

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I am writing to you today as a current satellite TV subscriber who would like to have a choice of receiving local television networks and independent stations in any U S market. I live in Trevor Wisconsin. I am from Hawaii, born and raised there. I have recently moved here from California, where I have lived for the past 30 plus years. I urge you and your other politicians to support legislation which would allow any satellite tv subscriber, in America, to receive all local tv networks and independent stations from any market in the U S no matter which 50 states americans live. If you succeed to get legislation passed then you will have earned my vote the next time you run for office. I also ask you and other politicians to vote for the merger of Echostar Corporation and Direct T.V.

Sincerely,

Harold Dillingham
