Dear Chairman Powell:

I feel it is good thing for Direct and Dish to merge because it would open alot more doors for customers to recive everything they wnt and I think that Charlie won't raise prises like everyone says Charlie treats his customers like his children. It will able all customers to receive their local chanel and some people were they live they aren't able to have cable but then they cant receive their locals from Dish right now and if this goes through everyone can enjoy those chanel. Plus Dish would receive the YES net and NFL thing which would make alot of customers happy. Please let the merger go through and make the Dish satillite watching more enjoyable.

Sincerely,

Alexis Dahl
