

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I am in favor of consumer CHOICE. This proposed MERGER involving EchoStar and DIRECTV concerns me. I see it may be a benefit to launch a STANDARD system across the country. I also see it as another choice being taken away from the consumer. My first thoughts are that the loss of choices available may not make it worth the benefits afforded by the merger.

I would need to thus say I am NOT in favor of the merger as it currently seems to be planned.

Sincerely,

Danny Doolhoff
