Dear Chairman Powell:

I believe in a 'Open' Market but I also believe in providing good services at fair prices. Not everyone will be able to afford big \$\$\$\$ in satellite packages. Point being that if it was upto me I'd let them merg because it add more local & national services to people arround the world. Im a DISHNET Subscriber and im also a Direct TV Subscriber as well and I love both services they offer a good selection togeather.

Sincerely,

Bob Hull
