

I'm in full support of this merger. The local cable company is just 500' from my house and wants to charge me alot of money to give me service. I had a big dish and could not get network TV even when I wanted to pay for it. What doesn't make sense to me is that I can buy any newspaper but not buy network TV stations. My big dish needs repair and Dish Network gave a good deal to switch. This merger would mean alot to me to get this service.
