

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I fully support the satellite merger involved. As a resident of a rural area, I am tired of being treated as a second-class citizen, being exempted from benefits and things that metropolitan residents take for granted, or paying 2 or 3 times what said service or benefit costs city dwellers. This merger will level the playing field and benefit all.

Sincerely,

Allen Bengé
