

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

The EchoStar/DirectTV merger will be good for consumers, not bad. It will bring incredible TV options, including local channels, to all Americans. It will also bring broadband internet access to those in rural areas. I can hardly wait for the day when I can get all those channels!

Sincerely,

Frank Block, Jr.
