

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

If the merger of Echostar and Directv will put aside the injustice that the Florida judge foisted upon the American public, by removing those channels that were bought, paid for, and enjoyed by those of us who are able to receive neither cable nor local channels by any means, then this merger must be approved.

Sincerely,

Robert Domey
