

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I am strongly opposed to the idea of one man, Charles Ergen, controlling all of the satellite to home viewing along with control over the prices too. With EchoStar's past record of broken promises and dealings I will put up an antenna and watch snow rather than pay into a monopoly!

Sincerely,
