

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

Since we are older, we feel the need to see our local channels on the satellite dish. Often we can only see shadows from our local station. The wind blows hard here at times. My significant other has diabetes and has days where it is hard for her to focus.

Thank you for listening,

Sincerely,

Claude Blasing
