

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission

Washington, D.C. 20554

Dear Chairman Powell:

Lawmakers in this country has long been one sided giving in all the cable companies and networks almost everything they want, its time for you to support, in my opinion what I feed is not only ANOTHER CHOICE, but a better, please support the Echo star merger with Direct TV, and sattelelite TV services in General. As an American and Vietnam War Vet, I fought to keep this country FREE. What has been done to squash this and other satalite company's is not what I or other Vets put our life on the line for.

Please support this merger

Sincerely,

Randy Davis
