

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I would like to urge you to support the pending merger of Dishnetwork and Direct TV. I am a prior cable TV subscriber and I must say that the service I receive from Dishnetwork far exceeds those I previously had with cable. I feel Dishnetwork works on behalf of the consumer to supply not only the best in television entertainment but does so with a conscience related to consumer costs. I receive at least three times the amount of channels I had with cable and the cost is less. I realize I am but a small voice in a large world of lobbyist but I hope my voice is heard as an American citizen exercising his right to speak out.

Sincerely,

Clarence Davis
