

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

Please do not allow this merger to take place. Despite all the propaganda that Dish Network has tried to brainwash its customers with, I know that the prices will only increase, the service (which is already bad) will get worse, and the customer service from Dish Network will also get worse. Take a look at the Better Business Bureau - do a search on Dish Network and Direct TV - these providers aren't known for customer service / satisfaction, or value for the product. Don't let them join and become a monopoly - please fight for the consumer on this one. Thank you.

Sincerely,

Angela Stanley
