

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I would need much more information to support this merger. I have been a customer of both Dish Network and DirectTV. My experience with DirectTV left me with no trust with the way they do business. If I learned that DirectTV and Hughes were the one driving this merger and it takes place I will drop my subscription in an instant to anything involved with that poorly run organization. I had the worst customer service experience of my life dealing with that malfunction of a company. I will have nothing to do with that company just out of principle.

Sincerely,

Donald Bouyear
