

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I strongly agree with this merger as I am an independent contractor working from home and my business suffers from not being able to be on the internet and receive a fax at the same time. Because I live in a rural area, my only internet source is dial up modem which is not very productive in terms of speed or missed faxes while I'm on that line. Having the increased speed and phone line availability that would come from using Direct TV as my internet provider would increase the efficiency of my business 10 fold. Thank You.

Sincerely,

Debbie Thomason
