

The Honorable Michael K. Powell
Chairman
Federal Communications Commission

Washington, D.C. 20554

Dear Chairman Powell:

I do not like the idea of a merger it cuts down on our choice of providers and then we will have another Microsoft type company in dish network and no one to go to if we do not like the changes. Price hikes can happen and we have no choice but to pay or do with out. Competition is what make a great company and so far Dishnetwork has done very well. I would hate to see dish network fall to direct TV's level of service and with there being only one choice it will happen.

Sincerely,

David Ables
