

(b) In furtherance and not in limitation of the foregoing, each of Parent and the Company shall make, and not withdraw, as promptly as practicable and in any event within 30 Business Days (or, in the case of the succeeding clauses (iii) and (iv), 60 days) of the date hereof, (i) an appropriate filing of a Notification and Report Form pursuant to the HSR Act with respect to the transactions contemplated hereby, (ii) all necessary filings to obtain consents from the FCC (including FCC Form 394 or other appropriate forms) that are required in connection with the Mergers, (iii) all necessary filings to obtain consents from the state regulators and the Franchise authorities that are required in connection with the Mergers and (iv) all other registrations, declarations, notices and filings with Governmental Authorities that are required in connection with the Mergers. Each of the Company and Parent shall use its reasonable best efforts to supply, and use their respective reasonable best efforts to cause their respective Affiliates to supply, as promptly as practicable any additional information and documentary material that may be requested pursuant to the foregoing, and use its reasonable best efforts to take, and use its reasonable best efforts to cause its respective Affiliates to take, all other actions necessary to cause the expiration or termination of the applicable waiting periods regarding the foregoing as soon as practicable.

(c) Parent shall take the lead with respect to (i) the scheduling of, and strategic planning for, any meeting with any Governmental Authority under the HSR Act or any other Applicable Law, (ii) the making of any filings under the HSR Act or any other Applicable Law, (iii) the process for the receipt of any necessary approvals and (iv) the resolution of any investigation or other inquiry of any such Governmental Authority. Without limiting the foregoing sentence, except as prohibited by Applicable Law, each of Parent and the Company shall, and shall use their respective reasonable best efforts to cause their respective Affiliates to (A) to the extent reasonably practicable, consult with each other prior to taking any material substantive position with respect to the filings under the HSR Act or any other Applicable Law in discussions with or

filings to be submitted to any Governmental Authority, (B) to the extent reasonably practicable, permit the other to review and discuss in advance, and consider in good faith the views of the other in connection with, any analyses, presentations, memoranda, briefs, arguments, opinions and proposals to be submitted to any Governmental Authority with respect to filings under the HSR Act or any other Applicable Law, and (C) to the extent reasonably practicable, coordinate with the other in preparing and exchanging such information and promptly provide the other (and its counsel) with copies of all filings, presentations or submissions (and a summary of any oral presentations) made by such party with any Governmental Authority relating to this Agreement or the transactions contemplated hereby under the HSR Act or any other Applicable Law.

(d) Unless prohibited by Applicable Law or by the applicable Governmental Authority, each of the Company and Parent shall, and shall cause their respective Subsidiaries to, and shall use their respective reasonable best efforts to cause its respective Affiliates to, (i) to the extent reasonably practicable, not participate in or attend any meeting, or engage in any substantive conversation with any Governmental Authority in respect of the Mergers (including with respect to any of the actions referred to in Section 8.01(a)) without the other (*provided* that, subject to Section 8.01(c), either party may participate in or attend any such non-substantive meeting), (ii) to the extent reasonably practicable, give the other reasonable prior notice of any such meeting or conversation and (iii) in the event one party is prohibited by Applicable Law or by the applicable Governmental Authority from participating or attending any such meeting or engaging in any such conversation, keep such party reasonably apprised with respect thereto; *provided* that, Parent or its representatives may conduct such a meeting or conversation without the Company or its representatives present upon the prior written consent of the Company (such consent not to be unreasonably withheld, conditioned or delayed).

(e) Notwithstanding anything in this Agreement to the contrary, the parties hereto understand and agree that “reasonable best efforts” shall require Parent to take any actions and accept any conditions and other remedies to the extent such actions, conditions or other remedies would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the condition (financial or otherwise), business, assets or results of operations of Parent, the Company and their Subsidiaries, taken as a whole (but without taking into account the Bright House Transactions, whether or not consummated) (each such condition, remedy or action that Parent is not required to accept or take under this Section 8.01(e), a “**Burdensome Condition**”). The Company agrees to work in good faith in connection with Parent’s efforts to obtain the regulatory approvals consistent with this Section 8.01 in a manner that Parent believes in good faith is in the best interests of the combined company and its shareholders. In addition, the Company shall not accept any of the conditions or take any of the foregoing actions (whether or not consistent in scope and magnitude with such prior conditions and actions) without Parent’s prior written consent. Notwithstanding the foregoing, no party shall be required to commit to or effect any action contemplated by this Section 8.01(e) or accept any condition that is not conditioned upon the consummation of the Mergers.

(f) Each of Parent and the Company shall not, and shall cause their respective Subsidiaries and Affiliates not to, (i) take any action that would reasonably be expected to have the effect of materially delaying, impairing or impeding the receipt of any regulatory approvals required in connection with the transactions contemplated hereby or the Closing, or (ii) acquire or agree to acquire (by merger, consolidation, acquisition of stock or assets or otherwise), direct-

ly or indirectly, any assets, securities (other than securities issued by such party as permitted by Section 6.01 or Section 7.01, as the case may be), properties, interests or business in any transaction or series of related transactions, if such acquisition would (A) require approval of the FCC, or (B) (without the consent of the other, not to be unreasonably withheld, conditioned or delayed) have a value, or involve the payment of consideration, in excess of \$350 million; *provided, however*, that (x) nothing in this Agreement (including the foregoing sentence) shall prohibit Parent or any of its Subsidiaries or Affiliates from consummating the Bright House Transactions and no reasonable actions taken in furtherance of the Bright House Transactions shall be deemed to be a breach of this Agreement (including this Section 8.01) and (y) nothing in this Agreement shall limit the ability of Parent or its Subsidiaries from bidding on or purchasing wireless spectrum to the extent it would not reasonably be expected to have the effect of materially delaying, impairing or impeding the receipt of any regulatory approvals required in connection with the transactions contemplated hereby or the Closing.

(g) Each of the Company and Parent may, as each deems advisable and necessary, reasonably designate any competitively sensitive material provided to the other under this Section 8.01 as information that may be reviewed only by outside counsel. Such materials and the information contained therein shall be given only to the outside counsel of the recipient and, subject to any additional confidentiality or joint defense agreement the parties may mutually propose and enter into, will not be disclosed by such outside counsel to employees, officers or directors of the recipient unless express permission is obtained in advance from the source of the materials (the Company or Parent, as the case may be) or its legal counsel. Notwithstanding anything to the contrary in this Section 8.01, materials provided to the other party or its outside counsel may be redacted (i) to remove references concerning valuation, (ii) as necessary to comply with contractual arrangements and (iii) as necessary to address reasonable attorney-client or other privilege or confidentiality concerns.

Section 8.02 *Joint Proxy Statement/Prospectus; Registration Statement.* (a) As promptly as practicable, the Company, New Charter and Parent shall prepare and file the Joint Proxy Statement/Prospectus and the Registration Statement (in which the Joint Proxy Statement/Prospectus will be included) with the SEC. The Company, New Charter and Parent shall use their reasonable best efforts to cause the Registration Statement to become effective under the 1933 Act as soon after such filing as practicable and to keep the Registration Statement effective as long as is necessary to consummate the Merger. The Joint Proxy Statement/Prospectus shall include, subject to Section 6.03, the Company Board Recommendation and, subject to Section 7.04, the Parent Board Recommendation. The Company and Parent shall cooperate with one another in (x) setting a mutually acceptable date for the Company Stockholder Meeting and the Parent Stockholder Meeting, so as to enable them to occur, to the extent practicable, on the same date and (y) setting the dates for their respective annual meetings of stockholders. The Company and Parent shall use its reasonable best efforts to cause the Joint Proxy Statement/Prospectus to be mailed to its respective stockholders as promptly as practicable after the Registration Statement becomes effective. Each of the Company and Parent shall use its reasonable best efforts to ensure that the Registration Statement and the Joint Proxy Statement/Prospectus comply as to form in all material respects with the rules and regulations promulgated by the SEC under the 1933 Act and the 1934 Act, respectively.

(b) The Company and Parent shall make all necessary filings with respect to the Merger and the transactions contemplated hereby under the 1933 Act and the 1934 Act and applicable state “blue sky” laws and the rules and regulations thereunder.

(c) Each of the Company and Parent shall promptly provide the other parties and their respective counsel with (i) any comments or other communications, whether written or oral, that such party or its counsel may receive from time to time from the SEC or its staff with respect to the Joint Proxy Statement/Prospectus or the Registration Statement, as applicable, promptly after receipt of those comments or other communications and (ii) a reasonable opportunity to participate in the response to those comments.

(d) No amendment or supplement to the Joint Proxy Statement/Prospectus or the Registration Statement will be made by Parent or the Company without the approval of the other parties hereto, which approval shall not be unreasonably withheld or delayed; *provided* that (i) the Company, in connection with a Company Adverse Recommendation Change made in compliance with the terms hereof may amend or supplement the Joint Proxy Statement/Prospectus (including by incorporation by reference) pursuant to an amendment or supplement (including by incorporation by reference) to the extent it contains (A) a Company Adverse Recommendation Change, (B) a statement of the reason of the Company’s Board of Directors for making such Company Adverse Recommendation Change, and (C) additional information reasonably related to the foregoing, and (ii) Parent, in connection with a Parent Adverse Recommendation Change made in compliance with the terms hereof may amend or supplement the Joint Proxy Statement/Prospectus (including by incorporation by reference) pursuant to an amendment or supplement (including by incorporation by reference) to the extent it contains (A) a Parent Adverse Recommendation Change, (B) a statement of the reason of Parent’s Board of Directors for making such Parent Adverse Recommendation Change, and (C) additional information reasonably related to the foregoing. Each party will advise the other parties, promptly after it receives notice thereof, of the time when the Registration Statement has become effective or any supplement or amendment has been filed, the issuance of any stop order, the suspension of the qualification of New Charter Common Stock issuable in connection with the Mergers for offering or sale in any jurisdiction, or any request by the SEC for amendment of the Joint Proxy Statement/Prospectus or the Registration Statement. If, at any time prior to the Effective Time, Parent or the Company discovers any information relating to any party, or any of their respective Affiliates, officers or directors, that should be set forth in an amendment or supplement to the Joint Proxy Statement/Prospectus or the Registration Statement, so that none of those documents would include any misstatement of a material fact or omit to state any material fact necessary to make the statements in any such document, in light of the circumstances under which they were made, not misleading, the party that discovers that information shall promptly notify the other party and an appropriate amendment or supplement describing that information shall be promptly filed with the SEC and, to the extent required by law or regulation, disseminated to the shareholders and stockholders, respectively, of Parent and the Company.

Section 8.03 *Public Announcements*. (a) Except with respect to any Company Adverse Recommendation Change or a Parent Adverse Recommendation Change made in accordance with this Agreement, or Parent’s or the Company’s (as applicable) response thereto, or any communication made in accordance with Section 6.03 or Section 7.04, the Company and Parent shall, and shall cause their Subsidiaries to, consult with each other before issuing any

press release, making any other public statement or scheduling any press conference or conference call with investors or analysts with respect to this Agreement or the transactions contemplated by this Agreement and, except for any public statement or press release as may be required by Applicable Law, order of a court of competent jurisdiction or any listing agreement with or rule of any national securities exchange or association, shall not, and shall cause their Subsidiaries not to, issue any such press release, make any such other public statement or schedule any such press conference or conference call before that consultation and providing each other the opportunity to review and comment upon any such press release or public statement; *provided, however*, that the foregoing shall not apply to any press release or other public statement to the extent it contains substantially the same information as previously communicated by one or more of the parties. The initial press release of the parties announcing the execution of this Agreement shall be a joint press release of Parent and the Company in a form that is mutually agreed.

(b) Except with respect to any Company Adverse Recommendation Change or Parent Adverse Recommendation Change (as applicable) made in accordance with this Agreement, or Parent's or the Company's (as applicable) response thereto, or any communication made in accordance with Section 6.03 or Section 7.04 (as applicable), before any Merger Communication of the Company, Parent or any of their respective "participants" (as defined in Rule 165 of the 1933 Act or Item 4 of Schedule 14A of the 1934 Act) is (i) disseminated to any investor, analyst, member of the media, employee, client, customer or other third party or otherwise made accessible on the website of the Company, Parent or any such participant, as applicable (whether in written, video or oral form via webcast, hyperlink or otherwise), or (ii) utilized by any officer, senior manager, key employee or advisor of the Company, Parent or any such participant, as applicable, as a script in discussions or meetings with any such third parties, then, in each case, the Company or Parent, as the case may be, shall (or shall cause any such participant to) cooperate in good faith with respect to any such Merger Communication for purposes of, among other things, determining whether that communication (x) is required to be filed under Rules 165 and 425 of the 1934 Act or (y) constitutes "soliciting material" that is required to be filed by Rule 14a-6(b) or Rule 14a-12(b) of the 1934 Act, as applicable, by the Company, Merger Subsidiary One, Merger Subsidiary Two, Merger Subsidiary Three, New Charter or Parent, as applicable, and shall (or shall cause any such participant to) give reasonable and good faith consideration to any comments made by the other such party or parties and their counsel on any such Merger Communication; *provided, however*, that the foregoing shall not apply to any Merger Communication that (I) contains substantially the same information as has previously been communicated by such Person or (II) relates to the Bright House Transactions. For purposes of the foregoing, the term "**Merger Communication**" shall mean, with respect to any Person, any document or other written communication prepared by or on behalf of that Person, or any document or other material or information posted or made accessible on the website of that Person (whether in written, video or oral form via webcast, hyperlink or otherwise), that is related to any of the transactions contemplated by this Agreement and, if reviewed by a relevant stockholder, could reasonably be deemed to constitute either (x) an offer to sell or a solicitation of an offer to buy Parent Class A Common Stock (or New Charter Common Stock) or (y) a "solicitation" of "proxies" (in each case, as defined in Rule 14a-1 of the 1934 Act) in favor of the Company Merger, the Parent Merger or the New Charter Stock Issuance.

#### Section 8.04 *Further Assurances.*

(a) At and after the Second Company Merger Effective Time, the officers and directors of New Charter shall be authorized to execute and deliver, in the name and on behalf of the Company or the Company Surviving Corporation, any deeds, bills of sale, assignments or assurances and to take and do, in the name and on behalf of the Company or the Company Surviving Corporation, any other actions and things to vest, perfect or confirm of record or otherwise in Merger Subsidiary Two any and all right, title and interest in, to and under any of the rights, properties or assets of the Company or the Company Surviving Corporation acquired or to be acquired by Merger Subsidiary Two as a result of, or in connection with, the First Company Merger or the Second Company Merger. At and after the Parent Merger Effective Time, the officers and directors of the Parent Surviving Entity shall be authorized to execute and deliver, in the name and on behalf of Parent or Merger Subsidiary Three, any deeds, bills of sale, assignments or assurances and to take and do, in the name and on behalf of Parent or Merger Subsidiary Three, any other actions and things to vest, perfect or confirm of record or otherwise in the Parent Surviving Entity any and all right, title and interest in, to and under any of the rights, properties or assets of Parent acquired or to be acquired by the Parent Surviving Entity as a result of, or in connection with, the Parent Merger. For the avoidance of doubt, nothing in this Agreement is intended to, or shall be construed to, prevent or restrict Parent and its Affiliates entering into and performing to the Amended Contribution Agreement (including consummating the Bright House Transactions), and such entry into and performance thereof shall not be deemed to be a breach of this Agreement.

(b) In the event that there is any new consideration of the application of law or the parties' organizational documents to the transactions herein provided, the parties hereby agree to discuss in good faith with their respective legal advisors and implement a restructuring of the process to achieve requisite completion in the most expeditious and efficient way practicable.

Section 8.05 *Notices of Certain Events*. Each of the Company and Parent shall, and shall cause their Subsidiaries to, promptly notify and provide copies to the other of:

(a) any written notice from any Person alleging that the approval or consent of such Person is or may be required in connection with the transactions contemplated by this Agreement;

(b) any written notice or other communication from any Governmental Authority in connection with the transactions contemplated by this Agreement; and

(c) any actions, suits, claims, investigations or proceedings commenced or, to its knowledge, threatened against, relating to or involving or otherwise affecting the Company or any of its Subsidiaries or Parent and any of its Subsidiaries, as the case may be, that, if pending on the date of this Agreement, would have been required to have been disclosed pursuant to any of such party's representations or warranties, as the case may be, or that are material and relate to the consummation of the transactions contemplated by this Agreement;

*provided* that the delivery of any notice pursuant to this Section 8.05 shall not affect or be deemed to modify any representation or warranty made by any party hereunder or limit or otherwise affect the remedies available hereunder to the party receiving such notice.

Section 8.06 *Access to Information.* From the date hereof until the Effective Time and subject to Applicable Law and the Confidentiality Agreement, the Company and Parent shall (i) upon reasonable advance notice, give to the other party, its counsel, financial advisors, auditors and other authorized representatives reasonable access during regular business hours to the offices, properties, books and records of such party (except that neither party shall conduct any environmental sampling or analysis without the advance written consent of the other party, which may be withheld in such other party's sole discretion, and without executing a customary access and indemnity agreement in respect thereto), (ii) furnish to the other party, its counsel, financial advisors, auditors and other authorized representatives such financial and operating data and other information as such Persons may reasonably request and (iii) instruct its employees, counsel, financial advisors, auditors and other authorized representatives to cooperate with the other party in its investigation; *provided, however,* that each party may restrict the foregoing access and the disclosure of information pursuant to this Section 8.06 to the extent that (A) in the reasonable good faith judgment of such party, any Applicable Law requires such party or its Subsidiaries to restrict or prohibit access to any such properties or information, (B) in the reasonable good faith judgment of such party, the information is subject to confidentiality obligations to a Third Party or (C) disclosure of any such information or document would result in the loss of attorney-client privilege; *provided, further,* that with respect to clauses (A) through (C) of this Section 8.06, Parent or the Company, as applicable, shall use its commercially reasonable efforts to (1) obtain the required consent of any such Third Party to provide such access or disclosure, (2) develop an alternative to providing such information so as to address such matters that is reasonably acceptable to Parent and the Company and (3) in the case of clauses (A) and (C), enter into a joint defense agreement or implement such other techniques if the parties determine that doing so would reasonably permit the disclosure of such information without violating Applicable Law or jeopardizing such privilege.

Any investigation pursuant to this Section 8.06 shall be conducted in such manner as not to interfere unreasonably with the conduct of the business of the other party. No information or knowledge obtained in any investigation pursuant to this Section 8.06 shall affect or be deemed to modify any representation or warranty made by any party hereunder.

Section 8.07 *Tax Treatment.* (a) Each of Parent, New Charter and the Company shall use its reasonable best efforts to cause (i) the Redemption to be treated as a distribution in redemption of Company Stock subject to the provisions of Section 302(a) of the Code, (ii) the Second Company Merger to qualify as a reorganization within the meaning of Section 368(a) of the Code and (iii) the Parent Merger to qualify as a reorganization within the meaning of Section 368(a) of the Code, and shall not take any action reasonably likely to cause the Mergers not so to qualify or be treated. Provided the opinion conditions contained in Sections 9.02(b) and 9.03(b) have been satisfied, each of Parent, New Charter and the Company shall report the Mergers consistent with the Intended Tax Treatment.

(b) Officers of Parent, New Charter, Merger Subsidiary One, Merger Subsidiary Two, Merger Subsidiary Three and the Company shall execute and deliver to Wachtell, Lipton, Rosen & Katz, tax counsel for Parent, and Paul, Weiss, Rifkind, Wharton & Garrison LLP, tax counsel for the Company, Tax Representation Letters. Each of Parent, New Charter, Merger Subsidiary One, Merger Subsidiary Two, Merger Subsidiary Three and the Company shall use its reasonable best efforts not to take or cause to be taken any action that would cause to be un-

true (or fail to take or cause to take any action which would cause to be untrue) any of the Tax Representation Letters.

Section 8.08 *Section 16 Matters.* Prior to the First Company Merger Effective Time and the Second Company Merger Effective Time, each party shall take all such steps as may be required to cause any dispositions of Company Stock or Company Surviving Corporation Stock (including derivative securities with respect to Company Stock or Company Surviving Corporation) or acquisitions of New Charter Common Stock (including derivative securities with respect to New Charter Common Stock) resulting from the transactions contemplated by Article 2 by each individual who is subject to the reporting requirements of Section 16(a) of the 1934 Act with respect to the Company or will become subject to such reporting requirements with respect to New Charter to be exempt under Rule 16b-3 promulgated under the 1934 Act. Prior to the Parent Merger Effective Time, each party shall take all such steps as may be required to cause any dispositions of Parent Class A Common Stock (including derivative securities with respect to Parent Class A Common Stock) or acquisitions of New Charter Common Stock (including derivative securities with respect to New Charter Common Stock) resulting from the transactions contemplated by Article 2 by each individual who is subject to the reporting requirements of Section 16(a) of the 1934 Act with respect to Parent or will become subject to such reporting requirements with respect to New Charter to be exempt under Rule 16b-3 promulgated under the 1934 Act.

Section 8.09 *Stock Exchange De-listing; 1934 Act Deregistration.* Prior to the Effective Time, the Company shall cooperate with Parent and use its reasonable best efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary, proper or advisable on its part under Applicable Laws and rules and policies of the NYSE to enable the de-listing of the Company Stock from the NYSE and the deregistration of the Company Stock and other securities of the Company under the 1934 Act as promptly as practicable after the Effective Time, and in any event no more than ten (10) days after the Closing Date.

Section 8.10 *Stockholder Litigation.* Each party hereto shall promptly notify the other parties hereto in writing of any litigation related to this Agreement, the Mergers or the other transactions contemplated by this Agreement that is brought, or, to the knowledge of the Company or Parent (as applicable), threatened in writing, against the Company or Parent and/or the members of the Board of Directors of the Company or the Board of Directors of Parent, as applicable (any such litigation relating to the Company and/or the executive officers or members of the Board of Directors of the Company, a “**Company Transaction Litigation**”, and any such litigation relating to Parent and/or the executive officers or members of the Board of Directors of Parent, a “**Parent Transaction Litigation**”) prior to the Effective Time and shall keep such other party reasonably informed with respect to the status thereof. The Company shall give Parent the opportunity to participate in the defense or settlement of any Company Transaction Litigation, and, except to the extent required by Applicable Law, the Company shall not settle, agree to any undertakings or approve or otherwise agree to any waiver that may be sought in connection with such Company Transaction Litigation, without the prior written consent of Parent (which shall not be unreasonably withheld, conditioned or delayed). Without limiting in any way the parties’ obligations under Section 8.01, each of the Company and Parent shall cooperate, shall cause their respective Subsidiaries, as applicable, to cooperate, and shall use its reasonable best

efforts to cause its Representatives to cooperate, in the defense against any litigation contemplated by this Section 8.10.

Section 8.11 *Intended Tax Treatment of the Redemption.* Subject to any restructuring of the transactions contemplated herein pursuant to Section 2.11, Parent and the Company will cooperate and use their reasonable best efforts to develop procedures (including certification procedures and indemnification of the Exchange Agent) which would allow the Exchange Agent, the Company, the Parent Surviving Entity, the Company Surviving Corporation, Merger Subsidiary One, Merger Subsidiary Two, Merger Subsidiary Three, New Charter and/or Parent, as applicable, to report the Redemption as a distribution in part or full payment in exchange for Company Stock and to pay the Company Cash Consideration without deduction or withholding, in each case with respect to a holder of Company Stock who or that establishes that he, she or it satisfies one of the tests set forth in Section 302(b) of the Code.

