

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I am writing to ask you Not to Support the Merger with Dish TV and DirectV. I have been a subscriber of Dish TV and found them to misrepresent themselves as to their services. They also do not support their customers when I have had a problem..(more than 1 problem) never to be resolved...Just to be told 'That's the way it is'.

Please look more into their services, as I feel this would be a grave mistake. Too much power would make them even more powerful and less for the consumer.

I would like to know who to write to for help with them? They have not provided the service that was represented...Their equipment has malfunctioned several times and was never resolved...I have about 4 months service left on my contract. I shall pay this but do not feel I owe ..They should actually pay me for their breach of contract. Their response was, I still owe and that's the way it is...

Sincerely,

Bliss Daneri
