

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

Please allow this merger to happen. Living in the country has been a dream for me. Thanks to Dish Network we can have the benefits for local TV, and the entertainment that was only available if you lived in the city. Now, we have the opportunity to get high speed internet access. For one that works with computers and have clients throughout Texas, fast internet access is very important.

Thanks

Sincerely,
