

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I'm writing to support the merger of dish network and direct tv. It would benefit a lot of people including myself. We pay a good price for the satellite programming. We should be able to pick up our local channels without getting a separate antenna for the tv. We should be able to keep up with our local programming and if it means paying a little extra well it's worth it. Right now I have to have friends tape programs for me and mail them to me cause i can't get local stations. So, please allow this merger and let us have our local stations.

Thank you
Todd Durden

Sincerely,
