

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I have been a subscriber of DISH Network for just over a year. I am extremely satisfied with their services. I have had no interruptions in service and when my receiver broke they promptly without question replaced it. I think the merger of DISH Network and DIRECTV would benefit all customers now and in the future. You should also approve them to carry our local stations and stop protecting ATT monopoly. Again, please approve the merger of these two companies. It's the smart thing to do.

Sincerely,