Section 8.12 *Financing.*

(a) Parent shall not agree to or permit any amendment, supplement or other modification to be made to, or any waiver of any provision or remedy under, the Debt Commitment Letter or the definitive agreements relating to the Debt Financing that (i) reduces the aggregate amount of the Debt Financing below an amount, together with the amount of any equity financing (including pursuant to the Equity Purchase), required to pay the Required Payment Amount or (ii) (A) imposes new or additional conditions precedent or other terms to the Debt Financing or (B) otherwise adversely expands, amends or modifies any of the conditions precedent to the Debt Financing, or otherwise expand, amends or modifies any other provision of the Debt Commitment Letter, in the case of clauses (A) and (B), in a manner that would reasonably be expected to (x) prevent, impede or materially delay, the ability of Parent to consummate the Closing, (y) make the timely funding of the Debt Financing (or the satisfaction of the conditions to obtaining the Debt Financing) materially less likely to occur in any respect or (z) adversely impact the ability of Parent to enforce its rights against the other parties to the Debt Commitment Letter or the definitive agreements with respect thereto.

(b) Prior to the Effective Time, the Company shall, and shall cause its Subsidiaries to, use commercially reasonable efforts to, at Parent's sole cost and expense, provide to Parent such cooperation in connection with the Debt Financing (which, for purposes of this Section 8.11(b), shall also include any other financing efforts of Parent), as may be reasonably requested by Parent or its Representatives (unless such cooperation unreasonably interferes with the business operations of the Company and its Subsidiaries), including:

(i) furnishing such financial statements and other financial data and other information relating to the Company and its Subsidiaries and requested by Parent or its Representatives as may be reasonably necessary or advisable to consummate the Debt Financing, including financial statements, financial data, projections, audit reports and other information (x) of the type and form required by Regulation S-X and Regulation S-K promulgated under the 1933 Act for a registered public offering of debt securities on Form S-1, (y) of the type and form customarily included in private placements of debt securities under Rule 144A of the 1933 Act, or (z) as otherwise reasonably required in connection with the Debt Financing or as otherwise necessary in order to assist in receiving

customary “comfort” (including “negative reassurance” comfort) from independent accountants in connection with offering(s) of debt securities in connection with the Debt Financing; provided that the Company’s sole obligation with respect to the preparation of any pro forma financial information and financial statements for inclusion in any confidential information memorandum, prospectus, offering memorandum or other marketing and syndication materials shall be as set forth in clause (ix) of this Section 8.12(b);

(iii) providing information related to the Company and its Subsidiaries reasonably necessary to assist Parent in the preparation of one or more confidential information memoranda, prospectuses, offering memoranda and other marketing and syndication materials reasonably requested by Parent or any of its Affiliates;

(iv) providing the reasonable use by Parent and its Affiliates of the Company’s and its Subsidiaries’ logos for syndication and underwriting, as applicable, of financing (subject to advance review of and consultation with respect to such use); *provided* that such logos are used solely in a manner that is reasonable and customary for such purposes and that is not intended to or reasonably likely to harm or disparage the Company or any of its Subsidiaries or the reputation or goodwill of the Company or any of its Subsidiaries or any of their respective products, services, offering or intellectual property rights;

(v) participating in a reasonable and limited number of meetings, presentations and road shows with prospective lenders and investors and in drafting sessions and due diligence sessions, as applicable;

(vi) facilitating the pledging of, and granting, recording and perfection of security interests in share certificates, securities and other collateral as reasonably requested by Parent, including executing and delivering any pledge and security documents, other definitive financing documents, or other certificates or documents as may be reasonably requested by Parent (including a certificate of the chief financial officer of the Company or one or more of its Subsidiaries with respect to solvency matters), and obtaining surveys and title insurance as reasonably requested by Parent;

(vii) providing information reasonably necessary to assist Parent in its preparation of material relating to the Company and its Subsidiaries for rating agency presentations;

(viii) providing at least three Business Days prior to the Closing all documentation and other information about the Company and its Subsidiaries as is required by applicable “know your customer” and anti-money laundering rules and regulations in-

cluding the USA PATRIOT Act to the extent requested by the Financing Sources at least ten Business Days prior to the anticipated Closing;

(ix) providing information reasonably necessary to assist Parent with the preparation of pro forma financial information and financial statements to the extent required by SEC rules and regulations or necessary or reasonably required by the Financing Sources to be included in any offering documents; and

(x) obtaining customary payoff letters in connection with repayment of existing indebtedness of the Company and its Subsidiaries reasonably requested by Parent;

*provided* that (1) neither the Company nor any of its Subsidiaries nor any of their respective Affiliates or Representatives shall be required to (A) pay any commitment or other fees, in each case, in connection with the Debt Financing, (B) give any indemnities in connection with the Debt Financing, (C) take any action that, in the good faith determination of the Company, would unreasonably interfere with the conduct of the business or the Company and its Subsidiaries or create an unreasonable risk of damage or destruction to any property or assets of the Company or any of its Subsidiaries, (D) provide any information the disclosure of which is prohibited or restricted under Applicable Law or subject to legal privilege, (E) take any action that will conflict with or violate its organizational documents or any Applicable Law or would result in a violation or breach of, or default under, any agreement to which the Company or any of its Subsidiaries is a party or (F) execute any agreement, certificate, document or instrument pursuant to this Section 8.12(b) with respect to the Debt Financing that is not contingent on the Closing, (2) the effectiveness of any definitive documentation delivered pursuant to this Section 8.12(b) executed by the Company or any of its Subsidiaries with respect thereto, and the attachment of any Lien, shall be subject to the consummation of the Closing and the occurrence of the Effective Time, (3) no director, officer or employee of the Company or any Subsidiary of the Company shall be required to execute any agreement, certificate, document or instrument pursuant to this Section 8.12(b) with respect to the Debt Financing, (4) no officer or other Representative of the Company or any of its Subsidiaries that will not continue employment with New Charter or one of its Subsidiaries following the Closing shall be required to deliver any certificate or opinion or take any other action pursuant to this Section 8.12(b) other provisions of this Agreement and (5) the members of the Board of Directors of the Company or any of its Subsidiaries as of immediately prior to the Effective Time shall not be required to approve any Debt Financing or definitive documents related thereto.

(c) Parent will promptly reimburse the Company for all reasonable and documented out-of-pocket costs and expenses (including legal fees and expenses) incurred by the Company and its Subsidiaries in complying with their respective covenants pursuant to Section 8.12(b) or otherwise in connection with the Debt Financing. Parent shall indemnify, defend and hold harmless the Company and its Subsidiaries, and each of their respective directors, officers, employees, agents and other Representatives from and against any and all losses, damages, claims, interest, costs, expenses, awards, judgments, penalties and amounts paid in settlement suffered or incurred, directly or indirectly, in connection with the Debt Financing other than with respect to any information provided or prepared by the Company or its Subsidiaries in connection therewith if such loss, damage or other amount is found by a court of competent ju-

risdiction to have resulted from the gross negligence or willful misconduct of the Company or any of its Subsidiaries. Notwithstanding anything herein to the contrary, Parent hereby acknowledges and agrees that the condition set forth in Section 9.02(a)(i) of this Agreement, as it applies to the Company's obligations under Section 8.12(b), shall be deemed satisfied unless the Debt Financing has not been obtained primarily as a result of the Company's Willful Breach of its obligations under Section 8.12(b). Notwithstanding anything contained in this Agreement to the contrary, each of Parent, New Charter, Merger Sub One and Merger Sub Two acknowledges and agrees that the Closing is not conditioned upon Parent obtaining any financing.

For the avoidance of doubt, only one of the Parent Termination Fee or the Parent Regulatory Termination Fee shall be payable and such fee shall be payable only once and not in duplication even though the Parent Termination Fee or the Parent Regulatory Termination Fee may be payable under one or more provisions hereof.

(i) Notwithstanding anything to the contrary in this Agreement, if this Agreement is terminated in accordance with its terms and such termination gives rise to the obligation of the Company to pay the Company Termination Fee and the Company shall have paid the Company Termination Fee pursuant to this Section 10.02, the sole and exclusive remedy of Parent and its Subsidiaries and their respective officers, directors and Affiliates against the Company and its Subsidiaries and their respective officers, directors and Affiliates for any demands, claims, actions or causes of action, assessments, losses, damages, liabilities, diminution in value, costs and expenses, including interest, penalties and reasonable attorneys' fees and expenses, in each case on a basis net of any actual benefit resulting from, arising out of, or incurred in connection with, this Agreement (including termination thereof) or any transactions ancillary hereto shall be the Company Termination Fee, and following such payment no Person shall have any rights or claims against the Company and its Subsidiaries and their respective officers, directors and Affiliates under this Agreement, whether at law or equity, in contract, in tort or otherwise, and none of the Company and its Subsidiaries and their respective officers, directors and Affiliates shall have any further liability or obligation resulting from, arising out of, or incurred in connection with, this Agreement. (a) This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to the conflicts of law rules of such state.

(b) Notwithstanding anything herein to the contrary, (i) the Company (on behalf of itself and each Company Related Person) and each of the other parties hereto agrees that any claim, controversy or dispute arising of any kind or nature (including, without limitation, any claims sounding in contract law, tort law or otherwise) against a Financing Related Party that is in any way related to this Agreement or any of the transactions contemplated hereby, including any dispute arising out of or relating in any way to the Financing shall be governed by, and construed in accordance with, the laws of the State of New York without regard to conflict of law principles (other than Sections 5-1401 and 5-1402 of the New York General Obligations Law); *provided, however*, that (x) the interpretation of the definition of “Company Material Adverse Effect” (and whether or not a Company Material Adverse Effect has occurred) and (y) the determination of whether the transactions contemplated hereby have been consummated in accordance with the terms of this Agreement shall, in each case, be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof.

Section 11.08 *Jurisdiction.* The parties hereto agree that any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby (whether brought by any party or any of its Affiliates or against any party or any of its Affiliates) shall be brought in the Delaware Chancery Court or, if such court shall not have jurisdiction, any federal court located in the State of Delaware or other Delaware state court, and each of the parties hereby irrevocably consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each party agrees that service of process on such

party as provided in Section 11.01 shall be deemed effective service of process on such party. The parties hereto further agree that New York State or United States federal courts sitting in the borough of Manhattan, City of New York (and the appropriate appellate courts therefrom) shall have exclusive jurisdiction over any action (whether at Law or at equity and whether brought by any party hereto or any other Person) brought against any Financing Related Party in connection with the Financing.

Section 11.09 *WAIVER OF JURY TRIAL*. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR IN ANY ACTION RELATING TO THE FINANCING OR INVOLVING ANY FINANCING RELATED PARTY.

Section 11.10 *Counterparts; Effectiveness*. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. This Agreement shall become effective when each party hereto shall have received a counterpart hereof signed by all of the other parties hereto. Until and unless each party has received a counterpart hereof signed by the other party hereto, this Agreement shall have no effect and no party shall have any right or obligation hereunder (whether by virtue of any other oral or written agreement or other communication). Electronic or facsimile signatures shall be deemed to be original signatures.

Section 11.11 *Entire Agreement*. This Agreement, the Confidentiality Agreement, the Voting Agreement and the exhibits, schedules and annexes hereto constitute the entire agreement between the parties with respect to their subject matter and supersedes all prior agreements and understandings, both oral and written, between the parties with respect to that subject matter.

Section 11.12 *Severability*. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other Governmental Authority to be invalid, void, unenforceable or contrary to law, it is the parties' intent that the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect, shall be enforced in full as reflecting the bargain of the parties and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such a determination, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

Section 11.13 *Specific Performance*. The parties hereto acknowledge and agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with its specific terms or were otherwise breached, and that monetary damages, even if available, would not be an adequate remedy therefor. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof in any federal court located in the State of Delaware or any Delaware state court, without proof of actual damages (and each

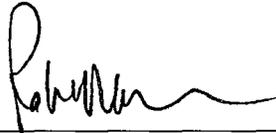

party hereby waives any requirement for the security or posting of any bond in connection with such remedy), this being in addition to any other remedy to which they are entitled at law or in equity. The parties further agree not to assert that a remedy of specific enforcement is unenforceable, invalid, contrary to Applicable Law or inequitable for any reason, nor to assert that a remedy of monetary damages would provide an adequate remedy for any such breach.

Section 11.14 *Guarantee*. From and after the First Company Merger Effective Time, New Charter hereby irrevocably and unconditionally guarantees the payment and performance of all of Parent's obligations under this Agreement.

**WITNESSETH**

WHEREAS, the Comcast Agreement has been terminated;

WHEREAS, the Parties acknowledge that A/N has delivered to TWCE an Offer Notice in accordance with the TWEAN Agreement and that thirty Business Days have passed since the delivery of such Offer Notice without TWCE having accepted the offer set forth in such Offer Notice or having made a Counter-Offer during such time period in accordance with the TWEAN Agreement; and

WHEREAS, the Parties desire to provide that the businesses of Charter and Bright House Networks, LLC shall be combined in connection with the combination of Time Warner Cable, Inc. ("TWC") or, in certain circumstances, without TWC, in the event that TWC enters into an agreement for a Company Acquisition Proposal (as defined in the TWC Agreement) as more particularly provided below.

NOW, THEREFORE, the Parties hereby, intending to be legally bound, agree as follows:

1. Amendments. The Contribution Agreement is amended hereby as follows:
  - a. Sections 6.1(f), 8.2(d), 8.2(f), 8.2(g) and 8.4(b) and the first sentence of Section 5.4(d) of the Contribution Agreement are hereby deleted in their entirety, in each case

without renumbering subsequent sections, and the Parties irrevocably waive any rights or claims, arising before, on or after that date hereof, that they have or may have thereunder.

- b. Section 1.1 of the Contribution Agreement is hereby amended by adding the following new definitions in the appropriate alphabetical order:

“ “Tail Condition” has the meaning set forth in Section 6.1(g).”

“ “TWC Acquisition Proposal” has the meaning set forth in Section 6.1(g).”

“ “TWC Agreement” means the Agreement and Plan of Mergers, dated as of May 23, 2015, by and among Time Warner Cable, Inc., Cheetah, New Cheetah, Amazon Corporation I, Inc., Amazon Company II, LLC, and Amazon Company III, LLC, in the form provided to Bengal prior to the execution of the Amendment.”

“ “TWC Transactions” means the transactions contemplated by the TWC Agreement.”

- e. Section 2.3(a)(i) of the Contribution Agreement is hereby replaced in its entirety with the following: “Cheetah Holdco shall pay the Cash Consideration and issue (x) Cheetah Holdco Preferred Units with a face amount of \$2.5 billion and (y)(A) 34,279,843 Cheetah Holdco Class B Common Units or (B) in the event that the TWC Transactions have been consummated prior to Closing in accordance with the terms of the TWC Agreement, 30,992,406 Cheetah Holdco Class B Common Units to A/N, in consideration of the Membership Interests” (it being understood that the difference between such amounts reflects only the Parent Merger Exchange Ratio (as defined in the TWC Agreement) implemented in the TWC Transactions and is not intended to increase or decrease A/N’s relative ownership in New Cheetah).
- f. Section 2.3(a)(ii) of the Contribution Agreement is hereby replaced in its entirety with the following: “New Cheetah shall issue one share of New Cheetah Class B Common Stock to A/N, in exchange for the sum of \$1.00.”

merger, combination or exchange of Equity Interests, or any similar event (in each case other than the Parent Merger (as defined in the TWC Agreement) in accordance with the Parent Merger Exchange Ratio set forth in the TWC Agreement) shall have occurred, then the Equity Consideration shall be equitably adjusted, without duplication, to proportionally reflect such change; provided, that nothing in this Section 2.6 shall be construed to permit any Cheetah Party to take any action with respect to its Equity Interests that is otherwise prohibited by the terms of this Agreement, or to restrict the ability of any Cheetah Party from taking any action with respect to its Equity Interests that is not otherwise prohibited by the terms of this Agreement.”

- h. A new Section 4.14 entitled “TWC Transaction” is hereby added to Article IV to read as follows: “Cheetah makes no representation or warranty regarding TWC or its assets and liabilities, and Cheetah for purposes of this Agreement shall be without giving effect to the TWC Transaction.”

- j. Section 5.3 of the Contribution Agreement is hereby amended by adding the words “or the TWC Transaction” at the end of Section 5.3(i); provided that the foregoing shall not prevent Charter from obtaining or arranging backstop financing to complete the TWC Transaction.
- k. Section 5.5(a) of the Contribution Agreement is hereby amended by replacing the words “after the execution of this Agreement, but in any event no later than thirty (30) calendar days thereafter” in the first sentence thereof with “after the date of the TWC Agreement, but in any event no later than thirty (30) Business Days thereafter”.
- l. Section 5.5(e) of the Contribution Agreement is hereby amended by (i) replacing the words “required or imposed by a Governmental Entity on Cheetah in connection with the Comcast Agreement (or any Long-Form Agreement (as defined therein) entered into pursuant to thereto and consistent in all material respects with the definitive proxy statement on Schedule 14A of Cheetah dated February 17, 2015 and filed with the SEC on such date, including the Separation Agreement, the Spinco Merger Agreement, the Asset Exchange Agreement or the Asset Purchase Agreement)” in the first proviso thereto with the words “required or imposed by Governmental Entities in connection with prior acquisitions of United States domestic cable systems (as such term is defined in 47 U.S.C. § 522(7)) consummated within the past twelve years with an aggregate purchase price of at least \$500 million” and (ii) replacing the words “Comcast Agreement (or any Long-Form Agreement (as defined therein) entered into pursuant to thereto and consistent in all material respects with the definitive proxy statement on Schedule 14A of Cheetah dated February 17, 2015 and filed with the SEC on such date, including the Separation Agreement, the Spinco Merger Agreement, the Asset Exchange Agreement or the Asset Purchase Agreement)” in the second proviso thereto with the words “prior acquisitions of United States domestic cable systems (as such term

is defined in 47 U.S.C. § 522(7)) consummated within the past twelve years with an aggregate purchase price of at least \$500 million” .

- m. Section 5.10 of the Contribution Agreement is hereby replaced in its entirety with the following: “Prior to the Closing, the parties shall use their respective reasonable best efforts to cooperate with each other and with Time Warner Cable Inc. on all transition and integration planning matters necessary in connection with the consummation of the Contribution and the TWC Transactions.”
- n. A new Section 5.17 entitled “Restructuring Cooperation” is hereby added to read:

“If such actions required to treat the subsidiaries of TWC as disregarded from their owner for U.S. federal income tax purposes or contribute TWC assets and interests in its subsidiaries to subsidiaries of New Cheetah following the Closing Date would result in a cost that is material to Cheetah, then, upon the written request of Cheetah, the Parties agree to reasonably cooperate in good faith and in a timely and expeditious fashion (taking into account any regulatory or other approvals required to be obtained) in the implementation of a restructuring of the transactions contemplated herein, and such cooperation shall include entering into appropriate amendments to this Agreement; provided that such cooperation contemplated by this Section 5.17 shall (i) not reasonably be expected to have the effect of materially delaying, impairing or impeding the receipt of any regulatory approvals required in connection with the transactions contemplated hereby or the Closing and (ii) result in an economically equivalent outcome to the Parties in the aggregate.”
- o. Section 6.1(g) of the Contribution Agreement is hereby amended and restated in its entirety to read:

(g) TWC Transaction. The TWC Transactions shall have been consummated, in each case in all material respects in accordance with the terms of the TWC Agreement; provided, that the foregoing shall not apply from and after any time that (i) the TWC Agreement is validly terminated pursuant to Section 10.01(b)(iii)(B), Section 10.01(c)(i), Section 10.01(c)(ii) or Section 10.01(c)(iii) of the TWC Agreement, (ii) a Company Acquisition Proposal (as defined in the TWC Agreement, except that all references to “25%” therein shall be deemed to be references to “50%”, and, as so modified, hereinafter referred to as a “TWC Acquisition Proposal”) shall have been made prior to the termination of the TWC Agreement and (iii) TWC shall enter into a definitive agreement to consummate such TWC Acquisition Proposal within 12 months following termination of the TWC Agreement ((i), (ii) and (iii) collectively, the “Tail Condition”);
- p. Section 8.2(a) of the Contribution Agreement is hereby amended by adding the following words to the end thereof: “; provided further, however, that the End Date shall be automatically extended until the third Business Day following the End Date (as defined in the TWC Agreement) as such End Date (as defined in the TWC Agreement) may be extended pursuant to the terms of the TWC Agreement (or, if later, the expiration of 12 months following the termination of the TWC Agreement unless the Tail Condition shall have become no longer capable of satisfaction)”.

- q. Section 8.2(f) is hereby replaced in its entirety with the following: “Cheetah, on the one hand, and A /N on the other hand, may terminate this Agreement at any time prior to the Closing, by giving written notice of termination to the other, upon termination of the TWC Agreement, in each case, if the Tail Condition is no longer capable of satisfaction;
- r. A new Section 5.18 entitled “Tail Operations” is hereby added to read:
- “The Parties agree that following any termination of the TWC Agreement, the Parties shall operate in the ordinary course consistent with past practices instead of compliance with Sections 5.2, 5.3 and 5.4(f); provided that Sections 5.2(xxi) and 5.3(i) shall survive such termination and be applicable to the respective Parties.”
- s. Each of the definition of “Cheetah Material Adverse Effect” in the Contribution Agreement, and Section 5.3, Section 5.4(g), and Section 5.12(a) of the Contribution Agreement, is hereby amended by replacing each reference therein to the “Comcast Agreement” with the “TWC Agreement”.
- t. Each of the definition of “Excluded Taxes” in the Contribution Agreement, and Sections 3.18(a) and 3.18(b) of the Contribution Agreement, is hereby amended by removing each reference to “or the Specified Assets” therein.
- u. Each reference to the “New Cheetah Registration Statement” in Section 5.11(f) of the Contribution Agreement is hereby deemed to refer to the Registration Statement on Form S-4 that will be by Cheetah, New Cheetah or any of their affiliates with respect to the TWC Transaction.
- v. Exhibit B of the Contribution Agreement is hereby amended by (i) replacing from the paragraph opposite the heading “Class B Shares” the sentence “The Class B common shares will initially have 50 votes each.” with the following: “The Class B common share will initially have a number of votes reflecting the voting power of the Charter Holdco common units (other than those owned by Charter) and the exchangeable preferred units on an as-converted, as exchanged basis.”, (ii) deleting from the paragraph opposite the heading “Class B Shares” the phrase “, subject to the Class B Director Appointment Right (as defined in the Shareholders’ Agreement)”; and (iii) in the first paragraph opposite the heading “Exchange and Conversion”, replacing the sentence “Any such exchange will also require a conversion of a proportionate amount of Class B shares into common stock.” with the following: “Any such exchange will also require a proportionate adjustment to the voting power of the Class B common share. Upon exchange of all Charter Holdco common units, the Class B share shall be cancelled.”
- w. Exhibit A to Exhibit B of the Contribution Agreement is hereby amended by replacing from the paragraph opposite the heading “Ranking” in the column “Explanation” the words “20% vote or equity ownership” with the words “at least 66 2/3% of the preferred units issued to it at Closing”.

- y. The step plan attached to Exhibit B to the Contribution Agreement shall be amended and restated in its entirety substantially in the form attached hereto as Exhibit A.
- z. Paragraph (a) of the definition of “Excluded Liabilities” is hereby amended by deleting the words “, Time Warner Cable, Inc., the TWEAN Partnership” and replacing the words “each of their respective” with the word “its”. 2. Consent and Acknowledgement. The Parties agree that none of discussions with respect to, entering into or performing the TWC Agreement or the transactions contemplated thereby (or any agreements entered or to be entered into in connection therewith) shall be deemed to be a breach of, or give rise to any remedy or right under, any provision of the Contribution Agreement (including, without limitation, Sections 5.3, 5.5, 5.11, Article VI, and Article VII thereof) or any other Transaction Agreement.

3. Cooperation, Assistance and Coordination. A/N hereby agrees that the covenants, undertaking and efforts required of A/N and its Affiliates in Section 5.4 and Section 5.5 shall be deemed to apply to the TWC Transaction on the same basis as they apply to the transactions contemplated by the Contribution Agreement (as amended hereby), including that A/N shall cooperate and coordinate the timing of regulatory efforts with the process for obtaining regulatory approvals for the TWC Transaction. A/N acknowledges that Cheetah may (but is not required to) hold the Cheetah Stockholder Meeting on the same day as its meeting to approve the TWC Transaction and that the Proxy Statement may (but is not required to) be included as part of the Registration Statement on Form S-4 (and a proxy statement and/or prospectus contained therein) that will be filed by Cheetah, New Cheetah or any of their Affiliates with respect to the TWC Transaction.

