

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I am one of the 40 millions households that would KILL for high speed internet access! Tomorrow would not be soon enough. But of course, it's got to be more affordable than it is now. \$800 for a dish to get the service is out of the question. Hopefully, the merger will eliminate that problem.

Sincerely,

Shari Cartee
