

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I don't care how many more people will have access to high-speed internet. How does a monopoly ever benefit the people? What happened to our anti-trust laws? First Direct TV buys out Primestar, now the merger w/ Dish Network (Echostar)...can high prices and lousy service and selection be far behind? No to the merger, yes to competition.

Sincerely,

Jan Coleman
