

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission

Washington, D.C. 20554

Dear Chairman Powell:

I don't know about you but I live in a rural area and do not get much reception on an antenna. I do not like the fact that I do not receive my local channels on my satellite and I hate it as I get the New York stations. I feel that if you do not okay the merger then I should be at the very least be able to get either Cincinnati or Cleveland stations and then it would be somewhat local. I Hope you will allow this merger to go thru and then I will have both of the satellite companies that I have used and enjoyed. PS even if I could get cable I would not because I can not get as much variety as I do with a satellite

Sincerely,

Barbara Nixon
