

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I am against the merger of EchoStar and DirectTV. Government agencies wish to take microsoft and other international corporations to task over questions and claims of forming a monopoly. However they fail to take issue with the smaller regionalized monopolies, most notably banks and communication companies. I would include this merger into a regionalized monopoly.

Sincerely,

John Carilli