4. Reservation of Rights. The Parties hereby agree that this Amendment shall not be deemed to constitute a waiver of any existing right or remedy under the Contribution Agreement not expressly stated herein. Except to the extent expressly waived hereby, each Party hereby expressly reserves all rights and remedies available to such Party for the full protection and enforcement of its rights or remedies under the Contribution Agreement, without prejudice to any rights or remedies that such Party may now have or may have in the future under or in connection

(a) Subject to, and not in limitation of, Section 5.5, A/N, on the one hand, and Cheetah, on the other hand, shall cooperate and use its respective commercially reasonable efforts to do, or cause to be done, all things necessary or advisable to fulfill as promptly as practicable the conditions to Closing in this Agreement and consummate the Contribution. Without limiting the generality of the foregoing, A/N, on the one hand, and Cheetah, on the other hand, shall each, with the reasonable cooperation of the other(s), use commercially reasonable efforts

to obtain and maintain all A/N Consents and Cheetah Consents, respectively. If, notwithstanding the exercise of their commercially reasonable efforts and compliance with this Section 5.4 and Section 5.5, A/N is unable to obtain one or more of the A/N Consents, A/N shall reasonably cooperate with Cheetah's efforts to obtain each such A/N Consent for a period of 12 months following the Closing. For the avoidance of doubt, except as otherwise provided in Article VI, none of the parties' obligations to effect the Closing shall be conditioned on obtaining any A/N Consents or Cheetah Consents.

(b) Nothing contained in this Agreement shall require the expenditure or payment of any funds (other than in respect of normal and usual attorneys' fees, filing fees or other normal costs of doing business), the giving of any other consideration by Cheetah, A/N, Bengal or their respective Subsidiaries with respect to seeking any A/N Consents or Cheetah Consents or any regulatory approvals pursuant to Section 5.5.

(c) Each party shall execute and deliver such other documents, certificates, agreements and other writings and to take such other commercially reasonable actions as may be necessary or desirable to evidence, consummate or implement expeditiously the Contribution.

(d) In consultation with Cheetah, A/N shall comply with all requirements of the TWEAN Agreement necessary in order to permit the satisfaction of the condition set forth in Section 6.1(f). Until the earlier of the Closing and the date that this Agreement is terminated in accordance with Article VIII, A/N shall (i) as promptly as practicable inform Cheetah of the content of any oral communications with, and as promptly as practicable provide to Cheetah copies of any written communications with, TWCE or any of its Representatives relating to the Offer Notice, any Counter-Offer (including for the avoidance of doubt a copy of the terms of any Counter-Offer), the Contribution or the transactions contemplated by this Agreement and (ii) give Cheetah notice of any meeting with TWCE or any of its Representatives in respect of any such matter, and shall give Cheetah a description of the purpose of and, to the extent known, agenda for such meeting.

(e) The parties shall negotiate in good faith the definitive terms of the Transaction Agreements (for the avoidance of doubt, other than the Stockholders Agreement) and the Amended and Restated Certificate as promptly as reasonably practicable after the date of this Agreement, on the terms and conditions set forth in Exhibit B, to the extent applicable, and with such other customary terms as may be reasonably agreed upon by the parties. On the Closing Date and concurrently with the Closing, each of A/N, New Cheetah and Cheetah Holdco shall enter into the Transaction Agreements (for the avoidance of doubt, other than the Stockholders Agreement).

(f) Without the consent of Cheetah, (i) no Amendment shall be agreed to by A/N or any of its Affiliates with respect to (x) the TWEAN Documents, or (y) any non-de minimis TWCE Agreement (other than programming Contracts) and (ii) A/N and its Affiliates shall not enter into any Contract with TWCE or any of its Affiliates that would constitute a non-de minimis TWCE Agreement (other than programming Contracts) or agree to any Amendment to any such Contract entered into after the date hereof, in the case of each of clauses (i)(y) and (ii), such consent not to be unreasonably withheld, conditioned or delayed.

(g) Notwithstanding anything to the contrary herein, nothing in this Agreement shall require Cheetah, New Cheetah or any of their Subsidiaries to take any action that would breach the Comcast Agreement or any agreement entered into in connection therewith.

Section 5.5 Regulatory Approvals.

(a) As soon as practicable after the execution of this Agreement, but in any event no later than thirty (30) calendar days thereafter, A/N and Cheetah shall prepare and file or deliver, or cause to be prepared and filed or delivered, all applications (including FCC Forms 394 or other appropriate forms) and requests required to be filed with or delivered to the FCC or any other Government Entities that are necessary to obtain the consents of such Government Entities in connection with the transactions contemplated by this Agreement (the "Required Regulatory Approvals"). The parties shall consult and work together in good faith to develop a consensus plan and strategy with respect to making regulatory filings and obtaining the Required Regulatory Approvals. Cheetah and A/N will cooperate and keep each other apprised with respect thereto as set out in this Section 5.5. In addition, A/N shall cause Bengal to use reasonable best efforts to obtain a renewal or extension of any Bengal Franchise (for a period of at least two (2) years) for which a valid notice of renewal pursuant to the formal renewal procedures established by Section 626 of the Communications Act has not been timely delivered to the appropriate Government Entity. Each party shall promptly file any additional information requested by any Government Entity as soon as practicable after receipt of a request for additional information. The parties shall cooperate fully with each other in all reasonable respects and shall use reasonable best efforts to obtain the Required Regulatory Approvals as promptly as practicable. Each party shall have the right to review and approve in advance, with such approvals not to be unreasonably withheld or delayed, all filings with Government Entities to be made by the other party in connection with the Contribution. Each party shall coordinate and cooperate with one another in exchanging such information and providing such reasonable assistance as may be requested in connection with such filings. Without the prior consent of Cheetah, none of the A/N, Bengal or any of its Subsidiaries shall agree with any Government Entity to extend or to toll the time limits applicable to such Government Entity's consideration of any FCC Form 394 filed with such Government Entity. Each party shall promptly supply the other with copies of all nonconfidential correspondence, filings or communications (or memoranda setting forth the substance thereof) between such party or its Representatives and any Government Entity or members of their respective staffs with respect to this Agreement or the Contribution. A/N will, to the extent reasonably practicable, notify Cheetah of all meetings, hearings and other discussions before or with Government Entities in connection with the renewal or extension of any Bengal Franchise or Bengal Governmental Authorization relating to a Bengal Franchise or the granting of an LFA Approval with respect to any Bengal Franchise, such that Cheetah's Representatives can participate to the extent reasonably practicable in such proceedings. No party shall take in bad faith any action that would have the effect of delaying, impairing or impeding the receipt of any Required Regulatory Approvals.

(b) As soon as practicable after the execution of this Agreement, but in any event no later than one (1) Business Day after such execution, A/N and Cheetah shall request in-person meetings with the appropriate representatives of each of the Antitrust Division and the FCC to be held within two (2) Business Days of such request, or as promptly as possible thereafter that such representatives are available to meet, in order that the parties may discuss that such Government Entities provide expedited review of the Contribution and other transactions contemplated by this Agreement and to volunteer to provide to such Government Entities

with any materials, white papers or analyses that may accelerate the education of such Government Entities.

(c) Each of A/N and Cheetah shall (i) make or cause to be made all filings required of each of them or any of their Affiliates under the HSR Act or other Antitrust Laws with respect to the Contribution as promptly as practicable and, in any event, within 30 days after the date of this Agreement in the case of all filings required under the HSR Act, (ii) comply at the earliest practicable date with any request under the HSR Act or other Antitrust Laws for additional information, documents, or other materials received by each of them or any of their respective subsidiaries or Affiliates from the FTC, the Antitrust Division or any other Government Antitrust Entity in respect of such filings or the Contribution, and (iii) cooperate with each other in connection with any such filing (including, to the extent permitted by applicable Law, providing copies of drafts of all prepared filings to the non-filing parties prior to filing and considering all reasonable additions, deletions or changes suggested in connection therewith) and in connection with resolving any investigation or other inquiry of any of the FTC, the Antitrust Division or other Government Antitrust Entity under any Antitrust Laws with respect to any such filing or any such transaction. Each such party shall use its reasonable best efforts to furnish to each other all information requested by the other party that is reasonably required for any application or other filing to be made pursuant to any applicable law in connection with the Contribution or the other transactions contemplated by this Agreement. Each such party shall promptly inform the other parties hereto of any oral communication with, and provide copies of written communications (and memoranda setting forth the substance of any oral communication) with, any Government Entity or third party regarding any such filings or any such transaction. Unless prohibited by applicable Law or by the applicable Government Entity, each party shall consult with the other party prior to any meetings, by telephone or in person, with the staff of a Government Entity in connection with the transactions contemplated by this Agreement and to the extent reasonably practicable, (A) not participate in or attend any meeting, or engage in any substantive conversation, with any Government Entity without the other party, (B) give the other party reasonable prior notice of any such meeting or conversation, and (C) in the event one party is prohibited by applicable Law or by the applicable Government Entity from participating in or attending any such meeting or engaging in any such conversation, keep such party apprised with respect thereto. Subject to applicable Law, the parties hereto will consult and cooperate with one another in connection with any analyses, appearances, presentations, memoranda, briefs, arguments, opinions and proposals made or submitted by or on behalf of any party hereto relating to proceedings under the HSR Act, other Antitrust Laws or other applicable Law. Any party may, if it reasonably deems it advisable and necessary, designate any competitively sensitive material provided to the other parties under this Section 5.5 as "outside counsel only" (it being agreed that such materials designated as "outside counsel only" and the information contained therein shall be given only to the outside legal counsel of the recipient and will not be disclosed by such outside counsel to employees, officers, or directors of the recipient, unless express written permission is obtained in advance from the source of the materials). In addition, any party may redact any material provided to the other parties under this Section 5.5 (whether or not competitively sensitive or designated as "outside counsel only") (A) to exclude documents filed in response to Items 4(c) and 4(d) of the filing pursuant to the HSR Act, (B) to remove references concerning the valuation of businesses, (C) as necessary to comply with contractual agreements, and (D) as necessary to address reasonable privilege concerns.

(d) Each of Cheetah and A/N shall use its reasonable best efforts to resolve such objections, if any, as may be asserted by any Government Antitrust Entity with respect to the Contribution under the HSR Act, the Sherman Act, as amended, the Clayton Act, as amended, the Federal Trade Commission Act, as amended, and any other United States federal or state or foreign statutes, rules, regulations, orders, decrees, administrative or judicial doctrines or other laws that are designed to prohibit, restrict or regulate actions having the purpose or effect of monopolization or restraint of trade (collectively, the “Antitrust Laws”). Each of Cheetah and A/N shall use reasonable best efforts to take such actions as may be required to cause the expiration of the waiting or notice periods under the HSR Act or other Antitrust Laws with respect to the Contribution as promptly as possible after the execution of this Agreement.

(e) Notwithstanding anything in this Agreement to the contrary, Cheetah, New Cheetah, Cheetah Holdco and A/N understand and agree that “reasonable best efforts” shall not require Cheetah, New Cheetah, Cheetah Holdco or any of their respective Subsidiaries to (i) divest or otherwise hold separate (including by establishing a trust or otherwise) any businesses, assets or properties of Cheetah, New Cheetah, Cheetah Holdco or any of their respective Subsidiaries or any of their or their respective Subsidiaries’ respective businesses, assets or properties (except for the transactions expressly contemplated by this Agreement and the Transaction Agreements), (ii) accept any conditions or take any other actions that would apply to, or affect, any businesses, assets or properties of Cheetah, New Cheetah, Cheetah Holdco or any of their respective Subsidiaries or any of their or their respective Subsidiaries’ respective businesses, assets or properties or (iii) litigate or participate in the litigation of any proceeding involving the FCC, the FTC or Antitrust Division, whether judicial or administrative, in order to (A) oppose or defend against any action by any such Government Entity to prevent or enjoin the consummation of the Contribution or any of the other transactions contemplated by this Agreement or the Transaction Agreements or (B) overturn any regulatory action by any such Government Entity to prevent consummation of the Contribution or any of the other transactions contemplated by this Agreement or the Transaction Agreements, including by defending any suit, action or other legal proceeding brought by any such Government Entity in order to avoid the entry of, or to have vacated, overturned or terminated or appealing any order; provided, that Cheetah, New Cheetah, Cheetah Holdco and their respective Subsidiaries shall be required, notwithstanding the preceding clauses (i) and (ii), to take the actions and accept the conditions imposed by a Government Entity described in the immediately preceding clauses (i) and (ii), to the extent such actions are consistent in scope and magnitude with the conditions and actions (other than any condition that was subsequently suspended by the agency that imposed the condition) required or imposed by a Government Entity on Cheetah in connection with the Comcast Agreement (or any Long-Form Agreement (as defined therein) entered into pursuant thereto and consistent in all material respects with the definitive proxy statement on Schedule 14A of Cheetah dated February 17, 2015 and filed with the SEC on such date, including the Separation Agreement, the Spinco Merger Agreement, the Asset Exchange Agreement or the Asset Purchase Agreement) (each condition and action described in clause (i), (ii) or (iii) that Cheetah, New Cheetah or Cheetah Holdco is not required to accept or take after giving effect to the foregoing proviso to this Section 5.5(e), a “Burdensome Condition”); provided, further, that no condition or action shall constitute a “Burdensome Condition” to the extent related to franchises, State Telecommunication Authorizations (other than for California) or regional sports networks, regardless of whether any such condition or action is required or imposed by a Government Entity on Cheetah in connection with the Comcast Agreement (or any

Long-Form Agreement (as defined therein) entered into pursuant thereto and consistent in all material respects with the definitive proxy statement on Schedule 14A of Cheetah dated February 17, 2015 and filed with the SEC on such date, including the Separation Agreement, the Spinco Merger Agreement, the Asset Exchange Agreement or the Asset Purchase Agreement).

(f) Notwithstanding the foregoing, neither Cheetah, New Cheetah nor Cheetah Holdco shall be required to commit to or effect any action contemplated by this Section 5.5 that is not conditioned upon the consummation of the Contribution and the other transactions contemplated by this Agreement and the Transaction Agreements. Cheetah, New Cheetah, Cheetah Holdco and A/N acknowledge and agree that nothing in this Section 5.5 shall restrict any party's practice of making efforts, taking positions and requesting approvals or consents for a variety of matters from a variety of regulators (which efforts, positions or requested approvals or consents may be inconsistent with or contrast with those made, taken or requested by any other party).

Section 5.6 Tax Matters.

(a) Cheetah Holdco shall be responsible for and pay two-thirds of all Transfer Taxes and one-half of any Sales Taxes, and A/N shall be responsible for and pay one-third of all Transfer Taxes and one-half of any Sales Taxes. Any Tax Returns that must be filed in connection with Transfer Taxes or Sales Taxes shall be prepared by the party primarily or customarily responsible under applicable Law for filing such Tax Returns, and such party will use commercially reasonable efforts to provide such Tax Returns to the other party (or, in the case of Bengal, to A/N) at least ten (10) Business Days prior to the date such Tax Returns are due to be filed. Cheetah and A/N shall cooperate in the timely completion and filing of all such Tax Returns.

(b) A/N and Cheetah Holdco shall provide each other with such assistance as reasonably may be requested by either of them in connection with (i) the preparation of any Tax Return, or (ii) any audit or other examination by any taxing authority, or any judicial or administrative proceedings relating to liability for Taxes. The party requesting assistance hereunder shall reimburse the other party for reasonable out-of-pocket expenses incurred in providing such assistance, provided, however, that, for purposes of receiving reimbursement, no independent contractors, such as accountants or attorneys, shall be consulted without the written consent of the party requesting assistance, which consent shall not be unreasonably withheld.

(c) Cheetah Holdco shall indemnify and hold harmless A/N from and against any Transfer Taxes and any Sales Taxes for which Cheetah Holdco is responsible pursuant to Section 5.6(a).

Section 5.7 Employees.

(a) Transfer of Employment. As of no later than immediately prior to the Closing, A/N, Bengal and their respective Affiliates shall take such actions as are reasonably necessary to ensure that the Employees who provide services primarily with respect to the Bengal Business (each, a "Bengal Business Employee") are employed by Bengal or one of its Subsidiaries, including any such employee who, on the Closing Date, is on leave of any kind. Section 5.7(a) of the A/N Disclosure Schedule sets forth a correct and complete list, as of the date hereof, of each Bengal Business Employee and each such Bengal Business Employee's title, location of employment, date of hire, base salary or hourly wage rate, incentives and/or commissions paid in respect of 2014 and accrued vacation or other paid time off, which list is subject to up-

date for new hires (to the extent permitted by the terms of this Agreement) from time to time from the date hereof to the Closing Date. The Bengal Business Employees who continue employment with Cheetah, Bengal or any of their respective Affiliates from and following the Closing Date are hereinafter referred to as the "Continuing Employees." With respect to any Continuing Employees who hold work visas, A/N and Cheetah shall cooperate to provide for the transfer of the sponsorship of such visas to Cheetah effective as of the Closing Date.

(b) Terms of Compensation and Benefits Following the Closing. Following the Closing,

(i) until the first anniversary thereof, Cheetah shall provide, or shall cause to be provided to each Continuing Employee (1) base salary or base wage and annual bonus opportunities, which are no less favorable in the aggregate than those provided immediately prior to the Closing to each such Continuing Employee, (2) commission opportunities that are no less favorable than either those provided immediately prior to the Closing to each such Continuing Employee or those provided to similarly situated employees of Cheetah and its Affiliates and (3) employee benefits (other than severance) that are no less favorable in the aggregate than those provided to each such Continuing Employee immediately prior to the Closing; provided that, for purposes of determining whether such pay, opportunities and benefits are no less favorable in the aggregate, Cash Long-Term Awards, equity compensation, defined benefit pension plan benefits, retention, sale, stay, or change in control payments or awards or any similar compensation or benefit shall not be taken into account; provided further, that, for purposes of the Advance/Newhouse Partnership Health Benefits Plan, Advance/Newhouse Partnership Life Insurance Plan and Advance/Newhouse Partnership Disability Plan (each of which will be transferred to Bengal or its Subsidiaries on or prior to, and assumed by Cheetah or its Affiliates (including Bengal or its Subsidiaries) as of, the Closing), the Continuing Employees shall be permitted to continue in such Bengal Benefit Plans until the end of the applicable plan year during which the Closing occurs;

(ii) the service of each Continuing Employee with Bengal or any of its Subsidiaries (or any predecessor employer) prior to the Closing shall be treated as service with Cheetah and its Subsidiaries for purposes of eligibility to participate and vesting under each employee benefit plan, agreement, program, policy and arrangement of Cheetah or its Affiliates (the "Cheetah Plans") (including vacation, paid time-off and severance plans) in which such Continuing Employee is eligible to participate and participates in after the Closing; provided that such recognition of service shall not (A) apply for purposes of any defined benefit retirement plan or plan that provides retiree Welfare Benefits, (B) operate to duplicate any benefits of a Continuing Employee with respect to the same period of service or (C) apply for purposes of any plan, program or arrangement (x) under which similarly situated employees of Cheetah and its Subsidiaries do not receive credit for prior service or (y) that is grandfathered or frozen, either with respect to level of benefits or participation; and

(iii) for purposes of each Cheetah Plan in which any Continuing Employee or his or her eligible dependents is eligible to participate and participates in after the Closing, to the extent commercially reasonable and permitted by applicable Law, Cheetah shall cause Bengal and its Subsidiaries to (A) waive any pre-existing condition, exclusion, or waiting period to the extent such condition, exclusion, or waiting period

was satisfied or waived under the comparable Bengal Benefit Plan as of the Closing and (B) provide full credit for any co-payments, deductibles or similar payments made or incurred prior to the Closing under the comparable Bengal Benefit Plan for the plan year in which the Closing occurs.

(c) Health and Welfare Plans. For periods prior to the Closing, A/N and its Affiliates shall comply with the health care continuation coverage requirements of Section 4980B of the Code or Part 6 of Title I of ERISA ("COBRA Coverage") and the portability requirements under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), in each case, with respect to the Bengal Business Employees and individuals who would have been Bengal Business Employees if employed on the Closing Date. Prior to the Closing, A/N and its Affiliates shall cause Bengal and its Subsidiaries to assume sponsorship of all Bengal Welfare Plans and any related vendor agreements or related, specifically identified or segregated assets, including those held in trusts and whether or not commingled with specified or segregated assets intended to fund other employee benefit obligations, as well as insurance policies and other funding vehicles. From and after the Closing, Cheetah and its Affiliates shall assume all Liabilities in respect of the Bengal Welfare Plans (including in respect of retiree medical obligations as set forth in Section 3.14(d) of the A/N Disclosure Schedule and COBRA Coverage); provided, however, in the event that Cheetah and its Affiliates incur any Liabilities as a result of A/N and its Affiliates' breach of their obligations hereunder, A/N and its Affiliates shall retain and reimburse Cheetah and its Affiliates for any such Liabilities.

(d) 401(k) Plans. From and following the Closing, A/N and its Affiliates (excluding Bengal and its Subsidiaries) shall retain all Liabilities, along with all assets under, the Advance 401(k) Plan (the "Advance 401(k) Plan"). If, following the Closing, Cheetah maintains a tax-qualified 401(k) retirement plan for its employees (the "Cheetah 401(k) Plan"), Cheetah and A/N shall take all actions necessary either (i) to permit, beginning as soon as practicable following the Closing, each Continuing Employee to effect a rollover contribution of "eligible rollover distributions" (within the meaning of Section 401(a)(31) of the Code, and including loans) of such Continuing Employee's account balance (which shall become fully vested as of immediately prior to the Closing) from the Advance 401(k) Plan to the Cheetah 401(k) Plan, in the form of cash, in an amount equal to the full account balance (including loans) distributed to such employee from the Advance 401(k) Plan or (ii) at Cheetah's option, to effect a direct transfer from a trust established under the Advance 401(k) Plan to a trust established under the Cheetah 401(k) Plan of each Continuing Employee's account balance under the Advance 401(k) Plan to the Cheetah 401(k) Plan, provided that all transferred assets shall be in the form of cash;

(e) Flexible Spending Accounts.

(i) Immediately prior to the Closing Date, either Cheetah or its Affiliates shall at Cheetah's election either (A) have in effect one or more plans or arrangements providing for health care flexible spending and dependent care spending accounts (each, a "Cheetah Flex Plan") in which each Continuing Employee who participates in the Advance/Newhouse Partnership Flexible Spending Account Plan (the "A/N Flex Plan") is eligible to participate as of the Closing Date or (B) allow each such Continuing Employee to remain a participant in the A/N Flex Plan (which shall transfer to Bengal or its Subsidiaries on or prior to, and be assumed by Cheetah or its Affiliates (including Bengal or its Subsidiaries) as of, the Closing). To the extent permitted by applicable Law and to the extent applicable, A/N and Cheetah shall take all actions neces-

sary or appropriate so that, effective as of the Closing Date, (A) the account balance (positive or negative) in the applicable accounts of each Continuing Employee under the A/N Flex Plan shall be transferred to the applicable Cheetah Flex Plans; (B) the elections, contribution levels and coverage levels of such Continuing Employee shall apply under the applicable Cheetah Flex Plans, in the same manner as under the A/N Flex Plan; and (C) from and after the Closing Date, each Continuing Employee shall be reimbursed from the applicable Cheetah Flex Plans in a comparable manner based on similar terms as the A/N Flex Plan for claims incurred at any time during the plan year in which the Closing Date occurs.

