

We live in Pueblo, Colorado. The cable company has a monopoly here and treats customers like they are unimportant.

Yet the cable company has a monopoly in delivering NBC, ABC, CBS, and FOX to Pueblo.

My off air antenna does not give very good quality TV. It is inconsistant from day to day.

ONLY WHEN the Dish Network merger goes through, will this city of 100,000 people have a choice!

Please support the DISH NETWORK MERGER.

Thank you.
