

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I am writing this letter because I am a current dish network subscriber. In my area I am not eligible for local channels. I cannot get the local channels with rabbit ears and can't put up an outside antenna because I live in an apartment. They allow small dishes but no antennae. The broadband internet access would also be nice to have. Therefore I hope that you approve this merger.

Sincerely,

Steve Cole
