

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I would like to show my opposition to this huge merger. In the first place, as a fairly competent business man, I feel that this merger would just be completely unfair to any smaller companies who would like to provide cable or a similar service. Secondly, as a religious man, i don't agree with many of the stands that the dish network takes. I will not go into details about that but

I do feel as an AMERICAN I should have the right to choose which cable provider I would like. If or when this merger takes place, we will not have even the ability to make a choice. Now I know many of you could care less about the religious right but I feel my voice and concerns are as important as anyone else's. Thank you so much for your time.

Sincerely,

Steven Dixon, Jr.
