

Addresses of locations where both Comcast and TWC supply Active Business Services or Potential Business Services

This table will identify the addresses of locations where both Comcast and TWC supply Active Business Services or Potential Business Services.

"Active Business Services" are Business Services currently sold to a customer.

"Potential Business Services" are Business Services that can be reasonably supplied within one week of request over owned or IRU held facilities. Do not count locations with Active Business Services.

Column	Variable Name	Format	Example Entries	Description
