

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I strongly support the joining of these two companies. I currently have satellite television, but do not have access to local channels because I am in a poor reception area. Access is available by cable but in order to access their system I must pay the full price for all their programming. I will not do this and I will not give up the satellite system as an alternative.

I am excited about the opportunity to see the services improve as described.

Thanks for your support of this merger.

Sincerely,

Charles Guptill