(ii) As soon as reasonably practicable after the Closing Date (and in no event more than 120 days thereafter), A/N shall determine the positive or negative Aggregate Flex Plan Balance (as defined below) and notify Cheetah of the amount of such Aggregate Flex Plan Balance in writing. The term "Aggregate Flex Plan Balance" shall mean, as of the Closing Date, the aggregate amount of contributions that have been made to the accounts of the Continuing Employees under the A/N Flex Plan for the plan year in which Closing Date occurs, minus the aggregate amount of reimbursements that have been made from the accounts of the Continuing Employees under the A/N Flex Plan for the plan year in which the Closing Date occurs. If the applicable Aggregate Flex Plan Balance is a negative amount, Cheetah shall pay the absolute value of such amount to A/N as soon as reasonably practicable following Cheetah's receipt of the written notice thereof. If the applicable Aggregate Flex Plan Balance is a positive amount, A/N shall pay such positive amount to Cheetah as soon as reasonably practicable following A/N's receipt of the written notice thereof.

(f) Cash-Based Incentive Compensation.

(i) Short-Term Cash Incentive Compensation. Between the date hereof and the Closing, A/N and its Affiliates shall continue to pay all annual bonuses and other short-term cash incentive compensation that become due to the Bengal Business Employees or individuals who would have been Bengal Business Employees if employed on the Closing Date in the Ordinary Course (and, for the avoidance of doubt, shall not delay the payment of any amount otherwise payable in accordance with its terms or in the Ordinary Course prior to the Closing until after the Closing). From and following the Closing, Cheetah and its Affiliates shall assume all Liabilities in respect of annual bonuses and other short-term cash incentive compensation that become due to the Bengal Business Employees from and following the Closing. Cheetah shall (and shall cause its Affiliates to) pay, to any Continuing Employee whose employment is involuntarily terminated by Cheetah (or any of its Affiliates) on or after the Closing Date other than for cause or due to death or disability, who was prior to termination eligible for an annual bonus in respect of the year of termination, and who executes a release of claims in a form provided by Cheetah, an annual bonus in respect of the year in which the Closing Date occurs, in an amount determined based on the bonus actually paid to such person for the year preceding the year in which the Closing occurred, prorated based on the ratio of (x) the number of days elapsed from and including the commencement of the bonus year through and including the Continuing Employee's termination date divided by (y) the total number of days in the bonus year, and payable within fifty (50) days following employment termination; provided, however, any payment to a Continuing Employee contemplated by this sentence shall be reduced by the value

of any payments in respect of the applicable Continuing Employee's annual bonus for the portion of the year of termination preceding the date of termination that are made to the applicable Continuing Employee under any other arrangement to the extent such payment would result in a duplicative bonus for the same period of service.

(ii) Long-Term Cash Incentive Compensation. Effective as of immediately prior to the Closing, each award granted under the Cash-Based Plans (a "Cash Long-Term Award") that is outstanding as of the date hereof and is held by a Bengal Business Employee or individual who would have been a Bengal Business Employee if employed on the Closing Date shall vest in full and be paid by A/N or its Affiliates (excluding Bengal and its Subsidiaries) on or following the Closing Date in accordance with applicable Law and the applicable award terms. A/N and its Affiliates (excluding Bengal and its Subsidiaries) shall retain and be responsible for all Liabilities related to any Cash Long-Term Awards outstanding on the date hereof, which shall be considered Excluded Liabilities.

(g) Severance. Prior to the Closing, A/N and its Affiliates shall take all actions as are necessary to ensure that the transactions contemplated by this Agreement do not trigger entitlement to any severance compensation or benefits ("Severance Compensation") to any Bengal Business Employee or Continuing Employee. Between the date hereof and the Closing, A/N and its Affiliates shall continue to pay all Severance Compensation that becomes payable to any individuals who would have been Bengal Business Employees if employed as of the Closing in the Ordinary Course (and, for the avoidance of doubt, shall not delay the payment of any such amounts otherwise payable prior to the Closing until after the Closing). Cheetah and its Affiliates shall be responsible for all Liabilities related to any Severance Compensation that becomes payable to any Bengal Business Employee, Continuing Employee or individual who would have been a Bengal Business Employee if employed as of the Closing, whether arising prior to, on or after the Closing Date; provided, however, in the event that Cheetah and its Affiliates incur any Liabilities as a result of A/N and its Affiliates' breach of their obligations hereunder, A/N and its Affiliates shall retain and reimburse Cheetah and its Affiliates for any such Liabilities.

(h) WARN Act. A/N shall periodically notify Cheetah of the number and work location of employees of the Bengal Business or Bengal or any of its Subsidiaries laid-off during the 90-day period prior to the Closing, and shall provide to Cheetah a final list as of immediately prior to the Closing. Subject to A/N's compliance with the immediately preceding sentence, Cheetah shall be responsible for providing or discharging any and all notifications, benefits and liabilities to Continuing Employees and governmental authorities required by the WARN Act.

(i) Paid Time Off. Following the Closing, Cheetah shall assume and honor, in accordance with the terms of the applicable Benefit Plan, the unused vacation or paid-time off earned and accrued by each Continuing Employee.

(j) Employee Communications. To the extent reasonably practicable, prior to making any broadly-distributed written or oral communications to the directors, officers or employees of Bengal or any of its Subsidiaries pertaining to material post-Closing compensation or benefit matters that are affected by the Contribution, A/N shall cause Bengal to consult with Cheetah regarding the content of the intended communication, and shall consider any feedback in good faith (provided that any subsequent communications substantively consistent with

those previously consulted upon will not require any further consultation). Cheetah shall have a reasonable period of time to review and comment on the communication, which comments A/N and Bengal shall consider in good faith.

(k) No Third-Party Beneficiaries. Notwithstanding any provision of this Section 5.7, Cheetah shall either cause the Continuing Employees to continue to participate in the existing Bengal Benefit Plans that continue to be maintained by Bengal from and after the Closing or, in its sole discretion, cause the Continuing Employees to participate in the Cheetah Plans. Furthermore, nothing contained in this Section 5.7 shall require or imply that the employment of the Bengal Business Employees or the Continuing Employees will continue for any particular period of time following the Closing. This Section 5.7 is not intended, and shall not be deemed, to confer any rights or remedies upon any Person other than the parties to this Agreement and their respective successors and permitted assigns, to create any agreement of employment with any Person or to otherwise create any third-party beneficiary hereunder, or to be interpreted as an amendment to any plan of Cheetah or any Affiliate of Cheetah (including Bengal and its Subsidiaries).

Section 5.8 Real Estate Matters. A/N shall reasonably cooperate with Cheetah and shall cause Bengal and its Subsidiaries to provide to Cheetah current commitments to issue title insurance policies on the 2006 ALTA owner's form so that Cheetah may receive, at Cheetah's expense and to the extent available in the respective jurisdiction, an ALTA owner's policy or policies of title insurance from a nationally recognized title insurance company reasonably acceptable to Cheetah (the "Title Company") insuring title to such of the Bengal Owned Real Property that Cheetah shall designate in writing, subject only to Permitted Encumbrances. A/N shall reasonably cooperate with Cheetah so that Cheetah may receive, at Cheetah's expense, a current ALTA/ASCM survey of each such parcel of Bengal Owned Real Property and, where Bengal is the sole tenant of the Bengal Leased Real Property, such Bengal Leased Real Property. Each such survey shall be certified to (i) Cheetah, (ii) Bengal or applicable Subsidiary, and (iii) the Title Company.

Section 5.9 Notification. Between the date of this Agreement and the Closing Date, A/N shall give prompt notice to Cheetah, and Cheetah shall give prompt notice to A/N, (a) of any notice or other communication received by such party from any Government Entity in connection with the Contribution or from any Person alleging that the consent of such Person is or may be required in connection with the Contribution, if the subject matter of such communication or the failure of such party to obtain such consent could be material to A/N, Bengal or any Cheetah Party, (b) of any actions, suits, claims, investigations or proceedings commenced relating to the Contribution, and (c) if such party becomes aware of any fact, circumstance or event that would reasonably be expected to cause any of the conditions set forth in Section 6.1, 6.2 or 6.3 not to be satisfied. Notwithstanding the foregoing, it is understood and agreed that neither the delivery or non-delivery of any notice pursuant to this Section 5.9 nor any disclosures provided thereby shall affect any of the rights, remedies or obligations of the parties hereunder.

Section 5.10 Transition Matters. Prior to the Closing, A/N shall use reasonable best efforts to secure, and minimize the scope of, the transitional services that will be required from TWCE and its Affiliates in connection with the operation of the Bengal Business following the Closing, and shall cooperate with the Cheetah Parties in the negotiation and development of the agreements governing such transitional services (and shall not enter into any such agreement without Cheetah's consent). A/N, on the one hand, and Cheetah, on the other hand, shall co-

operate with respect to (a) the development of a migration plan in connection with the separation of the Bengal Business from TWCE as promptly as practicable after the date hereof, and in any event within ninety (90) days of the date hereof, and (b) the determination of how to address Bengal and its Subsidiaries ceasing to be a beneficiary under each TWCE Agreement. A/N shall as promptly as practicable inform Cheetah of the content of any significant oral communications with, and as promptly as practicable provide to Cheetah copies of any written communications with, TWCE or any of its Representatives relating to the matters contemplated by this Section 5.10. A/N shall give Cheetah notice of and use its reasonable best efforts to enable Cheetah to participate in any meeting with TWCE or any of its Representatives in respect of any such matter, and shall give Cheetah a description of the purpose of and, to the extent known, agenda for such meeting.

Section 5.11 Proxy Filing; Adverse Recommendation Change; Information Supplied.

(a) Cheetah shall take all action necessary to cause a meeting of its stockholders (the "Cheetah Stockholder Meeting") to be duly called and held as soon as reasonably practicable after the date hereof for the purpose of obtaining the Cheetah Stockholder Approvals. Cheetah shall (i) include in the Proxy Statement the recommendation of the Board of Directors of Cheetah in favor of the Cheetah Stockholder Approvals and (ii) use its reasonable best efforts to obtain the Cheetah Stockholder Approvals, unless in each case there has been an Adverse Recommendation Change. Nothing in this Agreement shall restrict the Board of Directors of Cheetah or any committee thereof from withdrawing, modifying or qualifying the recommendation described in clause (i) of the preceding sentence (an "Adverse Recommendation Change") if the Board of Directors of Cheetah or such committee determines in good faith, after consultation with its outside legal counsel and financial advisor, that failure to take such action would be inconsistent with its fiduciary duties under applicable Law; provided, however, that no Adverse Recommendation Change may be made until after at least three (3) Business Days following A/N's receipt of notice from Cheetah advising that the Board of Directors of Cheetah or such committee intends to make an Adverse Recommendation Change and the basis therefor. Notwithstanding any Adverse Recommendation Change, unless this Agreement has been validly terminated in accordance with Article VIII, Cheetah shall remain obligated to hold the Cheetah Stockholder Meeting in accordance herewith for the purpose of obtaining the Cheetah Stockholder Approvals, and nothing contained herein shall relieve Cheetah of such obligation.

(b) In connection with the Cheetah Stockholder Meeting, Cheetah shall, as promptly as practicable after the date hereof (on a timetable to be mutually agreed in light of accounting, regulatory and transactional considerations), prepare and file a proxy statement in preliminary form relating to the Cheetah Stockholder Meeting (such proxy statement, including any amendment or supplement thereto, the "Proxy Statement") with the SEC. Cheetah will provide A/N and its counsel a reasonable opportunity to review and comment on the Proxy Statement, and shall consider any comments of A/N thereon. Cheetah shall use its reasonable best efforts to (i) ensure that the Proxy Statement complies as to form in all material respects with the rules and regulations promulgated by the SEC under the Exchange Act, (ii) promptly notify A/N of, cooperate with A/N with respect to, and respond promptly to any comments of the SEC or its staff, (iii) have the Proxy Statement become definitive as promptly as practicable after such filing, and (iv) cause the Proxy Statement to be mailed to Cheetah's stockholders as promptly as practicable after such time of becoming definitive.

(c) A/N shall furnish all information concerning itself, its Subsidiaries and its Affiliates to Cheetah and provide such other assistance as may be reasonably requested by Cheetah in connection with the preparation, filing and distribution of the Proxy Statement.

(d) Cheetah shall promptly provide A/N and its counsel with any comments, whether written or oral, that Cheetah or its counsel may receive from time to time from the SEC or its staff with respect to the Proxy Statement promptly after receipt of those comments. Cheetah will provide A/N and its counsel a reasonable opportunity to review and comment on any responses to any comments of the SEC or its staff and any amendment or supplement to the Proxy Statement, and shall consider any comments of A/N thereon.

(e) Each of Cheetah and A/N agrees promptly (i) to correct any information provided by it for use in the Proxy Statement if and to the extent that such information shall have become false and misleading in any material respect and (ii) to supplement any such information to include any information that shall become necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

(f) A/N acknowledges that Cheetah is subject to the reporting requirements of Section 13(a) of the Exchange Act and in light of Cheetah's reporting requirements, A/N shall furnish all information concerning itself, its Subsidiaries and its Affiliates to Cheetah and shall provide such other assistance as may be reasonably requested in connection with any filings or other disclosures required by the SEC to be made by Cheetah in connection with the transactions contemplated by this Agreement, including the New Cheetah Registration Statement and any amendments or supplements thereto, on a timely basis. Cheetah shall promptly provide A/N and its counsel with any comments, whether written or oral, that Cheetah or its counsel may receive from time to time from the SEC or its staff with respect to the New Cheetah Registration Statement, to the extent related to A/N or the transactions contemplated hereby or by the Transaction Agreements, promptly after receipt of those comments. Cheetah will provide A/N and its counsel a reasonable opportunity to review and comment on any responses to such comments of the SEC or its staff and any amendment or supplement to the New Cheetah Registration Statement, and shall consider in good faith any comments of A/N or its Representatives thereon. A/N agrees promptly (i) to correct any information provided by it pursuant to this Section 5.11(f) if and to the extent that such information shall have become false and misleading in any material respect and (ii) to supplement any such information to include any information that shall become necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. Cheetah shall use its reasonable best efforts to cause the New Cheetah Registration Statement, as amended to reflect the transactions contemplated hereby and by the Transaction Agreements, declared effective by the staff of the SEC as promptly as practicable.

#### Section 5.12 Financing Cooperation.

(a) Prior to the Closing, A/N agrees to, and to cause its Affiliates to, use reasonable best efforts to provide, and shall use reasonable best efforts to cause their respective Representatives to provide, Cheetah, New Cheetah and Cheetah Holdco, such cooperation reasonably requested (so long as such cooperation does not unreasonably interfere with the ongoing operations of A/N, its Subsidiaries or the Bengal Business, and subject in all cases to the limitations on access and information in Section 5.1) in writing by Cheetah that is necessary or advisable in connection with the arrangement of any debt financing, including:

(i) participating during normal business hours at times to be mutually agreed in a reasonable number of customary meetings, presentations, road shows, due diligence sessions and sessions with rating agencies that are customary for debt financings of the type sought to be arranged;

(ii) assisting with the preparation of customary materials for rating agency presentations, offering documents, private placement memoranda, bank information memoranda, prospectuses and similar documents;

(iii) as promptly as reasonably practical, furnishing Cheetah, New Cheetah and/or Cheetah Holdco and their financing sources with historical financial and other information relating solely to Bengal and its Subsidiaries as may be reasonably requested by Cheetah (including in connection with Cheetah's, New Cheetah's and/or Cheetah Holdco's preparation of pro forma financial statements), including historical financial statements and other pertinent information relating solely to Bengal and its Subsidiaries (x) of the type and form required by Regulation S-X and Regulation S-K promulgated under the Securities Act for a registered public offering of debt securities, (y) of the type and form customarily included in private placements of debt securities under Rule 144A of the Securities Act or (z) as otherwise reasonably required or otherwise reasonably necessary to assist Cheetah, New Cheetah and/or Cheetah Holdco in receiving customary "comfort" (including "negative assurance" comfort) from independent accountants in connection with any public offering or private placement of debt securities; provided, that A/N and its Subsidiaries shall not be required to prepare or provide: (A) any pro forma financial information, including pro forma cost savings, synergies, capitalization or other pro forma adjustments desired to be incorporated into any pro forma financial information (it being understood and agreed that A/N and its Affiliates shall be required to assist Cheetah, New Cheetah and Cheetah Holdco with preparing pro forma financial information and pro forma financial statements regarding Bengal and its Subsidiaries as part of Cheetah's, New Cheetah's or Cheetah Holdco's preparation of pro forma financial information and pro forma financial statements for Cheetah, New Cheetah or Cheetah Holdco and its Subsidiaries on a consolidated basis, in each case, that is customary for the type of financing being sought) or (B) projections, risk factors or other forward looking information (it being understood and agreed that A/N and its Affiliates shall be required to assist Cheetah, New Cheetah and Cheetah Holdco with Cheetah's preparation for presentation of projections, risk factors and other forward looking information for Bengal and its Subsidiaries as part of the consolidated business of Cheetah, New Cheetah or Cheetah Holdco and its Subsidiaries, and not on a stand-alone basis, in each case, that is customary for the type of financing being sought);

(iv) using reasonable best efforts to cause its independent accountants to cooperate with the financing consistent with their customary practice and obtain customary accountants' "comfort letters" (including customary "negative assurances") and customary consents to the inclusion of audit reports in connection with the financing; and

(v) executing and delivering any customary certificates and similar documents, to the extent reasonably requested by Cheetah, New Cheetah or Cheetah Holdco, provided that the effectiveness of any such certificate or similar document shall be subject to the occurrence of and no earlier than the Closing.

Notwithstanding the foregoing, nothing herein shall require A/N or its Subsidiaries to provide any cooperation in connection with the arrangement of any debt financing to the extent it (A) would require any of them to (i) pay any fees to financing sources (including any commitment or other similar fee) or reimburse any expenses of financing sources (in each case, that would not be reimbursed by Cheetah) or incur or become subject to any indemnity to financing sources, (ii) enter into or execute any definitive agreement, guarantee, indenture, pledge of assets, security document or other similar instrument, (iii) take any resolution, approval or similar corporate action or (iv) issue any offering documents, private placement memoranda, bank information memoranda, prospectuses, marketing materials or similar documents or (B) would cause New Cheetah's consolidated Leverage Ratio (as defined in the Stockholders Agreement) at Closing (as reasonably estimated by Cheetah management on a pro forma basis giving effect to the Contribution and the transactions contemplated by the Comcast/Cheetah Agreement) to exceed 5.0x.

(b) Promptly upon request by A/N, Cheetah shall reimburse A/N and its Subsidiaries for out-of-pocket costs and expenses incurred by A/N or its Subsidiaries (including those of its or their Representatives) in connection with any cooperation provided pursuant to Section 5.12(a), other than any such costs and expenses incurred to produce the financial information identified in Section 5.1(f). Cheetah shall indemnify and hold harmless A/N, its Subsidiaries and its and their respective Representatives from and against any and all Losses suffered or incurred by them in connection with any cooperation provided pursuant to this Section 5.12, the arrangement of any debt financing by Cheetah or its controlled Affiliates and any information used in connection therewith, in each case other than to the extent any of the foregoing arises from the bad faith, gross negligence or willful misconduct of, or breach of this Agreement by, any such Person.

#### Section 5.13 Cooperation as to Pending Litigation.

(a) With respect to the defense or prosecution of any litigation or legal proceeding with respect to the Bengal Business that relates to the period prior to the Closing, A/N and the Cheetah Parties shall cooperate and assist each other following the Closing by making available to the other during normal business hours and upon reasonably prior written notice, but without unreasonably disrupting its business, all records to the extent relating to the Bengal Business held by it and reasonably necessary to permit the defense or investigation of any such litigation or legal proceeding (other than litigation or legal proceedings between any Cheetah Party or Bengal, on the one hand, and A/N, on the other hand, to which the applicable rules of discovery shall apply), and shall preserve and retain all such records for the length of time contemplated by its standard record retention policies and schedules; provided that in no event shall any Cheetah Party or Bengal, on the one hand, or A/N, on the other hand, have access to any information that (x) based on advice of counsel to any Cheetah Party or Bengal, on the one hand, or A/N, on the other hand, would violate applicable Laws, including U.S. Antitrust Laws, or would destroy any legal privilege, or (y) in the reasonable judgement of any Cheetah Party or Bengal, on the one hand, or A/N, on the other hand, would (A) result in the disclosure of any trade secrets or other proprietary or confidential information of third parties or (B) violate any obligation with respect to confidentiality; provided, that such Cheetah Party or Bengal on the one hand or A/N on the other hand shall have used commercially reasonable efforts to make alternative arrangements to permit access to and the disclosure of such information; provided, that A/N shall only be entitled to the foregoing cooperation and assistance in connection with Third Party Claims the defense of which A/N has assumed in accordance with

Article VII. If any of the information or material furnished pursuant to this Section 5.13(a) includes material or information subject to the attorney-client privilege, work product doctrine or any other applicable privilege concerning pending or threatened litigation or governmental investigations, each party hereto understands and agrees that the parties hereto have a commonality of interest with respect to such matters and it is the desire, intention and mutual understanding of the parties hereto that the sharing of such material or information is not intended to, and shall not, waive or diminish in any way the confidentiality of such material or information or its continued protection under the attorney-client privilege, work product doctrine or other applicable privilege. All such information provided under this Section 5.13(a) that is entitled to protection under the attorney-client privilege, work product doctrine or other applicable privilege shall remain entitled to such protection under these privileges, this Agreement and the joint defense doctrine.

(b) Any litigation, arbitration or claim that is threatened in writing or brought against A/N or any of its Affiliates or against Bengal or any of its Affiliates that relates to this Agreement, the transactions contemplated hereby or to the extent reasonably practicable the TWEAN Agreement (“Deal Litigation”) shall be brought to the attention of the other party and neither party shall take any action in any Deal Litigation without consulting the other party and reflecting reasonably the comments of the other party. All Deal Litigation shall be prosecuted and/or defended diligently unless otherwise agreed by A/N and Cheetah, and no settlement or offer of compromise shall be made without the consent of A/N and Cheetah (such consent not to be unreasonably withheld, conditioned or delayed). The parties shall use reasonable best efforts to make personnel available on an expedited basis for depositions and other forms of oral and written testimony unless otherwise agreed by A/N and Cheetah.

Section 5.14 Bengal Restructuring.

(a) At or prior to the Closing, A/N shall cause Bengal and its Subsidiaries to transfer, convey, assign and deliver to A/N, and A/N shall acquire from Bengal and its Subsidiaries, all of Bengal’s and its Subsidiaries’ right, title and interest in and to the Excluded Assets.

(b) At or prior to the Closing, A/N shall assume and be liable for, and from and after the Closing shall pay, perform and discharge when due, and shall (to the extent permitted by Law) cause Bengal and its Subsidiaries to be released from and Bengal and its Subsidiaries shall have no obligations with respect to, the Excluded Liabilities. Without limiting the generality of the foregoing, at or prior to the Closing, A/N shall cause Bengal and its Subsidiaries to be released from (i) all guarantees or other obligations in respect of obligations of A/N, the A/N Beneficial Owners and their respective Affiliates (other than Bengal and its Subsidiaries) and (ii) all Indebtedness other than trade working capital incurred in the Ordinary Course.

Section 5.15 Intercompany Accounts. On or prior to the Closing, A/N and Bengal shall settle, or cause to be settled, all intercompany receivables, payables and other balances, in each case that arise prior to the Closing between A/N or any of its Affiliates (other than Bengal and its Subsidiaries), on the one hand, and Bengal and its Subsidiaries, on the other hand, other than trade accounts receivable and trade accounts payable owed by or to non-cable businesses of A/N of which the Bengal Systems are customers in the Ordinary Course of such business’s provision of products or services to persons unaffiliated with A/N.

