Dear Chairman Powell:

Dear Member:

Several years ago I moved from one town to another. In the former town I got 50+ channels for about \$30. In the new town I got 27 channels for the same money. When I inquired about this I got a runaround. So I got a dish. Once enough people in my new town started getting dishes the number of channels the cable company offered increased. I'm sure there are a lot of people in your district with similar experiences to mine. If you obstruct this merger they will be wise to you. If you facilitate it they will praise you. Take your choice.

Sincerely,
