

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I am a subscriber to the Dish Network and I think the merger would be horrible for the public. Prices would increase and service would decrease there is no question about it. In the time I have been a subscriber, I have noticed that as Dish Network get larger, they have less and less regard for their customers. They have already proven the merger would be a bad situation for consumers.

Sincerely,

Brian Thomas