Section 5.16 Insurance. Cheetah acknowledges and agrees that, from and after the Closing, all insurance coverage for Bengal and its Subsidiaries provided under any insurance

policy of A/N or any of its Affiliates or otherwise in relation to the Bengal Business pursuant to any insurance policy, risk funding program or arrangement maintained by A/N or any of its Affiliates (whether such any such policy, program or arrangement is maintained in whole or in part with a third party insurer or with A/N or any of its Affiliates, including the captive insurance policies for workers compensation, general liability and automobile liability insurance claims related to the Bengal Business residing in Pacman Insurance, Inc., a Vermont corporation that is a Subsidiary of Advance Publications, Inc., and any “occurrence”-based insurance policy with respect to any occurrences prior to Closing), in each case other than any insurance policies maintained by Bengal or its Subsidiaries, shall cease to be maintained for the benefit of Bengal or its Subsidiaries, and no further coverage shall be available to Bengal or its Subsidiaries under any such policy, program or arrangement; provided, however, that, after the Closing, (a) A/N shall, and shall cause its Affiliates to, (i) use commercially reasonable efforts to pursue and collect claims under any such policy, program or arrangement arising as the result of an “occurrence” prior to Closing and (ii) coordinate the payment of any amounts actually payable thereunder to the appropriate recipient and (b) Cheetah shall cooperate with any investigation of claims conducted in connection with any claim contemplated by the foregoing clause (a)(i).

## ARTICLE VII. INDEMNIFICATION

Section 7.1 Survival. (a) The representations and warranties in Sections 3.6, 3.7, 3.8(a), 3.9, 3.11, 3.13(b), 3.14(a), 3.14(b), 3.14(d), 3.14(e), 3.14(f), 3.14(g), 3.19, 3.22(a), 3.22(b),

3.22(c), 3.25, 3.27, 4.7(b), 4.8, 4.9, 4.10 and 4.12 shall survive the Closing until the date that is eighteen (18) months after the Closing Date, at which time they shall terminate (and no claims shall be made for indemnification under Section 7.2 or Section 7.3 thereafter); (b) the Bengal Fundamental Representations, the Cheetah Fundamental Representations and the representations and warranties in Sections 3.8(b), 3.14(c) and 3.18 shall survive for the applicable statutes of limitations (giving effect to any waiver, mitigation or extension thereof) plus 60 days (and no claims shall be made for indemnification under Section 7.2 or Section 7.3 thereafter); (c) the representations and warranties in Section 3.17 shall survive the Closing until the date that is four (4) years after the Closing Date, at which time they shall terminate (and no claims shall be made for indemnification under Section 7.2 thereafter); and (d) all other representations and warranties contained in this Agreement shall not survive the Closing. All covenants and agreements of the parties contained herein that contemplate performance at or prior to the Closing shall survive the Closing until the date that is eighteen (18) months from the Closing Date, at which time they shall terminate (and no claims shall be made for indemnification under Section 7.2 or Section 7.3 thereafter). Each covenant and agreement that contemplates performance following the Closing shall survive the Closing until the earlier to occur of the date such covenant or agreement is fully performed or until the expiration of all applicable statutes of limitations (giving effect to any waiver, mitigation or extension thereof) plus 60 days (and no claims shall be made for indemnification under Section 7.2 or Section 7.3 thereafter). Notwithstanding the foregoing, any claims for indemnification asserted in good faith with reasonable specificity and in writing by notice from the non-breaching party to the breaching party prior to the expiration date of the applicable survival period and in accordance with Section 7.5 shall not thereafter be barred by the expiration of the relevant representation, warranty, covenant or agreement and such claims shall survive until finally resolved.

Section 7.2 Indemnification by A/N. Subject to the other terms and conditions of this Article VII, A/N shall indemnify and defend each of New Cheetah, Cheetah, Cheetah Holdco and their respective Subsidiaries (collectively, the "Cheetah Indemnitees") against, and shall hold each of them harmless from and against, and shall pay and reimburse each of them for, any and all Losses incurred or sustained by, or imposed upon, the Cheetah Indemnitees based upon, arising out of, or by reason of:

(a) any inaccuracy in or breach of any of the representations or warranties (other than those that do not survive the Closing) of A/N contained in Article III of this Agreement or in any certificate or instrument delivered by or on behalf of A/N pursuant to Section 6.2(a) of this Agreement, as of the date such representation or warranty was made or as if such representation or warranty was made on and as of the Closing Date (except for representations and warranties that expressly relate to a specified date, the inaccuracy in or breach of which will be determined with reference to such specified date);

(b) any breach of any covenant or agreement to be performed by A/N pursuant to this Agreement;

(c) any Excluded Assets; or

(d) any Excluded Liabilities

Section 7.3 Indemnification by Cheetah. Subject to the other terms and conditions of this Article VII, Cheetah Holdco shall indemnify and defend A/N and its Affiliates (collectively, the "A/N Indemnitees") against, and shall hold each of them harmless from and against, and

shall pay and reimburse each of them for, any and all Losses incurred or sustained by, or imposed upon, the A/N Indemnitees based upon, arising out of, or by reason of:

(a) any inaccuracy in or breach of any of the representations or warranties (other than those that do not survive the Closing) of Cheetah contained in Article IV of this Agreement or in any certificate or instrument delivered by or on behalf of Cheetah pursuant to Section 6.3(a) of this Agreement, as of the date such representation or warranty was made or as if such representation or warranty was made on and as of the Closing Date (except for representations and warranties that expressly relate to a specified date, the inaccuracy in or breach of which will be determined with reference to such specified date); or

(b) any breach of any covenant or agreement to be performed by Cheetah pursuant to this Agreement.

#### Section 7.4 Certain Limitations.

(a) A/N shall not be liable to the Cheetah Indemnitees for indemnification under Section 7.2(a) until the aggregate amount of all indemnifiable Losses under Section 7.2(a) exceeds \$50 million (the "Deductible"), in which event A/N shall be required to pay and be liable for all such Losses solely to the extent they exceed the Deductible. The aggregate amount of all Losses for which A/N shall be liable pursuant to Section 7.2(a) shall neither (x) in the case of Losses based upon, arising out of, or by reason of any inaccuracy in or breach of the representations and warranties set forth in Sections 3.7, 3.8(a), 3.9, 3.11, 3.14(a), 3.14(b), 3.14(d), 3.14(e), 3.14(f), 3.14(g), 3.17, 3.19, 3.22(a), 3.22(b), 3.22(c) and 3.25, exceed \$1.0 billion (the "Lower Cap") nor (y) without limiting the limitations set forth in clause (x), in the case of all Losses for which A/N shall be liable pursuant to Section 7.2(a), exceed \$2.625 billion (the "Higher Cap").

(b) Cheetah Holdco shall not be liable to the A/N Indemnitees for indemnification under Section 7.3(a) until the aggregate amount of all indemnifiable Losses under Section 7.3(a) exceeds the Deductible, in which event Cheetah Holdco shall be required to pay and be liable for all such Losses solely to the extent they exceed the Deductible. The aggregate amount of all Losses for which Cheetah Holdco shall be liable pursuant to Section 7.3(a) shall neither (x) in the case of Losses based upon, arising out of, or by reason of any inaccuracy in or breach of the representations and warranties set forth in Sections 4.7(b), 4.8, 4.9, 4.10 and 4.12, exceed the Lower Cap nor (y) without limiting the limitations set forth in clause (x), in the case of all Losses for which Cheetah Holdco shall be liable pursuant to Section 7.3(a), exceed the Higher Cap.

(c) Notwithstanding the foregoing, the foregoing limitations set forth in this Section 7.4 shall not apply to Losses based upon, arising out of, or by reason of any inaccuracy in or breach of the Bengal Fundamental Representations, the representations and warranties in Section 3.8(b) or the Cheetah Fundamental Representations.

(d) For purposes of this Article VII, any inaccuracy in or breach of any representation or warranty shall be determined without giving effect to any "Bengal Material Adverse Effect", "Cheetah Material Adverse Effect", "material" or other materiality qualification, limitation or exception contained therein, in each case, except for any such qualifications and exceptions (i) used to qualify a set of materials made available or a list of items or (ii) contained in Sections 3.7 and 4.8.

Section 7.5 Indemnification Procedures. The party making a claim under this Article VII is referred to as the "Indemnified Party", and the party against whom such claims are asserted under this Article VII is referred to as the "Indemnifying Party".

(a) Third Party Claims. If any Indemnified Party receives notice of the assertion or commencement of any demand or Action made or brought by any Person who is not a party to this Agreement or an Affiliate of a party to this Agreement or a Representative of the foregoing (a "Third Party Claim") against such Indemnified Party with respect to which the Indemnifying Party is obligated to provide indemnification under this Agreement, the Indemnified Party shall give the Indemnifying Party reasonably prompt written notice thereof, but in any event not later than ten (10) Business Days after receipt of such notice of such Third Party Claim. The failure to give such prompt written notice shall not, however, relieve the Indemnifying Party of its indemnification obligations, except to the extent that such failure has a prejudicial effect on the rights or defenses available to the Indemnifying Party with respect to such Third Party Claim. Such notice by the Indemnified Party shall describe the Third Party Claim in reasonable detail, shall include copies of all material written evidence thereof and shall indicate the estimated amount, if reasonably practicable, of the Loss that has been or may be sustained by the Indemnified Party. The Indemnifying Party shall have the right to participate in, or by giving written notice to the Indemnified Party within twenty (20) calendar days after receipt of notice of a Third Party Claim from the Indemnified Party (or such lesser number of days as may be required by court proceeding in the event of a litigated matter), to assume the defense of any Third Party Claim at the Indemnifying Party's expense and by the Indemnifying Party's own counsel that is reasonably acceptable to the Indemnified Party; provided, that if the Indemnifying Party is A/N, such Indemnifying Party shall not have the right to defend or direct the defense of or compromise any such Third Party Claim that (i) involves or affects the business of a Cheetah Party unless the Indemnifying Party provides written notice to the Indemnified Party acknowledging that the Indemnifying Party is obligated to indemnify the Indemnified Person for any and all Losses based upon, arising from or relating to such Third Party Claim or (ii) seeks an injunction or other equitable relief against the Indemnified Party. In the event that the Indemnifying Party assumes the defense of any Third Party Claim, subject to Section 7.5(b), it shall have the right to take such action as it deems necessary to avoid, dispute, defend, appeal or make counterclaims pertaining to any such Third Party Claim in the name and on behalf of the Indemnified Party. The Indemnified Party shall have the right to participate in the defense of any Third Party Claim with counsel selected by it, subject to the Indemnifying Party's right to control the defense thereof as provided herein. The fees and disbursements of such counsel shall be at the expense of the Indemnified Party, provided, that if in the reasonable opinion of counsel to the Indemnified Party, (I) there are legal defenses available to an Indemnified Party that are different from or additional to those available to the Indemnifying Party or (II) there exists a conflict of interest between the Indemnifying Party and the Indemnified Party that cannot be waived, the Indemnifying Party shall be liable for the reasonable fees and reasonable documented out-of-pocket expenses of one counsel to the Indemnified Party in each jurisdiction for which the Indemnified Party reasonably determines counsel is required. If the Indemnifying Party elects not to defend such Third Party Claim, fails to timely notify the Indemnified Party in writing of its election to defend as provided herein, or fails to diligently prosecute the defense of such Third Party Claim, the Indemnified Party may, subject to Section 7.5(b), pay or defend such Third Party Claim and seek indemnification for any and all Losses based upon, arising from or relating to such Third Party Claim to the extent such Third Party

Claim is subject to indemnification under Section 7.2 or 7.3. The parties hereto shall cooperate with each other in all reasonable respects in connection with the defense of any Third Party Claim, including making available (subject to the provisions of Section 5.1(a)) records relating to such Third Party Claim and furnishing, without expense (other than reimbursement of reasonable, documented out-of-pocket expenses) to the defending party, management employees of the non-defending party as may be reasonably necessary for the preparation of the defense of such Third Party Claim.

(b) Settlement of Third Party Claims. Notwithstanding any other provision of this Agreement, the Indemnifying Party shall not settle, compromise, or offer to settle or compromise, a Third Party Claim without the prior written consent of the Indemnified Party, unless the Indemnifying Party has assumed the defense of such Third Party Claim pursuant to Section 7.5(a) and such settlement or compromise provides, in customary form, for the unconditional release of each Indemnified Party from all liabilities and obligations in connection with such Third Party Claim and no nonmonetary terms or acknowledgment of facts and the Indemnifying Party indemnifies the Indemnified Party with respect to all Losses relating thereto. The Indemnifying Party shall have no liability with respect to a Third Party Claim settled or compromised without its consent (which consent shall not be unreasonably withheld or delayed).

(c) Direct Claims. Any claim for indemnification by an Indemnified Party on account of a Loss which does not result from a Third Party Claim (a "Direct Claim") shall be asserted by the Indemnified Party giving the Indemnifying Party reasonably prompt written notice thereof, but in any event not later than ten (10) Business Days after the Indemnified Party becomes aware of such Direct Claim. The failure to give such prompt written notice shall not, however, relieve the Indemnifying Party of its indemnification obligations, except to the extent that such failure has a prejudicial effect on the rights or defenses available to the Indemnifying Party with respect to such Third Party Claim. Such notice by the Indemnified Party shall describe the Direct Claim in reasonable detail, shall include copies of all material written evidence thereof and shall indicate the estimated amount, if reasonably practicable, of the Loss that has been or may be sustained by the Indemnified Party. The Indemnifying Party shall have thirty (30) calendar days after its receipt of such notice to respond in writing to such Direct Claim. The Indemnified Party shall allow the Indemnifying Party and its professional advisors to investigate the matter or circumstance alleged to give rise to the Direct Claim, and whether and to what extent any amount is payable in respect of the Direct Claim and the Indemnified Party shall assist the Indemnifying Party's investigation by giving such information and assistance (including access to the Indemnified Party's premises and personnel and the right to examine and copy any accounts, documents or records) as the Indemnifying Party or any of its professional advisors may reasonably request. If the Indemnifying Party does not so respond within such thirty (30) calendar day period, the Indemnifying Party shall be deemed to have rejected such Direct Claim, in which case the Indemnified Party shall be free to pursue such remedies as may be available to the Indemnified Party on the terms and subject to the provisions of this Agreement.

(d) Notwithstanding the foregoing, if a Third Party Claim includes or would reasonably be expected to include both a claim for Taxes that are Excluded Taxes or otherwise and a claim for Taxes that are not Excluded Taxes, and such claim for Taxes that are Excluded Taxes is not separable from such a claim for Taxes that are not Excluded Taxes, A/N (if the claim for Taxes that are Excluded Taxes exceeds or reasonably would be expected to exceed in amount the claim for Taxes that are not Excluded Taxes) or otherwise Cheetah Holdco (A/N or

Cheetah Holdco, as the case may be, the “Controlling Party”) shall be entitled to control the defense of such Third Party Claim (such third party claim, a “Tax Claim”). In such case, the other party (A/N or Cheetah Holdco, as the case may be, the “Non-Controlling Party”) shall be entitled to participate fully (at the Non-Controlling Party’s sole expense) in the conduct of such Tax Claim and the Controlling Party shall not settle such Tax Claim without the consent of such Non-Controlling Party (which consent shall not be unreasonably withheld). The costs and expenses of conducting the defense of such Tax Claim shall be reasonably apportioned based on the relative amounts of the Tax Claim that are Excluded Taxes and that are not Excluded Taxes.

Section 7.6 Damages. Notwithstanding anything to the contrary contained in this Agreement, (a) no Indemnifying Party shall be liable under this Article VII for any punitive damages, except to the extent awarded by a court of competent jurisdiction to a third party in connection with a Third Party Claim and (b) in the event of any inaccuracy in or breach of any of the representations or warranties of Cheetah (other than the Cheetah Fundamental Representations) that may give rise to an indemnification obligation pursuant to Section 7.3(a), the amount of any Losses for which Cheetah may be liable pursuant to Section 7.3(a), if any, shall be measured by establishing what the Reference Price (as defined in the Stockholders Agreement) would have been in the absence of such inaccuracy or breach.

Section 7.7 Payments. The Indemnifying Party shall pay all amounts payable pursuant to this Article VII, in immediately available funds, to an account specified by the Indemnified Party following receipt from an Indemnified Party of a bill, together with all accompanying reasonably detailed supporting documentation, for a Loss that is the subject of indemnification hereunder, unless the Indemnifying Party in good faith disputes the Loss, in which event it shall so notify the Indemnified Party. In any event, the Indemnifying Party shall pay to the Indemnified Party the amount of any Loss for which it is liable hereunder, in immediately available funds, to an account specified by the Indemnified Party no later than three (3) days following any Final Determination of such Loss and the Indemnifying Party’s liability therefor. The parties hereto agree that should an Indemnifying Party not make full payment of any such obligations within such three (3) day period, any amount payable shall accrue interest from and including the date of the Final Determination at a rate per annum equal to LIBOR plus 2%. A “Final Determination” shall exist when (a) the parties to the dispute have reached an agreement in writing, or (b) a court of competent jurisdiction shall have entered a final and non-appealable order or judgment.

Section 7.8 Tax Treatment of Indemnification Payments. All indemnification payments made under this Agreement shall be treated by the parties as an adjustment first to the Cash Consideration and then to the Equity Consideration for Tax purposes, unless otherwise required by Law.

Section 7.9 Effect of Investigation. The representations, warranties, covenants and agreements of the Indemnifying Party, and the Indemnified Party’s right to indemnification with respect thereto, shall not be affected or deemed waived by reason of any investigation made by or on behalf of the Indemnified Party (including by any of its Representatives) or by reason of the fact that the Indemnified Party or any of its Representatives knew or should have known that any such representation or warranty is, was or might be inaccurate or that any such covenant or agreement is, was or might have been breached or not fulfilled or by reason of the Indemnified Party’s waiver of any condition set forth in Section 7.2 or 7.3.

Section 7.10 Exclusive Remedies. Subject to Section 9.5, the parties acknowledge and agree that, if the Closing occurs, their sole and exclusive remedy with respect to any and all claims (other than claims arising from fraud, criminal activity or willful misconduct on the part of a party hereto in connection with the transactions contemplated by this Agreement) for any breach of any representation, warranty, covenant or agreement set forth herein or otherwise relating to the subject matter of this Agreement, shall be pursuant to the reimbursement and indemnification provisions set forth in Section 5.6(c), Section 5.12(b) and this Article VII. In furtherance of the foregoing, each party hereby waives, to the fullest extent permitted under Law, any and all rights, claims and causes of action for any breach of any representation, warranty, covenant or agreement set forth herein or otherwise relating to the subject matter of this Agreement it may have against the other parties hereto and their Affiliates and each of their respective Representatives arising under or based upon any Law, except pursuant to the reimbursement and indemnification provisions set forth in Section 5.6(c), Section 5.12(b) and this Article VII. Nothing in this Section 7.10 shall limit any Person's right to seek and obtain any equitable relief to which any Person shall be entitled or to seek any remedy on account of any party's fraudulent, criminal or intentional misconduct.

#### ARTICLE VIII. TERMINATION

Section 8.1 Termination by Mutual Consent. This Agreement may be terminated at any time prior to the Closing by written agreement of A/N and Cheetah.

Section 8.2 Termination by A/N or Cheetah.

(a) Cheetah, on the one hand, or A/N, on the other hand, may terminate this Agreement at any time prior to the Closing, by giving written notice of termination to the other, if: (i) the Closing shall not have occurred by March 31, 2016 (the "End Date"), so long as the party proposing to terminate has not breached in any material respect any of its covenants or agreements under this Agreement in any manner that shall have proximately caused (such breaching party, a "Proximate Cause Party") the failure of the Closing to so occur; provided, however, that if any of the Regulatory Conditions or the condition set forth in Section 6.1(e) (but only, in the case of Section 6.1(e), if the failure to satisfy such condition is as a result of any Anti-trust Law or any Communications Law) are not satisfied, or if the Cheetah Stockholder Approvals have not been obtained, on the End Date but all of the other conditions set forth in Article VI (other than those conditions that by their nature are to be satisfied only at the Closing, which conditions shall be capable of being satisfied) are satisfied or are waived, then A/N or Cheetah shall be entitled to extend the End Date to September 30, 2016 so long as the party proposing to so extend the End Date is not a Proximate Cause Party with respect to the failure of any of the Regulatory Conditions to be satisfied on or prior to the End Date, or (ii) any decree, judgment, injunction or other order permanently restraining, enjoining or otherwise prohibiting completion of the Contribution shall have been issued and become final and non-appealable, so long as the party proposing to terminate is not a Proximate Cause Party with respect to the issuance, existence or effectiveness of such decree, judgment, injunction or other order.

(b) A/N may terminate this Agreement at any time prior to the Closing, by giving written notice to Cheetah, if (i) there has been a breach of any representation, warranty, covenant or agreement made by Cheetah herein or any such representation or warranty shall have become untrue as of and as though made on any date after the date of this Agreement, (ii) such breach or untruth would cause any of the closing conditions in Section 6.3(a) or 6.3(b) not

to be satisfied (assuming, in the case of any such untruth, that such date was the Closing Date) and (iii) such breach or untruth is not curable or, if curable, is not cured by Cheetah within thirty (30) days after written notice thereof is given by A/N to Cheetah.

(c) Cheetah may terminate this Agreement at any time prior to the Closing, by giving written notice to A/N, if (i) there has been a breach of any representation, warranty, covenant or agreement made by A/N herein or any such representation or warranty shall have become untrue as of and as though made on any date after the date of this Agreement, (ii) such breach or untruth would cause any of the closing conditions in Section 6.2(a) or 6.2(b) not to be satisfied (assuming, in the case of any such untruth, that such date was the Closing Date) and (iii) such breach or untruth is not curable or, if curable, is not cured by A/N within thirty (30) days after written notice thereof is given by Cheetah to A/N.

(d) Cheetah, on the one hand, and A/N, on the other hand, may terminate this Agreement at any time prior to the Closing, by giving written notice of termination to the other, if TWCE (i) has accepted the offer set forth in the Offer Notice in accordance with the TWEAN Agreement or (ii) has made a Counter-Offer in accordance with the TWEAN Agreement such that the Required Minimum Price with respect to such Counter-Offer exceeds the consideration to be delivered pursuant to this Agreement (taking into account the amount and types of currency offered by TWCE); provided, however, that A/N may not terminate this Agreement pursuant to this clause (ii) unless (x) at least 30 calendar days shall have elapsed since A/N provided Cheetah with a copy of the terms of such Counter-Offer and, if Cheetah has submitted a binding offer in response to such Counter-Offer during such 30-calendar-day period, A/N has negotiated in good faith with Cheetah in response to such offer during such 30-calendar-day period, (y) A/N shall have complied with Section 5.4(d) in all material respects and (z) by the end of such 30-calendar-day period Cheetah shall not have made a Matching Offer to A/N; provided that if Cheetah has made a binding offer to acquire Bengal and its Subsidiaries to A/N by the end of such 30-calendar-day period that is on terms no less favorable in the aggregate to A/N and its Affiliates than the terms set forth in the Counter-Offer (taking into account the amount and types of currency offered by TWCE), A/N and its Affiliates shall not enter into or consummate any Bengal Alternative Transaction with TWCE or its Affiliates prior to the first anniversary of the date of such offer.

(e) Cheetah, on the one hand, and A/N, on the other hand, may terminate this Agreement at any time prior to the Closing, by giving written notice of termination to the other, if the Cheetah Stockholder Approvals shall not have been obtained at the Cheetah Stockholder Meeting or at any adjournment or postponement thereof, in each case at which a vote on such approvals was taken.

(f) Cheetah, on the one hand, and A/N, on the other hand, may terminate this Agreement by giving written notice of termination to the other, at any time during the thirty (30) calendar day period immediately following the expiration of the thirty (30) calendar day period set forth in Section 7.3 of the Stockholders Agreement.

(g) Cheetah may terminate this Agreement by giving written notice of termination to A/N in the event that the New Cheetah Registration Statement is not effective by the close of business on the tenth Business Day following consummation of the closing of the transactions contemplated by the Comcast-TWC Agreement due to the execution of this Agreement or the announcement or pendency of the transactions contemplated by this Agreement prior to the date that the New Cheetah Registration is declared effective.

(h) A/N may terminate this Agreement at any time before the Cheetah Stockholder Approvals have been obtained, by giving written notice to Cheetah, if there has been an Adverse Recommendation Change.

