Re: Global Crossing Ltd. ("Global Crossing") and Citizens Communications Company ("Citizens"), DA 00-2366: Ex Parte Presentation

Dear Ms. Yockus:

This letter responds to your follow-up questions regarding potential service area overlaps between the Global Crossing ILECs and CLECs subject to the above-referenced transfer of control and Citizens' existing ILECs and CLECs. Specifically, you asked whether: (1) there is any overlap between the service areas of the Global Crossing CLECs being transferred to Citizens and Citizens' ILEC service areas; and (2) whether there is any overlap between the service areas of the Global Crossing ILECs being transferred to Citizens and Citizens' CLEC service areas. This letter confirms that there are no service area overlaps between the Global Crossing CLECs subject to the instant transaction and Citizens' ILECs. There are also no service area overlaps between the Global Crossing ILECs subject to the instant transaction and Citizens' CLECs.

Pursuant to Sections 1.1204(a)(10) and 1.1206(b) of the Commission's rules, an original and two copies of this letter are being filed with the Secretary. Please call the undersigned if you have questions regarding this matter.

Sincerely,

William J. Sill
Counsel to Global Crossing Ltd.
