

The Honorable Michael K. Powell
Chairman
Federal Communications Commission

Washington, D.C. 20554

Dear Chairman Powell:

I live in Grayson County TX and switched to Dish Network almost 2 years ago because cable service was unreliable. I have only had ABC, FOX and NBC since that time although Dallas has around 11 stations. I can't even get CBS because the owners of the station 'only sign waivers for their friends'. I also have the option of an \$85 antenna to get reception. I have to get a waiver since being in Grayson Cty, we are served by OK stations so we have to be under OK law. I don't live in OK and don't want to. I want to see this merger happen to stop the unfairness of this situation. Thank you

Sincerely,

Elaine Derby