Section 8.3 Effect of Termination. If this Agreement is terminated in accordance with Section 8.1 or Section 8.2, this Agreement shall thereafter become void and have no effect, and no party hereto shall have any liability to the other party or parties hereto or their respective Affiliates, or their respective directors, officers or employees, except as contemplated by the next sentence and except that nothing in this Section 8.3 or Section 8.4 shall relieve any party from liability for any breach of this Agreement that arose prior to such termination. The provisions of (i) the last sentence of Sections 5.1(a), (ii) Section 5.12(b), (iii) the last proviso to Section 8.2(d) and (iv) this Section 8.3, Section 8.4 and Article IX (and any related definitional provisions set forth in Article I) shall survive any termination of this Agreement.

Section 8.4 Liquidated Expenses.

(a) In the event that this Agreement is terminated (1) by either A/N or Cheetah pursuant to Section 8.2(e) after an Adverse Recommendation Change or (2) by A/N pursuant to Section 8.2(h) (provided, in each case, the Adverse Recommendation Change was in respect of (in whole or in part) the A/N Issuance, then Cheetah shall promptly, but in no event later than two (2) Business Days after such termination, pay to A/N a liquidated damages payment for expenses of \$100 million, by wire transfer of immediately available funds to an account specified by A/N.

(b) In the event that this Agreement is terminated by A/N or Cheetah pursuant to Section 8.2(d), then A/N shall promptly, but in no event later than two (2) Business Days after the date of such termination, pay to Cheetah a liquidated damages payment for expenses of \$100 million, by wire transfer of immediately available funds to an account specified by Cheetah.

(c) Each party hereto acknowledges that the agreements contained in this Section 8.4 are an integral part of the transactions contemplated by this Agreement and that, without these agreements, the parties would not enter into this Agreement; accordingly, if any party fails to promptly pay any liquidated damages payment due under this Section 8.4, and, in order to obtain such payment, any other party to this Agreement commences an Action that results in a judgment against the non-paying party for the liquidated damages payment set forth in this Section 8.4 or any portion of such liquidated damages payment, the non-paying party shall pay the costs and expenses of such other party (including reasonable attorneys' fees and expenses) in connection with such Action, together with interest on the amount of the liquidated damages payment at the prime rate as published in The Wall Street Journal as of the date such payment was required to be made plus 5%, such interest to accrue from the date such liquidated damages payment was required to be made through the date of payment. The parties hereto acknowledge that the liquidated damages contemplated hereby are not intended to be penalties, but rather are liquidated damages in a reasonable amount that will compensate the recipient in the circumstances in which such fee is due and payable for the expenses involved while negotiating this Agreement and in reliance on this Agreement on the expectation of the consummation of the transactions contemplated by this Agreement, which amount would otherwise be impossible to calculate with precision. In no event shall any party hereto be obligated to make more than one liquidated damages payment.

Section 9.2 Amendment; Waiver. No amendment, waiver or binding interpretation (an "Amendment") shall be made to this Agreement unless in writing and signed, in the case of

an amendment, by Cheetah and A/N, or in the case of a waiver or binding interpretation, by the party or parties against whom the waiver is to be effective, provided that, following the Cheetah Stockholder Approvals, there shall be no amendment to the provisions hereof which by applicable Law would require further approval by the Cheetah stockholders without such further approval, and provided, further, that any Amendment by Cheetah shall require the approval of the Board of Directors of Cheetah excluding any nominees of Larry, and, to the fullest extent permitted by applicable Law, the Cheetah Certificate and the Cheetah Bylaws, no other approval of the Board of Directors of Cheetah shall be required. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

Section 9.3 No Assignment or Benefit to Third Parties. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors, legal representatives and permitted assigns. No party to this Agreement may assign any of its rights or delegate any of its obligations under this Agreement, by operation of Law or otherwise, without the prior written consent of the other party hereto, except that (i) the Cheetah Parties may assign any and all of their rights under this Agreement to New Cheetah, or a wholly owned, direct or indirect, subsidiary of New Cheetah, without the prior written consent of A/N (but no such assignment shall relieve the Cheetah Parties of any of their obligations hereunder) and (ii) A/N may assign any and all of their rights under this Agreement to an Affiliate without the prior written consent of the Cheetah Parties (but no such assignment shall relieve A/N of any of its obligations hereunder); provided that A/N may not assign the right to receive any Equity Consideration to any Person other than any Newhouse Person (as defined in the Stockholders' Agreement); provided, further, that any such Newhouse Person shall execute an A/N Assumption Instrument (as defined in the Stockholders Agreement) concurrently with such assignment. Nothing in this Agreement, express or implied, is intended to confer upon any Person other than the Cheetah Parties, A/N, the Cheetah Indemnitees and the A/N Indemnitees, and their respective successors, legal representatives and permitted assigns, any rights or remedies under or by reason of this Agreement.

Section 9.4 Entire Agreement. This Agreement (including all Schedules, Exhibits and Annexes hereto) contains the entire agreement among the parties hereto and thereto with respect to the subject matter hereof and thereof and supersedes all prior agreements and understandings, oral or written, with respect to such matters, except for the Confidentiality Agreement, which shall remain in full force and effect in accordance with its terms.

Section 9.5 Enforcement. Irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur if the parties hereto do not perform the provisions of this Agreement (including failing to take such actions as are required of such parties hereunder to consummate this Agreement) in accordance with its specified terms or otherwise breach such provisions. Each party shall be entitled to an injunction, specific performance and other equitable relief to prevent breaches of this Agreement by the other parties hereto and to enforce specifically the terms and provisions hereof, this being in addition to any other remedy to which each such party is entitled at law or in equity. No party will oppose the granting of an injunction, specific performance and other equitable relief on the basis that the other parties have an adequate remedy at law or an award of specific performance is not an appropriate remedy for any reason at law or equity. Any party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions

of this Agreement shall not be required to provide any bond or other security in connection with any such other order or injunction.

Section 9.6 Public Disclosure. Notwithstanding anything to the contrary contained herein, except as may be required to comply with the requirements of any applicable Law and the rules and regulations of any stock exchange upon which the securities of one of the parties or any of their respective Affiliates is listed (provided, that, in such case, each party shall first give the other party a reasonable opportunity to review and comment on any draft public announcement), no press release or similar public announcement or communication shall be made or caused to be made relating to this Agreement unless specifically approved in advance by Cheetah and A/N.

Section 9.7 Expenses. Except as otherwise expressly provided in this Agreement, regardless of whether the Closing occurs, all costs, expenses and Taxes incurred in connection with this Agreement and the Contribution shall be borne by the party incurring such costs and expenses or the party upon which such costs, expenses or Taxes are imposed by applicable Law.

Section 9.8 Governing Law; Submission to Jurisdiction; Selection of Forum; Waiver of Trial by Jury. THE AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW THAT WOULD RESULT IN THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION. Each party hereto agrees that it shall bring any action or proceeding in respect of any claim arising out of or related to this Agreement or the Contribution, exclusively in the Delaware Court of Chancery or in the event (but only in the event) that such court declines jurisdiction over such action or proceeding, in the United States District Court for the District of Delaware (the "Chosen Courts"), and solely in connection with claims arising under this Agreement or the Contribution (i) irrevocably submits to the exclusive jurisdiction of the Chosen Courts, (ii) waives any objection to laying venue in any such action or proceeding in the Chosen Courts, and (iii) waives any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction over any party hereto. Each party that does not maintain a registered agent in Delaware hereby irrevocably designates Corporation Service Company as its agent and attorney-in-fact for the acceptance of service of process and making an appearance on its behalf in any such claim or proceeding and for the taking of all such acts as may be necessary or appropriate in order to confer jurisdiction over it before the Chosen Courts and each party hereto stipulates that such consent and appointment is irrevocable and coupled with an interest. Each party hereto irrevocably waives any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the Contribution.

Section 9.9 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same Agreement.

Section 9.10 Headings. The heading references herein and the table of contents hereof are for convenience purposes only, and shall not be deemed to limit or affect any of the provisions hereof.

Section 9.11 Severability. The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equita-

ble provision shall be substituted therefor in order to carry out, to the extent as shall be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

The parties have executed or caused this Agreement to be executed as of the date first written above.

**REDACTED – FOR PUBLIC INSPECTION**

**DECLARATION OF CHRISTOPHER L. WINFREY**

1. My name is Christopher L. Winfrey. I am the Chief Financial Officer and Executive Vice President of Charter Communications, Inc. (“Charter”)—a position I have held since November 2010. In this role, I am responsible for, or directly knowledgeable about, Charter’s financial strategy and performance, business strategies and the rationales that support them, and service offerings. I was personally involved in the discussions among Charter executive management regarding the decision to enter the agreements to merge with Time Warner Cable Inc. (“Time Warner”) and Bright House Networks, LLC (“Bright House”), (the “Transaction”), as well as the negotiations with executive management of these companies and Bright House Networks’ parent, Advance/Newhouse Partnership regarding the structure of this arrangement. Through these negotiations and due diligence, I have also gained knowledge of Time Warner and Bright House Networks’ service offerings and corporate programs.

**Purpose and Background**

2. The purpose of this declaration is to provide factual background regarding the public interest benefits the Transaction will generate. Throughout this Declaration, I will refer to the post-Transaction company as “New Charter.”

3. Since the beginning of 2012, Charter has invested over \$5.5 billion in technology and infrastructure—a significant figure when compared with the company’s overall size, including its \$8.7 billion adjusted earnings before interest, tax, depreciation, and amortization over the same period. This sizable commitment to innovation and the deployment of broadband technology has led to Charter’s position within the industry as a technological and business leader. Its transition to a digital network has enabled it to increase its minimum speed offering from 1 Mbps downstream in 2011 to its present 60 Mbps offered to approximately [BEGIN

**HIGHLY CONFIDENTIAL]** [END HIGHLY CONFIDENTIAL] of its customers, to grow its HD channel line-up from fewer than 70 channels in 2011 to a present selection of over 200, to launch the innovative Spectrum Guide to a wide range of set-top boxes, and to grow its VOD library to thousands of choices.

4. Charter seeks increased scale and technological synergies to drive even more competitive and innovative broadband, video, and voice services.

**Benefits**

5. The Transaction will enable New Charter to deliver myriad public interest benefits. We will do so by (i) extending Charter's broadband-focused, highly pro-customer model to millions of new customers, while deploying the best that each Applicant has to offer in broadband, video, and voice technology; (ii) delivering superior services at competitive prices; and (iii) ensuring these services are at the cutting edge of innovation. These benefits will flow from the incentives and abilities that New Charter will possess because of the Transaction.

***Internet***

6. Charter's competitive strategy depends on its ability to support online video delivery. New Charter's gross margin percentages per broadband customer will exceed the gross margins per video customer, and OVDs are the primary driver of broadband usage. Charter does not impose data caps or usage-based pricing on its broadband customers precisely because Charter seeks to deliver high-quality experiences to consumers of data-hungry applications. Charter also has a track record of investing its own resources in interconnection infrastructure in order to reliably deliver data-hungry content. New Charter will expand these policies to the Time Warner Cable and Bright House Networks territories after the merger.

**REDACTED – FOR PUBLIC INSPECTION**

7. New Charter is committed to developing and deploying innovative broadband technology. Charter's broadband Internet services deliver an industry-leading minimum of 60+ Mbps to over 85% of its 4.8 million residential broadband customers.<sup>1</sup> Charter's Internet download speeds for its fastest residential service reach up to 120 Mbps, and the company continually invests in improving its network and services.

8. Under Charter's leadership team, New Charter will soon bring base speed tiers from 15 Mbps<sup>2</sup> to Charter's current standard minimum of 60 or 100 Mbps at uniform pricing in Time Warner Cable and Bright House Networks territories. In Time Warner Cable and Bright House Networks territories that are already all-digital, New Charter will introduce this offering within a year of closing. We will take the remaining systems all-digital within 30 months, and as systems are taken all-digital, consumers in those markets will have access to the same speeds and pricing.<sup>3</sup>

9. Consumers in Time Warner Cable and Bright House Networks footprints will be further served by the rollout of Charter's customer-friendly practices. These practices are designed to attract consumers who are interested in subscribing to OVDs, and thus focus on accommodating high data consumption. They are notable for what they do not involve. Unlike the practices of many providers, there are no data caps or usage-based billing. There are no contracts with early termination fees. There are no modem lease fees. A residential consumer

---

<sup>1</sup> While a 60 Mbps or above base broadband speed is available to approximately **[BEGIN HIGHLY CONFIDENTIAL]** **[END HIGHLY CONFIDENTIAL]** of Charter subscribers, some have chosen not to take advantage of the faster speeds and remain on legacy service plans with slower speeds. In St. Louis, Charter's largest market, the slowest speed it sells is 100 Mbps.

<sup>2</sup> In certain Maxx service areas, Time Warner Cable's baseline service tier offers 50 Mbps. Time Warner Cable's most popular speed tier, however, remains 15 Mbps.

<sup>3</sup> It is possible that systems serving fewer than 1% of homes may not be taken all-digital due to the challenges in interconnecting to the remaining New Charter network.

who subscribes to New Charter broadband service will be able to use *any* Internet application and visit *any* Internet service without having to worry about budgeting within an artificial framework. We believe that this promise to a larger base of U.S. consumers is a key aspect of our competitive strategy.

10. Charter has proactively invested in its network, including at points of interconnection, to maintain a robust experience for consumers. New Charter will continue to ensure that broadband customers receive high-quality service no matter how data-intensive their consumption choices are. In addition to making Internet data delivery more efficient, growth in New Charter's interconnection capabilities will help facilitate the virtuous cycle that will drive broadband growth into the future. Additionally, we commit to submitting any interconnection disputes unresolvable through good-faith negotiation to the FCC for resolution on a case-by-case basis for three years, even if the rules requiring this practice are overturned in court.

11. New Charter's base broadband tier will provide a stellar platform for online video competition to flourish. A base level of 60 downstream Mbps provides uninterrupted, high-quality online video service for multiple, simultaneous viewers in a single household along with other uses of the Internet. By deploying fast, reliable broadband out across the merged footprint, we will seek to attract Internet customers from competitors—whether they are cord-cutters, dedicated cable-watchers, or consumers straddling the fence. New Charter's ability to do so will be complemented by the continued expansion of Time Warner Cable's highly advanced 300 Mbps service offering in certain areas—an initiative we will continue to deploy as these markets go all-digital.

12. Finally, New Charter's broadband service will be enhanced by the transition of Time Warner Cable and Bright House Networks cable systems to an all-digital format within 30

months after close.<sup>4</sup> Currently, Charter is all-digital in almost all of its footprint, while Time Warner Cable expects to be all-digital in only 50% of its footprint by the end of 2015, and Bright House Networks is all-digital in only about [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] of its footprint. By investing in all-digital system architecture in the Time Warner Cable and Bright House Networks service areas, we will free up spectrum that will be used to increase broadband speeds.

*Video*

13. Building on the best aspects of three of the best cable video services in the country, New Charter will be rolling out innovative video services in the merged company's footprint. We will introduce Charter's new, IP-capable Worldbox CPE and cloud-based Spectrum Guide user interface system. Charter's advanced Spectrum Guide uses cloud-based technology to deliver a customizable, interactive experience to video subscribers. The guide enables customers to find video content more easily across cable TV channels and on-demand options. Spectrum Guide will be deployed quickly across the New Charter's footprint, beginning with all-digital systems and continuing as systems are digitized. Because Spectrum Guide's functionality is cloud-based, consumers will be able to benefit from its advanced features using their existing two-way set-top boxes without the wait, disruption, and expense of a new set-top box or a truck roll. Indeed, Charter has demonstrated how Spectrum Guide in an app form will soon be able to work with innovative retail devices such as Roku. Charter has also validated internally the capability to run the Spectrum Guide app over [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] and continues to innovate

<sup>4</sup> It is possible that systems serving fewer than 1% of homes may not be taken all-digital due to the challenges in interconnecting to the New Charter network.

with additional CE devices, such as [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] television sets. This flexibility is a boon to consumers, and a spur to innovation in the CPE marketplace. It will also push forward the integration of traditional MVPD offerings and online video offerings, to the benefit of consumers.

14. New Charter will also deploy an advanced mobile video application that will combine the best features of the pre-Transaction companies' apps into one integrated app. The app will include the Spectrum Guide user interface, on demand and "download-to-go" functionality, and the nearly 300 live channels on Time Warner Cable's TV application (TWC TV), creating an "enhanced" customer experience for current Charter, Time Warner Cable, and Bright House Networks customers in ways that could not be achieved but for the transaction.

***Wireless***

15. New Charter will build on the progress of Time Warner Cable and Bright House Networks in establishing widespread, consumer-friendly out-of-home WiFi networks. This will enable New Charter to better meet the competitive challenge of wireless broadband—a challenge the companies perceive to be among their most significant going forward. New Charter plans to deploy at least 300,000 new out-of-home WiFi access points across our footprint within four years. This will expand the existing WiFi network to additional areas heavily trafficked by consumers. New Charter also will evaluate the merits of leveraging in-home routers as public WiFi access points and will have greater resources to devote to such a strategy.

**Scale, Scope and Investment**

16. New Charter's increased scale will enable us to more effectively make significant fixed-cost investments by spreading those investments over a larger customer base. This transaction will spur immediate and significant investments in broadband and two-way digital

**REDACTED – FOR PUBLIC INSPECTION**

video, as discussed above, and it will be spurred in part by the basic economic tenet that a larger company is able to innovate more efficiently due to lower per-customer fixed costs.

17. After the Transaction, New Charter will serve more subscribers, generate more revenue, and earn more adjusted EBITDA. Broadband subscribers will increase from 5.1 million to 19.4 million; video subscribers will increase from 4.3 million to 17.3 million; and voice subscribers will increase from 2.6 million to 9.4 million. Pro forma revenue will rise from \$9.1 billion to \$35.7 billion. And pro forma adjusted EBITDA will go from \$3.2 billion to \$12.9 billion.

18. This scale will better enable us to invest further in and better attract a top-tier research and development team, to build facilities for state-of-the-art technological testing and experimentation, and to play an important role in developing proposed standards for standard-setting bodies. Each of these benefits of increased scale will enable us to serve customers with our own technological innovations, as opposed to relying on purchasing whatever the largest players in the industry choose to develop.

19. This is especially the case for broadband Internet innovation. Both infrastructure and software are entering a time of rapid change, and to stay competitive, the parties to this Transaction need to be able to innovate quickly and effectively. The Transaction will make the economics of innovation more favorable to New Charter than it is currently for the three merging entities, and the benefits of swifter innovation will redound to consumers. As a result, we will be better able to follow up on and enhance Charter's success with innovations such as the Worldbox CPE, and Time Warner Cable's success with advances like the high-speed Maxx broadband program.

**REDACTED – FOR PUBLIC INSPECTION**

20. The Transaction will generate cost savings in a number of areas. Combined purchasing, overhead, product development, engineering, and IT will generate OpEx and CapEx synergies. Cost synergies are also inherent in simple, uniform operating practices and pricing and packaging. These will be designed to improve service, promote growth, and create operating leverage. Tax efficiencies resulting from the combination will further generate free cash that can be used for network improvement.

21. The combined entity will be also able to more efficiently invest in the development, procurement, and deployment of CPE. Costs for CPE, including set-top boxes and cable modems and their cost of installation, represented nearly half of Charter's capital expenditures in 2014. New Charter's increased scale will reduce the development and procurement costs of new set-top boxes and other CPE, allowing us to deploy the Worldbox CPE more efficiently.

22. Our increased scale will make us a better partner for innovative services, and, accordingly, will spur their development. At present, it may not be economical for an innovator to develop separate services for Charter, Bright House Networks, and Time Warner Cable; each of these companies may offer incompatible platforms and developing services for all three would require considerable duplication of effort. By contrast, by partnering with the larger New Charter, innovators will be able to develop a single service for all of New Charter's customers and spread their fixed cost of innovation across a larger base.

23. The Transaction will extend the merged company's reach throughout the United States. Moreover, the Transaction will enable us to serve more communities within particular regions. For example, Charter's Dallas-Fort Worth assets and Bright House Networks' Birmingham assets are relatively isolated from the rest of their companies' service areas. The

Transaction will enable those assets to be merged with significant assets from the other two firms, thereby knitting territories together to drive efficiency. This will take place in substantial portions of the merged footprint.

***Enterprise Customers***

24. The combination of New Charter's greater geographic reach and more rationalized footprint following the transaction will position New Charter to better compete for enterprise customers, and thus improve competition in that sector.

25. The market for enterprise services is currently led by national players such as Level 3, AT&T, Verizon, and CenturyLink. These companies are thriving because a provider typically must have a broad regional footprint without significant gaps in coverage areas to serve large enterprises with multiple sites across given geographic regions effectively. Customers typically prefer a single network, with a single set of technical standards and a single point of contact for customer support—benefits that Charter, Time Warner Cable, and Bright House Networks operating as independent companies cannot provide to many businesses. Similarly, to serve nationwide enterprise customers that operate in multiple geographic regions, business service providers must offer a broad national footprint.

26. Because the Transaction will increase the size and density of those areas, the business case for advanced services will be easier to make. In turn, enterprise customers in New Charter's territories will benefit from access to those advanced services.

27. The transaction will allow New Charter to increase competition for enterprise customers across a broad footprint, and within our denser DMAs. It will also facilitate increased investment in enterprise capabilities, including the investment of \$2.5 billion within four years to bring more locations on network and to develop and deploy the advanced platforms needed to

**REDACTED – FOR PUBLIC INSPECTION**

manage vast amounts of data. Moreover, the transaction provides us a strong incentive to expand our facilities-based footprint of optical networks to serve the business services marketplace, and New Charter intends to make those investments.

28. Those investments will build on a strong foundation among the Applicants, as each firm brings specific expertise to the enterprise market. Charter currently provides a range of enterprise services, including wholesale data delivery over the last mile, medium and large business Metro Ethernet service, and advanced voice system service employing Primary Rate Interface and Session Initiation Protocol Trunks. By combining the infrastructure and skills of each of the three companies with additional investment, New Charter will be able to deliver more advanced enterprise services across a wider territory. This will make the enterprise services market more competitive, both for small and regional businesses, and for national businesses, whose footprints have heretofore exceeded any of the individual merging companies' reach.

***Advertisers***

29. The Transaction will also enhance New Charter's ability to serve advertisers. The Applicants each currently provide local, regional, and national businesses with the opportunity to advertise on their cable systems in individual markets.

30. The Transaction will allow New Charter to better compete for advertisers across a significantly greater portion of their footprint. Our post-transaction scale and more geographically aligned footprint will create increased opportunities for advertising customers to address broader regional audiences on multiple screens, including mobile devices, and across multiple platforms, including VOD and online. Moreover, greater scale and a larger, more rationalized footprint likewise will enable advertisers to reach more customers and improve the business case for investment in developing more advanced advertising services, such as

addressable advertising and dynamic ad insertion for VOD, providing advertisers with more cost-effective methods of reaching targeted audiences.

***Marketing***

31. In addition to becoming better able to serve other advertisers, we will also be better positioned to market our own services to potential customers. While Charter is currently able to buy mass media to advertise to approximately 50% of its passings, we will be able to market to 90% upon the completion of the Transaction. This will enable us to more effectively market ourselves against far larger national and regional competitors to potential customers who seek higher speeds, standardized and customer-friendly pricing and policies. By expanding our ability to take our message to more potential customers more effectively and efficiently, we will be a more effective competitor in a larger percentage of our territory.

***Citizenship***

32. The merged company will also preserve and expand programs across all three companies that establish their strong corporate citizenship.

33. First, and critically, the merged entity will recognize the vital importance of promoting diversity and inclusion strongly rooted in the communities it serves. Time Warner Cable has recognized best practices with respect to diversity and inclusion for employees, suppliers, and corporate governance, and New Charter will incorporate and build upon these. They include a critical focus on attracting, retaining and promoting a skilled workforce that reflects its diverse customer base; a commitment to increasing engagement with minority, women, veteran and disabled-owned businesses that can supply it with the high quality materials and programming its customers demand; and a focus on developing leadership to ensure accountability to meeting diversity and inclusion goals.

