

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I feel it would be a big mistake to allow the merger of the only two players in the satellite tv, internet field. It would eliminate the competition between satellite service providers and only allow the competition to be between cable service, which is significantly higher in my area. This would surely cause our rates to rise to the cable rates almost immediately.

Sincerely,

Allen Davis
