

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I believe it is really bad for us as customers to merge Dish Network and Direct TV. It will create a monopoly in the satellite television market. New monopolistic company will charge their customers anything they want. Please, take action to prevent the merger.

Sincerely,