**REDACTED – FOR PUBLIC INSPECTION**

34. We also will build upon Bright House Networks' broadband program for low-income customers by making a broadband offering available with higher speeds and expanded eligibility while continuing to offer the service at a significant discount, and will make the offer available across the New Charter footprint.

35. We are also committed to increasing our customer care capacity, and will do so through investment and in-sourced jobs in the United States. New Charter will bring thousands of overseas Time Warner Cable jobs back to the United States, adding thousands of jobs to the American economy. We will bring many if not most of these jobs in-house, where we will provide significant training, benefits, and opportunities for advancement, adding to the skill level and economic fabric of local communities, while developing our own high-skilled, well-paid workforce devoted to delivering improved customer service across the country.

**Commitments**

36. To ensure that the benefits of the Transaction are realized, Charter makes the following commitments.

37. Within 4 years of close, New Charter will invest at least \$2.5 billion in the build-out of networks into commercial areas within our footprint beyond where we currently operate. This will create additional, much-needed competition in the commercial sector.

38. Within 4 years of close, we will build out one million line extensions of our networks to homes in our franchise areas. These new facilities will either provide service to currently unserved areas or will increase competition with existing providers.

39. Within 4 years of close, New Charter will increase competition in the mobile data market by deploying over 300,000 out-of-home WiFi access points.

**REDACTED – FOR PUBLIC INSPECTION**

40. Recognizing the importance of an open Internet to the flourishing market for broadband services, New Charter will not block or throttle Internet traffic or engage in paid prioritization, as defined in the *Open Internet Order*.<sup>5</sup> These commitments will continue for three years, without regard to the outcome of the ongoing litigation challenging reclassification.

41. Recognizing the concerns that led to the FCC’s adoption of a “general conduct” complaint process in that Order, New Charter will not engage in the actions listed below that prompted those concerns.<sup>6</sup> Charter will not charge consumers additional fees to use specific third-party Internet applications, and Charter necessarily will not engage in zero-rating (discriminatory exemptions from a data cap), as Charter does not impose data caps and has committed not to do so. These commitments will continue for three years, without regard to the outcome of the ongoing litigation challenging the general conduct rule.

42. Recognizing the concerns that led to the FCC’s adoption of a case-by-case approach for interconnection disputes in the *Open Internet Order*, New Charter will continue to engage in reasonable and non-discriminatory interconnection and submit any interconnection disputes to the FCC for resolution on a case-by-case basis, in line with the *Open Internet Order*.<sup>7</sup> This commitment will continue for three years, without regard to the outcome of ongoing litigation challenging the FCC’s interconnection framework in the *Open Internet Order*.

43. New Charter will make comprehensive and significant investments in its broadband capabilities. New Charter will transition Time Warner Cable and Bright House

Networks cable systems to all-digital networks within 30 months of the close of the Transaction.<sup>8</sup> This will enable the combined company to reallocate network capacity for broadband use such that substantially all customers will be able to take advantage of at least 60 Mbps download speeds, and to improve the video product by adding significantly more HD and on-demand options.

44. Within twelve months of closing, New Charter will market services consistent with Charter's current packaging and pricing strategies, including its base 60 Mbps broadband service, to consumers in Time Warner Cable and Bright House Networks areas where the cable systems are all-digital at closing. In Time Warner Cable and Bright House Networks service areas that are not yet all-digital, New Charter will make those same offerings available once the systems are taken all-digital.

45. New Charter will continue to create thousands of U.S.-based jobs by hiring for customer services call centers and field technician operations located throughout the country, and returning Time Warner Cable call center jobs to the U.S.

46. The merged company will embrace Time Warner Cable's commitment to diversity and inclusion in governance, employment services, procurement, and community partnerships.

47. New Charter will build upon Bright House Networks' broadband program for low-income consumers by making a broadband offering available with higher speeds and expanded eligibility while continuing to offer the service at a significant discount, and will begin

**Public Interest Statement concerning the Merger  
of Charter, Bright House, and Time Warner Cable**

24 June 2015

**I. Introduction**

1. I am the Theodore Nierenberg Professor of Economics at the Yale School of Management, a Visiting Professor in the Economics Department of the University of Edinburgh, and a Senior Consultant at Charles River Associates. I was the Deputy Assistant Attorney General for Economic Analysis with the Antitrust Division of the US Department of Justice in 2011 and 2012. I have taught at the business schools of Stanford and the University of Chicago and served as Associate Dean for Faculty Development at Yale School of Management. I received a PhD in Economics from MIT in 1994.

2. At Yale University, I teach courses in the area of competitive strategy and competition economics and policy. My research is in the area of empirical Industrial Organization, the sub-field of microeconomics that includes competition economics and the study of firm behavior. I have authored or co-authored more than 20 articles in a variety of areas of economics. Those articles have been published in leading scholarly and professional journals, including the *American Economic Review*, the *RAND Journal of Economics*, the *Journal of Industrial Economics*, and the *Quarterly Journal of Economics*.

3. The economics of the proposed mergers among Charter Communications (“Charter”), Bright House Networks (“BHN”), and Time Warner Cable (“TWC”) promise substantial procompetitive benefits. Consumers will benefit from the procompetitive incentives and resources of the combined firm (“the post-merger firm” or “New Charter”). These consumer benefits, coupled with the lack of any anticompetitive effects resulting from the mergers, indicate the mergers are in the public interest.

4. In preparing this statement, I have reviewed documents from Charter, TWC and BHN, and interviewed executives from Charter and TWC. I rely on information from those documents and interviews below. As the merger review process continues, more information will become available, and I may update my findings.

**II. The merging firms do not compete to provide MVPD, broadband or voice services**

5. The mergers will not cause any harmful price effects in the markets for multichannel video programming distributor (“MVPD”), broadband, or voice services. Charter, BHN and TWC have *de minimis* overlap geographically, and therefore do not currently compete to provide MVPD, broadband or voice services to the same subscribers. Because there is *de minimis* geographic overlap between the merging firms, there can be no change in the post-merger firm’s

incentives to unilaterally increase prices to subscribers.<sup>1</sup> The post-merger firm would not want to raise one of its prices and risk losing a subscriber with the hope of “recapturing” the subscriber with its merging partner’s products. There is no hope of such recapture without meaningful geographic overlap. Therefore, these mergers will not create a loss of competition MVPD, broadband or voice services.

**III. Increased incentive to make fixed cost investments**

6. New Charter will have an increased incentive to invest in new and upgraded technology and services, because the post-merger firm will have increased scale and scope relative to any of the stand-alone firms. This increased incentive is procompetitive and will lead New Charter to increase its investments. Those increased investments will benefit subscribers.

**A. Increased scale**

7. Based on the parties’ EOY 2014 subscriber counts, the increase in scale due to the transaction ranges from 58% to 842%, depending on the stand-alone firm and the service. See Table 1. For example, Charter has about 5 million broadband customers and BHN only about 2 million. The merger will join these two entities with TWC and increase TWC’s scale from 12.3 million to over 19 million broadband subscribers.

8. Suppose a new product is valuable to subscribers, such as a modem with faster transfer speeds in the home, and that subscribers are more willing to subscribe or to pay more for the improved speeds. A firm will have an incentive to provide this valuable product, if the

---

<sup>1</sup> In fact, cost savings and other synergies related to the merger will give the post-merger firm an incentive to lower prices. See my discussion below.

## REDACTED – FOR PUBLIC INSPECTION

additional subscribers and revenue is enough to recover the cost of providing the product. The additional amount must cover both the variable and fixed costs of the product. Variable costs are costs that increase with the number of subscribers. Part of the cost of the modem is likely variable—you need one modem for every subscriber and, as you increase subscribers, you will increase the number of modems you need. But part of the cost of the modem is also fixed. The investment in the design of the modem, for example, is a fixed cost that does not vary as the number of subscribers increases. The additional revenue a firm can earn from a product is the per-subscriber incremental revenue times the number of subscribers. Holding all else constant, the additional revenue increases with the number of subscribers, while the fixed cost stays the same. The more subscribers there are, the more likely it is that the additional revenue outweighs the fixed cost. Thus, it is clear that more fixed cost investments will be undertaken as the number of subscribers, or scale, increases.<sup>2</sup>

9. The reason it makes sense to highlight the fixed costs of investment is because there are many important innovations whose costs are mostly fixed. Software is a good example; it costs the same amount to write the code no matter how many subscribers use it. When a large number of subscribers use the innovation, the per-subscriber fixed cost is very low. Therefore, it is much easier for the firm to earn a positive return on a software innovation when it has larger scale.

10. Because of the economic benefits of scale, New Charter will have an incentive to incur much larger fixed cost investments in order to create a new product or service than any of the stand-alone firms. The increased incentive to incur larger fixed cost investments will lead to the creation of new products and services that would not have been invested in by the stand-alone firms. These products and services will be valuable to subscribers and will make the combined firm's products more attractive and competitive with substitute products.

---

<sup>2</sup> A more formal exposition of the principle that a larger scale will lead to more fixed investment can be based on the classic Dorfman-Steiner Model. See Dorfman, Robert, and Peter O. Steiner, "Optimal Advertising and Optimal Quality," *American Economic Review* 44, 826-36 (1954).

11. For example, consider the fixed costs associated with Charter’s Spectrum Guide shown in the table below.<sup>3</sup>

[BEGIN HIGHLY CONFIDENTIAL]

### Spectrum Guide Deployment Cost per Sub

Charter - Confidential

[END HIGHLY CONFIDENTIAL]

12. According to this analysis from Charter, Charter will invest more than [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] in fixed product and network operations costs during 2014 and 2015 in order to deploy its new cloud-based Spectrum Guide to Charter subscribers. Allocated over Charter’s approximately 4.3 million video subscribers, that [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] translates to [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] per subscriber. Charter estimates that it would cost an additional [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] to enable TWC and BHN set-top boxes to communicate with the Spectrum Guide. Nonetheless, the additional subscribers from TWC and BHN will dramatically reduce the per subscriber cost down to [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL]. This analysis illustrates the significantly lower per subscriber cost of a fixed investment for the post-merger firm compared to the stand-alone firms. Because the per-subscriber cost is so much lower, New Charter will have an increased incentive to make fixed investments in products like the Spectrum Guide.

13. Some of the products and services that New Charter will invest in will create new or increased competition in adjacent markets. For example, the post-merger firm will have an

increased incentive to invest in WiFi technology and deployments that will allow it to compete on a facilities basis with current cellular providers. WiFi provides customers alternative access to data services for tablets and other devices from those offered by cellular providers. One potential technology called Home as a Hotspot makes home wireless routers act as wireless hotspots, enabling customers to easily get online from locations away from their own homes. In combination with New Charter’s increasing deployment of out-of-home WiFi, this would create a robust WiFi network available for millions of customers.

14. There are many examples of fixed cost investments that the stand-alone firms have chosen not to make due to lack of scale. For example, all three firms cite a lack of scale as a reason for having smaller research and development teams. With more scale, the incentive to increase the size of those teams will increase. TWC, which is the largest of the stand-alone firms, has delayed investments in:

**[BEGIN HIGHLY CONFIDENTIAL]**

**[END HIGHLY CONFIDENTIAL]**

15. Similarly, Charter reports that if it had more scale over which to spread development costs it would have been able to:

[END HIGHLY CONFIDENTIAL]

16. With the increased scale, the post-merger firm will be more likely to recover the costs of all of these investments, and is therefore more likely to make them promptly. The result will be higher quality services for subscribers.

**B. *Increased geographic scope***

17. Along with increased scale, the post-merger firm will have increased geographic scope. Its increased geographic scope will make certain types of investments more efficient. For example, New Charter will have an increased incentive to invest in attracting and maintaining its subscribers using mass market advertising. Because mass market advertising like television ads are purchased for an entire DMA, the value of the mass market advertising to New Charter increases as New Charter's geographic coverage within a DMA increases. New Charter will be more likely to spend resources using mass marketing to attract and maintain its subscribers because each advertisement will reach a larger number of subscribers or potential subscribers.

18. While other providers, like DirecTV, DISH, AT&T, Verizon, and others, also compete as MVPDs within different DMAs, cable multiple systems operators ("cable MSOs") serve virtually non-overlapping regions. Because their regions are virtually non-overlapping, a higher share of cable MSO subscribers serves as excellent proxy for a cable MSO's breadth of geographic coverage within a DMA. For example, in Q1 2015 Charter accounted for approximately 14% of the cable MSO video subscribers in the Los Angeles DMA, TWC for 73%, and BHN for none. The post-merger New Charter would serve 87% of cable MSO video subscribers in the Los Angeles DMA.<sup>6</sup> Table 2 illustrates for five large DMAs how post-merger New Charter will create wide geographic coverage. In fact, I understand that today mass market advertising is efficient for only about 50% of Charter subscribers, while it will be efficient for 90% of the post-merger firm's subscribers.<sup>7</sup>

---

<sup>6</sup> But note that the post-merger firm would only serve 34% of all MVPD subscribers in the Los Angeles DMA. Other providers like DirecTV, DISH, Verizon, and AT&T would serve 24%, 16%, 12%, and 9% respectively.

19. The post-merger firm’s increase in geographic scope will make the per-subscriber advertising cost of mass market advertising fall. As such, the post-merger firm will have an increased incentive to advertise, which will intensify competition with rivals and benefit consumers.

20. Although not related to the firm’s incentive to invest, another benefit of increased geographic scope is that the post-merger firm will be better able to serve multi-location businesses. Businesses with locations that currently span a combination of the Charter, TWC and BHN networks will be better served by the post-merger firm, because all of the business’s locations will be served by a single provider rather than two or three separate providers. Thus, these multi-location businesses will gain a “one-stop-shopping” benefit that will reduce their costs.<sup>8</sup> A similar benefit will accrue to advertisers that seek to buy advertising on cable TV.

<sup>8</sup> Note that this benefit does not have a potential countervailing harm, as there is no reduction in competition for subscribers from the merger. See § II above.

Post-merger, advertisers that want to reach subscribers spanning a combination of Charter, TWC, or BHN networks will be able to reach those subscribers by buying ads from a single cable MSO rather than two or three cable MSOs.

**IV. Lower marginal costs**

21. Because of its increased scale, the post-merger firm's marginal cost will decrease. The post-merger firm's marginal cost will decrease because it will be purchasing higher volumes of inputs like co-axial cable, construction services, set-top boxes, and modems. These higher volumes will allow the post-merger firm's suppliers to achieve economies of scale and their associated cost savings. A portion of these cost savings will likely be passed through to the post-merger firm in the form of lower input prices. In turn, the post-merger firm will likely pass through a portion of the savings associated with lower input prices to its subscribers.<sup>9</sup> Thus, both suppliers and subscribers will benefit from the post-merger firm's increased scale.

22. Charter's World Box is also a likely source of reduced marginal cost. For example, I understand that TWC currently pays [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] plus [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] in cableCARD fees for an HD set-top box.<sup>10</sup> Charter currently pays [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] plus [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] in platform fees for a World Box HD set-top box that does not need a cableCARD because it uses downloadable security.<sup>11</sup> Due to the difference between the cableCARD fees and platform fees, the World Box is less costly than the TWC box by [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL]. Based on these numbers, if New Charter uses the World Box instead of TWC's box, it will save [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] on each box, which will result in a reduction of the marginal cost to serve video subscribers.

23. I also understand that TWC has lower programming costs than Charter. Because programming costs are typically paid on a per-subscriber basis, if New Charter can lower its programming costs for current Charter subscribers by purchasing all of its programming under TWC's terms, it will reduce New Charter's marginal cost per video subscriber. Part of that reduction in cost would likely be passed through to subscribers in the form of lower prices.

**V. Increased speed as a consequence of scale**

24. The post-merger firm will have an increased incentive to invest in its network to the benefit of subscribers as described above. A significant aspect of these investments in fiber, software, and hardware is the increased speed that will become available to the post-merger

---

<sup>9</sup> A profit maximizing firm that faces a downward sloping demand curve will pass through a portion of the marginal cost savings in the form of lower prices. If the demand curve is linear, the firm will pass through 50% of the marginal cost savings.

1 - SNL Kagan. Total excludes wireless and satellite high speed data subscribers. Figures include commercial customers.

25. Investment in broadband speed is widespread in the industry. EOY 2014 broadband subscriber counts are shown in Table 3. I understand that all major ISPs are investing in improving their networks and attracting more broadband subscribers. For example, companies like Google, AT&T, Cox, CenturyLink and others have announced their intention to invest in gigabit Internet services.<sup>12</sup> Thus, while the merging firms are increasing their number of high speed subscribers, the total number of high speed subscribers is also increasing rapidly, which makes HSD shares a moving target.

26. The increasing number of subscribers with faster broadband speeds does indicate a clear conclusion: investments in complements to speed will become more profitable and more prevalent over time. Complements such as content itself, software interfaces, and mobile applications will all be faster, higher quality, and therefore in higher demand by subscribers as speeds increase. ISPs will want to sell subscribers services they demand, and will have an incentive to invest as described above. In particular, subscribers are likely to take advantage of speed by consuming more Online Video Distributor (“OVD”) services. The primary rationale for such speed increases is to *facilitate* use of streaming video services. A credible signal of the post-merger firm’s strategy to enhance entry of OVDs is therefore its investment in broadband speed.

<sup>12</sup> See, for example, <http://www.cnet.com/news/race-to-gigabit-internet-service-takes-off/>.

27. Note that the value of increased broadband speed to subscribers is almost certainly enormous, and greatly exceeds any amount subscribers are currently willing to pay for increased speed. The next generation's Amazon, Google, eBay, or Facebook may well arise because of, or benefit from, increased broadband speeds. The value of increased speed will likely be closely tied to the value of new Internet innovations that require speed. With more investment in speed, innovation is more likely to occur faster.

## **VI. Partnering for Innovation**

28. The post-merger firm's larger scale will make it a better partner for innovators. In the same way that the post-merger firm's larger scale increases its incentives to invest in new products and services, it also increases the incentive and ability of the firm to partner with innovators in vertically related markets. For example, by giving an innovator access to its larger base of subscribers, the post-merger firm is more likely to give the innovator an incentive to invest. With access to a larger base of subscribers, the innovator is more likely to gain the scale needed to make a fixed cost investment profitable. An innovator may even be able to achieve the scale it requires for profitability from the post-merger firm alone. This would reduce any uncertainty about its ability to profitably enter and would likely reduce its cost of entering.

29. First, note that there is no required scale for innovation. Some innovations may be profitable with very few subscribers, and others may be profitable only with very many subscribers. One of the benefits of the mergers is that New Charter will become an additional option for innovators that need a large scale for viable entry. And not all innovators need partnership with broadband providers. In fact, numerous edge providers of many types offer content that is agnostic to the identity of the broadband provider. For example, the browser based streaming offerings of YouTube do not require special broadband provider integration. The innovations where partnering benefits the innovator include offerings where the broadband provider can enhance the customer's experience and thus improve the innovator's product. For example, suppose an innovator needs to have access to at least 15-20% of broadband subscribers to justify its fixed cost of investment. Today, only Comcast or AT&T can provide that scale of access by itself. See Table 3. In the past, without either one of Comcast or AT&T as a partner to, for example, optimize a technology to work on a particular cable system, an innovator would have to spend the fixed costs to negotiate and optimize with multiple broadband providers to reach 15-20% of subscribers. This would increase its cost of achieving that initial scale and discourage entry. New Charter will provide another option for entrants that desire a strong partner with scale. Furthermore, Comcast and AT&T are understandably less likely to support innovation that either does not fit their technology (i.e., AT&T's DSL) or their strategic priorities. For example, Comcast is less likely to support OVDs with programming that competes with NBCU programming.

30. Because the post-merger firm will increase the options for innovators that need this type of scale, it will reduce the cost to innovators. The post-merger firm will compete with providers like Comcast, AT&T and others to sponsor the innovation that is best for them and their subscribers. Because the post-merger firm does not have the same incentives as these other providers, this competition to sponsor innovators will lead to a larger variety of products for subscribers.

31. I should also note that growth in broadband subscribers across providers continually improves the options for innovators. As different providers grow, they become more likely to have the scale to support innovation on their own, or to be part of a group of providers that support an innovation.

32. An example of the type of innovation that New Charter will support comes from Charter's current effort to include OVDs on its Spectrum Guide. The Charter Spectrum Guide is a cloud-based system that presents Charter's video service to its subscribers. It includes a program grid that allows subscribers to navigate directly to programs. Charter designed the Spectrum Guide so that it could be expanded to include OVDs in the program grid. Charter is actively working with OVDs, including some of the largest, national OVDs, to include their programming applications within the Charter program grid. This would allow subscribers to access the OVD programming directly from the grid rather than via a separate Internet session using a PC, mobile phone, tablet or other device. Charter believes this will improve the overall experience for its subscribers, and also for OVD subscribers.

33. It is not costless for OVDs to access subscribers of different networks. The OVDs need to design applications that can run on the device the subscriber wants to use. That could be a computer or laptop, but it could also be an application on the MSO's set-top boxes and network. Designing such an application is a fixed cost for the OVD. Charter's Spectrum Guide and World Box lower these costs for the OVD. Currently, if an OVD wanted to build an application for the three distinct Charter, TWC, and BHN platforms, then the OVD would have to develop three distinct applications, increasing the fixed development costs. With New Charter, an OVD would only have to develop the application once. And, New Charter's increased scale, as discussed above, lowers the per subscriber costs even more. This means that New Charter will be an even more desirable OVD partner in the future than any of the stand-alone companies are now.

34. I should note that New Charter's increased scale will not likely give it the ability to foreclose innovators. For example, almost 70 million or 80% of broadband subscribers will be served by firms other than New Charter. Unless an innovator required access to more 70 million broadband subscribers to reach its minimum viable scale, the post-merger firm would not have the ability to foreclose. To put that in context, Netflix launched its video streaming service in 2007 when it had about 7.5 million subscribers, a number one-tenth that size.<sup>13</sup> Thus, it is very unlikely that the post-merger firm would have the ability to foreclose entry.

## **VII. Improved access for OVDs**

35. A significant concern about the recently proposed Comcast / TWC merger was that Comcast would have an increased incentive to foreclose OVDs. One concern was that by blocking OVDs Comcast could give an advantage to its NBCU unit. Another concern was that Comcast's desire to protect MVPD revenue would create an incentive to foreclose OVDs.

---

<sup>13</sup> See "A brief history of the company that revolutionized watching of movies and TV shows," available at <https://pr.netflix.com/WebClient/loginPageSalesNetWorksAction.do?contentGroupId=10477>.

36. However, New Charter has different incentives that favor rather than harm OVDs. New Charter will not have a similar incentive to foreclose OVDs and other vertically related providers. Unlike Comcast, New Charter will not own substantial interests in nationwide broadcast and cable programming, while its technology is relative inexpensive for both OVDs and consumers.<sup>14</sup> Because it will not have substantial interests in these vertically related industries, New Charter will not have an incentive to foreclose firms in those industries from access to its subscribers. For example, because New Charter will not have an interest in the production of nationwide video programming, it will not have an incentive to prevent rival networks or OVDs from being distributed to its subscribers in order to favor its own video programming.

37. To the contrary, New Charter will have an increased incentive and ability to promote OVDs and other edge providers in order to encourage usage that expands subscribership to its broadband network. In addition, given that the merging parties are experiencing growth in broadband subscribers as video subscribers decline—and given that each firm’s profitability and future success depends far more on its broadband business than its video business—the combined firm will not have any incentive to take any action that harms the attractiveness of broadband to its consumers.

38. To determine if New Charter will have an incentive to foreclose OVDs, one needs to compare the benefits and losses New Charter would get from foreclosure. The benefits will depend on whether OVDs offer services that are substitutes or complements for New Charter services. Is a subscriber that purchases OVD services like Netflix more or less likely to purchase video services from an MVPD? I show below that OVDs are often a complement to MVPD video services, and therefore that it is unlikely that a non-vertically integrated MVPD will have an incentive to foreclose OVDs. In fact, even if OVD services are substitutes for MVPD services, it is unlikely that MVPDs like New Charter will have an incentive to foreclose.

