

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I am a Dish network user. I spend a few months a year in my RV traveling the US. Not being able to get local programming when traveling is very disturbing. While in Texas this spring we were not aware of a tornado warning which was broadcasted on local channels. Please let us have local programming.

Sincerely,

George Bremner
