

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I would like to voice my discontent with this merger in that I think it would take away all competition in the industry. I was a dish subscriber for several years and that recently I was very frustrated with dish when I tried to get an answer from them for not offering the YES network to it's subscribers. They would never answer me back after mailing several letters and was only told that they were negotiating, direct tv had yes and there was no charge for it so I switched. If this merger goes through it will take away all competition and that things like this in the future will only get worse. Please fight this agreement with all you have as it can't be good for consumers!

Sincerely,