**A. *New Charter Will Not Foreclose OVD Providers***

39. Suppose hypothetically that New Charter could somehow refuse OVDs access to its broadband network, making OVDs unavailable to its broadband subscribers. Suppose further that OVD services are substitutes for traditional video services provided by MVPDs. Under these assumptions, if New Charter chose to foreclose OVDs, some of its broadband subscribers would purchase more traditional video services from New Charter, which would be a gain for New Charter. Other broadband subscribers would switch to an ISP that did not foreclose OVD services (such as rival ISP / MVPDs like AT&T/DirecTV, or Verizon), which would be a loss for New Charter. If the gain from the subscribers that stay with New Charter after foreclosure is less than the loss from the subscribers that leave (or that chose not to subscribe in the first place), then the foreclosure would be unprofitable and New Charter would not have an incentive to foreclose. The keys to understanding the incentive to foreclose, then, are the incremental profit

<sup>14</sup> I understand that TWC has a partial interest in iN Demand and the MLB Network. I understand that Liberty Broadband will hold a minority interest in New Charter, and I understand John Malone holds a minority interest in Liberty Broadband. Because John Malone will not have a controlling interest, he will not have the ability to require New Charter to favor any interests he might have in video programming.

margins generated by the different services subscribers choose, and the likely proportions of subscribers switching services versus buying more services when OVDs are not available.<sup>15</sup>

*i. Single Play subscribers*

40. Broadband is an important and growing service for each of the current merging parties and will remain so for New Charter. Table 1 helps to indicate this importance. Combined, the three firms have about 17 million basic video subscribers compared to about 19 million broadband subscribers. In Q1 2013, the combined video services had roughly 0.9 million more subscribers than broadband services.<sup>16</sup> By Q1 2015, broadband services exceeded video services by roughly 2.6 million subscribers.<sup>17</sup> The tilt of subscribers towards broadband is likely to continue into the future.

41. Broadband services are incrementally more profitable on average than video services and require less capital investment for new connections. Recent trends suggest that broadband will only become more profitable relative to video. Broadband revenues have grown faster than the operating costs of broadband services. Between Q1 2014 and Q1 2015, the broadband revenue per subscriber of the top three cable MSOs (Comcast, TWC, and Charter) grew 11.5%, while direct variable cost per subscriber rose only 7.4%.<sup>18</sup> In contrast, over the same period, video revenue per subscriber grew only 1.5%, while direct variable cost per subscriber rose 5.7%. The primary driver in the declining gross margin of cable video service is programming, which is increasingly costly per subscriber.

42. My analysis of incentives below center on “gross margins” earned from subscribers. In general, gross margins are revenues minus the variable costs of producing the goods sold. They measure the amount a company retains from sales that it can use to offset fixed costs, those that are not directly attributed to producing individual units of the goods. They thus do not include so-called “indirect” costs such as marketing and sales forces, service support, and other administrative and fixed costs. These margins also exclude the impact of depreciation and amortization charges associated with capitalized expenditures that are necessary to deliver these services, including set-top boxes and modems, research and development costs and the investments needed to extend or maintain network infrastructure. These capital costs can be

<sup>15</sup> Below I estimate New Charter’s short run gross profit margins for different sets of subscribers based on the high-level financial information from the parties that I have reviewed. As the merger review process moves forward, I might update my findings and assumptions as more detailed data becomes available.

<sup>16</sup> SNL Kagan reports that in Q1 2013 there were 18.3 million video and 17.4 million broadband subscribers of the combined MSOs Charter, TWC, and Bright House. The difference was approximately 876,000.

<sup>17</sup> SNL Kagan reports that in Q1 2015 there were 17.3 million video and 20.0 million broadband subscribers of the combined MSOs Charter, TWC, and Bright House. The difference was approximately 2.6 million.

significant such as the over \$5.5 billion Charter has invested in capital expenditures such as shared technology and infrastructure since 2012. As such, the gross margins are not the same as a company's earnings or other measures of net profits, and they typically exceed—often dramatically exceed—those other measures.

43. Table 4 below shows the average revenue per user and average gross margins made by TWC, Charter, and BHN, and also the weighted averages that reflect what New Charter might earn in the near future.<sup>19</sup> These averages are across all the subscribers that purchase single play, double play, and triple play services.<sup>20</sup> The average revenues are highest for video services.<sup>21</sup> However, direct expenses, especially with the programming fees that are associated with it, are higher for video services.<sup>22</sup> Consequently, the highest gross margins are not made on video services, but on broadband services.

---

<sup>19</sup> Bright House gross margins after direct expenses by product were not available. For the purposes of analysis, Bright House gross margins as a percentage of revenue are assumed to match the weighted average across TWC and Charter. The numbers in Table 4 are from normal course financial reports from TWC, Charter, and Bright House for full year 2014.

<sup>20</sup> Double play and triple play services are bundles of video, broadband and voice services that generally have a discounted price relative to the price of the unbundled services.

<sup>21</sup> The video average revenues shown in Table 4 include per video subscriber average revenues from advertising. For TWC and Charter, these revenues were around **[BEGIN HIGHLY CONFIDENTIAL]** **[END HIGHLY CONFIDENTIAL]** per video subscriber.

<sup>22</sup> Direct expenses for video include advertising expenses related to commissions and other expenses associated with third-party sales of advertising.

[END HIGHLY CONFIDENTIAL]

44. Using the estimates of the gross margins in Table 4, consider a simple model of the gains and losses to New Charter that would be associated with any single play broadband subscribers affected by foreclosure. As Table 4 illustrates, the average gross margin for broadband services is [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL], while the average gross margin for video services is [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL]. Suppose that, in response to OVD foreclosure, some of New Charter's single play broadband customers chose to purchase video services from New Charter. Under that assumption, New Charter would gain an average gross margin of [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL].<sup>23</sup> However, some

<sup>23</sup> This is a conservative assumption regarding gross margins for at least two reasons. First, there are one-time-costs for subscribers that are not accounted for in these gross margins. For example, the costs of installation and of a set-top-box are not included in the direct costs, and are therefore not accounted for in these gross margins. Accounting for these costs would reduce the calculated margins. Second, it is likely that a current broadband subscriber would purchase a bundle of broadband and video services and get a discounted price. The [BEGIN HIGHLY

**REDACTED – FOR PUBLIC INSPECTION**

of New Charter's single play broadband subscribers would switch to a different ISP, one that didn't foreclose OVDs. For each subscriber that switched to another ISP, New Charter would lose an average gross margin of [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL]. And some single play broadband subscribers would not change their purchases at all. Based on this simple analysis, for foreclosure to be profitable for New Charter amongst single play broadband customers, [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] subscribers would have to purchase video services for every [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] subscribers that decided to switch to another ISP [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL].<sup>24</sup>

*ii. Double and Triple Play subscribers*

45. There is potentially even more at stake for New Charter than just the profits available from single play broadband subscribers. The fact is many subscribers often purchase more than just broadband services. For double play subscribers that already purchase both broadband and video services, New Charter has more to lose and less to gain from foreclosing OVDs. For each of these subscribers that chose to leave New Charter for an alternative ISP, New Charter would lose the combined video and broadband average margin. In December 2014, the average revenue for Charter for a video and broadband double play subscriber was [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL], including average advertising revenue per subscriber.<sup>25</sup> Based on direct expenses used to calculate Table 4, one can estimate that the average margin for a combined video and broadband customer was [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL].<sup>26</sup> The

---

[CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] margin is a blended margin across all types of products and is therefore higher than the margin New Charter earns on a subscriber with a bundle discount. For example, the currently advertised Charter TV Select video and Spectrum Internet bundle entails a \$10 per month discount from the prices of the individual services. Adjusting for this bundle discount, the [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] margin to be gained under foreclosure could be as low as [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL]. Charter bundles are shown, e.g., at <https://www.charter.com/browse/browse-bundles/bundles>.

<sup>24</sup> E.g., [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] roughly equals [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL]. If the ratio were smaller than [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL], foreclosure would not be profitable for New Charter amongst single play broadband subscribers.

<sup>25</sup> All bundle-related ARPU figures in paragraphs 45 and 46 are non-GAAP and recurring in nature for customers in their respective bundles. They exclude one-time charges and adjustments.

<sup>26</sup> The average direct expense can be calculated from Table 4 as the average revenue minus the average gross margin. For video (including advertising), this was [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL], while it was [BEGIN

loss would be even greater for triple play subscribers that currently purchase video, broadband, and voice. For those customers, New Charter would risk losing a combined average gross margin of [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL].<sup>27</sup>

46. For each of the double and triple play subscribers that chose to stay and purchase additional or upgraded video services, New Charter would gain very little. Indeed, among Triple Play customers that already have upgraded video service, there is likely little gain to be made from additional or upgraded service.<sup>28</sup> Among double play video and broadband subscribers, the gross margin Charter currently makes from upgraded video, for example, is less than [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL].<sup>29</sup> Amongst double

---

[BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] for broadband. The potential margin loss would thus be [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL], reflecting the [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] average revenue minus the direct expenses of [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] for video and [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] for broadband.

<sup>27</sup> Similar to the calculation for video and broadband double play customers, this margin is calculated as the average revenue from double play customers minus the average direct expenses for each service calculated from Table 4. In December 2014, Charter's average revenue per triple play customer was [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL]. Based on Table 4, the average direct expense for a triple play customer was [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] reflecting [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] for video (including advertising), [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] for broadband, and [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] for voice. The average gross margin for a triple play customer is thus [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL].

<sup>28</sup> It is possible that these subscribers might purchase more VOD services. I do not currently have the information necessary to evaluate this potential effect.

<sup>29</sup> Specific information on the gross margins earned on upgraded video service is unavailable due to the wide array of options provided by the parties. For the purposes of this illustrative calculation, consider the three basic video packages offered by Charter: Select, Silver, and Gold. Charter currently advertises the Silver upgrade for an additional \$20 and Gold for an additional \$40 over Select. At the end of 2014, Charter had [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] Silver and Gold video tier subscribers, [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] of which were Silver. The weighted average video upgrade was then priced [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL]. Charter incurred approximately [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] per month in direct expenses, or an average of [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] per subscriber, for the

play video and broadband subscribers, then, for foreclosure to be profitable roughly [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] subscribers would have to purchase upgraded video services for every [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] that switched to a different provider.<sup>30</sup>

iii. *Subscriber mix*

47. If New Charter foreclosed access to OVDs, it would affect all its broadband subscribers, not just those that purchased a particular bundle.<sup>31</sup> The two prior sections show that an important factor in determining New Charter's incentives to foreclose is the mix of broadband subscribers that take multiple services. That mix will determine what is at risk for New Charter. The following tables present information about the subscriber mix that I have used to estimate the average margin at risk for New Charter's broadband subscribers.

48. Table 5 shows the mix of subscribers across bundled and single play services for TWC, Charter, and BHN as of the end of December 2014. The subscriber mix is similar across TWC and Charter companies. BHN broadband subscribers are significantly less likely to purchase broadband alone. For all three companies, most subscribers purchase bundles. Around [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] of subscribers purchase a triple play bundle, while [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] purchase either a double or triple play bundle.

[BEGIN HIGHLY CONFIDENTIAL]

---

additional video tier and premium video programming to serve its [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] higher tier video customers (including approximately [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] ethnic and other non-standard tier subscribers). This results in a margin of [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] per upgraded subscriber for the upgrade portion of their video service. Note this is not the average gross margin across all subscribers, since [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] of Charter's [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] video subscribers already had the Silver and Gold video tiers. The average gross margin for upgraded service across all video subscribers is [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL], reflecting the [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] margin times the [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] of video subscribers that do not already have upgraded service.

<sup>30</sup> The level of lost customers that make the foreclosure unprofitable is the ratio of lost to gained margin [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] which is roughly [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL].

<sup>31</sup> Note that subscribers need broadband services to access OVDs.

iv. Average margins across all broadband subscribers

49. Table 7 summarizes the average revenues and average gross margins by broadband bundle for the 19 million New Charter broadband subscribers shown in Table 6. The gross margin by service bundle helps define the amounts New Charter stands to gain or lose in the event of OVD foreclosure. Table 8 combines the breakdown of broadband subscribers by bundle in Table 6 with the gross margins by broadband bundle in Table 7. For each broadband bundle, Table 8 shows the margin New Charter would lose if the subscriber switched to a rival ISP, and the margin it would gain if the subscriber increased its purchases of video services.<sup>33</sup> These margins are labeled “Loss” and “Gain” under “Impact of Foreclosure.”

**[BEGIN HIGHLY CONFIDENTIAL]**

---

<sup>32</sup> Direct expenses in Table 7 are based on the full year 2014 figures underlying Table 4. This is conservative. Since December 2014 average direct expenses were approximately **[BEGIN HIGHLY CONFIDENTIAL]** **[END HIGHLY CONFIDENTIAL]** higher than the full year average, gross margins based solely on December 2014 would be slightly lower.

<sup>33</sup> The margins for Loss and Gain in Table 8 are based on the figures shown in Table 7. Losses reflect the entire gross margin per subscriber for each broadband bundle. The potential gains entail calculation of the incremental margin from adding or upgrading bundled video service. For example, the **[BEGIN HIGHLY CONFIDENTIAL]** **[END HIGHLY CONFIDENTIAL]** margin gain for broadband-only subscribers is the **[BEGIN HIGHLY CONFIDENTIAL]** **[END HIGHLY CONFIDENTIAL]** video and broadband double play margin gained minus the **[BEGIN HIGHLY CONFIDENTIAL]** **[END HIGHLY CONFIDENTIAL]** broadband-only margin that was already being received. For existing video and broadband double and triple play customers, the gain is not that they begin video service but instead upgrade to higher video tiers. The average gross margin for upgraded video service was described in a preceding section.

50. Note that many broadband subscribers do not watch online video and therefore would not be affected by OVD foreclosure. For example, according to a survey conducted for Charter in 2014, only about [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] of broadband subscribers also subscribe to Netflix.<sup>34</sup> Charter’s experience is comparable to the rest of the U.S. In Q4 2014, Netflix had 39.1 million U.S. streaming subscribers, which were only 42% of the total 92.9 million U.S. broadband subscribers.<sup>35</sup> Assume that subscribers that care about OVDs currently subscribe to Netflix, and that those that do not care about OVDs do not currently subscribe to Netflix. Only current Netflix subscribers, then, will be affected by foreclosure. Table 8 shows an estimate of the number of Netflix subscribers by bundle.

51. Based on the estimated number of Netflix subscribers, New Charter would lose [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] on average for every broadband subscriber that left New Charter, and would gain [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] on average for every broadband subscriber that increased its video purchases. See Table 9. This means that more than [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] subscribers would have to purchase upgraded video services for every [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] that switched to a different provider [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL].<sup>36</sup> (Note that if I instead assume that all subscribers would be affected

<sup>36</sup> These estimates are conservative. Upgraded or new video service could come with additional installation costs associated with a “truck roll” (technician dispatched to do installation). If these new or upgraded video subscribers did not stay with New Charter for long to pay off the installation costs plus the other losses, New Charter could actually lose money.

**[END HIGHLY CONFIDENTIAL]**

**B. New Charter would likely lose a significant number of subscribers if it foreclosed OVDs**

52. The evidence suggests New Charter would lose a substantial number of profitable broadband subscribers if OVDs were foreclosed. Charter’s survey of subscribers found that consumers want more content than Charter provides. The survey showed that **[BEGIN HIGHLY CONFIDENTIAL]** **[END HIGHLY CONFIDENTIAL]** of consumers want more options for free programming to watch on demand and **[BEGIN HIGHLY CONFIDENTIAL]** **[END HIGHLY CONFIDENTIAL]** want full past seasons of programming that can be “binge” watched.<sup>37</sup> OVDs are a source of this type of programming, and therefore access to OVDs increases consumer value for Charter broadband. If even a small percentage of these consumers switch away from New Charter in response to a foreclosure strategy, New Charter would be worse off.

53. Few surveys have directly asked consumers whether they would switch their broadband provider if OVDs were unavailable. One survey by Global Strategy Group (“GSG”) found that over 70% of broadband subscribers also subscribing to Netflix would switch if Netflix service were degraded.<sup>38</sup> This implies approximately 27% of total broadband subscribers would switch.<sup>39</sup> Note that if New Charter foreclosed OVDs and that foreclosure caused 27% of broadband subscribers to switch to a rival ISP, then **[BEGIN HIGHLY CONFIDENTIAL]** **[END HIGHLY CONFIDENTIAL]** of broadband subscribers would have to upgrade video services for it to be profitable—an impossibility since only 73% of subscribers would remain with New Charter after the switching.

<sup>39</sup> Memorandum from William Lake, FCC, to Marlene Dortch, FCC, Exhibit 1b (public information) (Dec. 9, 2014). This 27% figure reflects 39% of broadband subscribers having Netflix times the 71% that would switch broadband service.

54. The average gain and loss shown in Table 9 can be used to calculate the critical percentage of affected broadband customers whose loss would make foreclosure unprofitable. It shows that for every one average subscriber lost, New Charter would need [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] average subscribers to upgrade video service. Stated another way, the foreclosure would be unprofitable if as little as [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] of the affected broadband customers were to switch while *all* of those that did not switch instead upgraded their video service.<sup>40</sup> Of course, not all broadband subscribers watch OVDs and some will be unaffected by foreclosure. Foreclosure would be even less profitable if the retained broadband subscribers do not all choose to upgrade their video service. For example, if only half of the retained customers upgraded video service, foreclosure would be unprofitable if as little as [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] of total broadband subscribers switched away from New Charter.<sup>41</sup>

55. The costly response of consumers leaving Charter need not be immediate to make the analysis above applicable. Broadband providers experience substantial churn, giving customers ample opportunity to leave one provider for another or simply stop turning to one of the providers. In any given year, Charter experiences substantial churn among its broadband subscribers. During 2014, typical monthly churn for Charter broadband was around [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] yielding an annual churn around [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL]. Charter constantly needs to attract new customers to replace this churn just to stay even. An OVD foreclosure strategy that would blemish a broadband provider in the eyes of consumers would also reduce the demand for its broadband service from new customers, and would lead to less broadband growth. Any slowdown in attracting new broadband subscribers could easily result in overall losses as new subscribers are not signed up while existing subscribers are turning away at a rapid pace.

---

<sup>40</sup> This percentage of customers lost where foreclosure becomes unprofitable is typically called “critical loss.” Assuming all of the affected broadband customers retained were to upgrade service, it is calculated as the result of the margin gained [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] divided by the sum of the margin gained and the margin lost [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL].

<sup>41</sup> If only half of retained affected customers upgrade video service, the gain would be half as great. The critical loss would be [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] of affected customers, which reflects half the margin gained [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] divided by the sum of the margin gained and the margin lost [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL]. Assuming [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] of broadband customers subscribe to Netflix, the foreclosure would be unprofitable if [BEGIN HIGHLY CONFIDENTIAL] [END HIGHLY CONFIDENTIAL] of broadband customers switched away from New Charter.

56. Some of broadband churn is natural and can happen from customers moving residences. However, a substantial amount of the churn is due to competition between broadband service providers. A 2010 FCC report found that 37% of broadband users had switched providers one or more times in the past three years.<sup>42</sup> Of those users that switched, the FCC calculated that 57% did not switch broadband providers because of moving residences. Thus, about 20% (=57% x 37%) of total broadband users switched providers in the last three years for reasons other than moving residences.

**C. Post-merger incentive to encourage growth in OVDs and other new services**

57. New Charter will have an incentive to encourage the growth of OVDs and other new vertically related services and products because those services and products increase demand for its broadband services. As I showed above, on net, a loss in broadband subscribers will be more damaging to the profits of the post-merger firm than any potential gain in revenue from video subscribers. Therefore, New Charter will have an incentive to make the consumer broadband experience more attractive to consumers to expand broadband subscribership.

58. As noted earlier, the majority of OVD users also have video service. In fact, it is likely that some of the OVD services are complements to traditional video services for many subscribers, not substitutes. The ability to watch past seasons of a series, for example, can spur a subscriber's demand to view the current season. HBO's chief executive noted in 2014 that consumers want both OVD and traditional products.<sup>43</sup> A survey by TiVo Research and Analytics found that consumers are not currently substituting traditional television for Netflix.<sup>44</sup> Instead, Netflix viewers were found to watch about the same amount of traditional TV as other viewers. The desire on the part of consumers for OVD products *and* the differentiated products offered by MVPD providers gives an incentive for New Charter to ensure their customers' access to these OVD products.

59. Consumer surveys show that it behooves service providers such as Charter to not only allow but encourage its users to also adopt some OVD streaming. A recent survey by TNS Global of 25,000 U.S. households found that about one sixth of pay TV households changed their level of video service in the past year and that those that stream video were roughly twice as likely to have changed the level of video service.<sup>45</sup> However, these households were not

disproportionately downgrading pay TV. Instead, households that stream video were nearly twice as likely to have upgraded rather than downgraded video service.

60. If New Charter forecloses OVDs, it is more likely to drive subscribers who view OVD services and traditional MVPD video services as complements to switch to other providers. These customers would be among those already subscribing to bundles including both broadband and video services. They would thus be associated with the higher margins coming from bundled services. The more subscribers in this category that view the services as complements, the more likely that New Charter would lose profits if it attempted to foreclose OVDs.

#### **D. Summary regarding foreclosure**

61. As described above, New Charter would likely lose a significant portion of its broadband subscribers if it foreclosed OVDs. And it would likely make attracting the subscribers necessary to replace churn, much less to grow, very difficult. This means that an unrealistically significant portion of any remaining subscribers would have to purchase more video services for foreclosure to be profitable. Furthermore, OVD services and traditional MVPD video services are likely complements for many subscribers, and these subscribers are likely to purchase less video services if OVDs are foreclosed, not more, as required for profitability. For all of these reasons, it is very unlikely that New Charter would find it profitable to foreclose OVDs.

### **VIII. Conclusion**

62. There are a number of strong economic arguments indicating that the proposed transactions will be procompetitive and benefit consumers. First, the merging firms do not compete for consumers of broadband, video, or voice, so there will be no impact on local competition in those markets. Second, New Charter will have much larger scale than its constituent firms and therefore will have additional incentive to undertake fixed cost investments that improve quality and speed of service for consumers. Third, New Charter is not vertically integrated upstream with significant programming interests, while its technology is relative inexpensive for both OVDs and consumers, so it remains open to carrying and partnering with a broad set of complementary firms.

63. Perhaps most importantly, New Charter will have improved incentive and ability to sponsor entry among Internet innovators. New Charter will have the scale and complementary assets to be a strong partner to innovative entrants, lowering their costs and giving them more choices in partners. Moreover, New Charter will have an incentive to make its HSD offering as compelling and attractive as possible in order to attract consumers. This will lead to New Charter continuing to integrate with, encourage, and include OVDs in the Charter user experience (e.g. on the Charter Program Guide). Such a strategy is logical and sustainable because each broadband user is profitable at the margin, and therefore any foreclosure of OVDs that drove away those consumers would not be in the best financial interest of New Charter.

## Pre-Transaction Structure

\* Manager

\*\* Advance/Newhouse Partnership is a privately held company, owned and controlled, via intermediary companies, by the Newhouse Family.

# Post-Transaction Structure

\* Post-transaction, Advance/Newhouse Partnership will hold (1) common and preferred units in a partnership that will be a New Charter subsidiary, and (2) one share of Class B common stock in New Charter. The preferred units will be convertible into common units of the partnership, and the common units will be exchangeable by Advance/Newhouse, in certain circumstances, for cash or, at the election of New Charter, New Charter Class A common stock, and will represent approximately 13% to 14% of New Charter on an as-converted, as-exchanged basis. Because the partnership location and conversion election are still potentially subject to change in a manner that would not affect license and authorization holders, they cannot be represented graphically here.
