

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

Under NO CIRCUMSTANCES should you consider allowing this merger. This merger will do irreparable and permant damage to an already fragile environment of free enterprise and customer choice. If this merger is allowed to happen, you will in effect be laying the ground work for yet another monopoly. Why would congress impose another 'Micro Soft' on the american people. We need honest and fair competition in all segments of our economy.

Make the right choice and choose people over big business. VOTE NO MERGER.

Sincerely,

Kevin Bujold
