

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

Our family would like to add our support to the merger of EchoStar and DirectTV. Not only will it provide competition and improved services but it will also enable families like us to enjoy a broader variety of sporting events. The use of this technology has improved TV enjoyment rather being limited to cable and local TV options. As our legislative representative, please push for this merger as soon as possible.

Thank you for your consideration.

Sincerely,

James Berko and Family
