

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

Do not support the merger of Dish Network with Direct TV.  
Do not support an instant monopoly of the satellite tv business.  
Do, however, lift restrictions covering the home satellite viewer act so a  
consumer may view whatever television market he/she chooses.  
Do not place restrictions or take away our right to view satellite broadcasted  
signals of any kind.  
We have a right to view what we wish without limitations if we pay for such  
signals to be viewed within the domain of our own home.

Sincerely,

Alan Fraser
